

HOPKINS, THE WITCH FINDER.

# Matthew Hopkins Witch Finder General

**Richard M. Golden Director, Jewish  
Studies Program**

## **Matthew Hopkins Witch Finder General:**

The Discovery of Witches Matthew Hopkins, 2022-09-15 In The Discovery of Witches Matthew Hopkins presents a harrowing examination of witch trials during the English Civil War articulating the fervor and paranoia that swept through society. Written in a polemical style, the text serves both as a legal manifesto and a chilling account of the judicial proceedings that targeted countless accused witches. Hopkins employs a mixture of personal testimony and legal reasoning to justify his ruthless methods, reflecting the broader socio-political tensions of the time characterized by superstition and religious fanaticism. This work not only contextualizes the trial dynamics but also exposes the gendered dimensions prevalent in witch hunts, emphasizing the darker aspects of human belief and societal control. Matthew Hopkins, known as the Witchfinder General, was a controversial figure whose relentless zeal in pursuing alleged witches led to his infamy in 17th-century England. His background as a soldier during the English Civil War likely shaped his views and his fervent belief in the necessity of rooting out perceived evil. Driven by a combination of personal ambition and a purported moral mission, Hopkins's experiences fueled his assertions in this significant yet unsettling text. This seminal work is highly recommended for scholars, historians, and readers interested in the interplay between law, morality, and superstition in early modern Britain. The Discovery of Witches not only documents a dark chapter in history but also encourages critical reflection on the consequences of fanaticism and the fragility of justice.

Matthew Hopkins Witchfinder General James Vi, John Gaule, Matthew Hopkins, 2021-03-09 *Matthew Hopkins* Richard Deacon, 1976 The Discovery of Witches Matthew Hopkins, 2014-03-22 The Discovery of Witches In answer to severall queries lately Delivered to the Judges of Assize for the County of Norfolk By Matthew Hopkins Witchfinder Hopkins's witch-finding career began in March 1644 and lasted until his retirement in 1647. During that period, he and his associates were responsible for more people being hanged for witchcraft than in the previous 100 years and were solely responsible for the increase in witch trials during those years. He is believed to have been responsible for the deaths of 300 women between the years 1644 and 1646. It has been estimated that all of the English witch trials between the early 15th and late 18th centuries resulted in fewer than 500 executions for witchcraft. Therefore, presuming the number executed as a result of investigations by Hopkins and his colleague John Stearne is at the lower end of the various estimates, their efforts accounted for about 60 per cent of the total in the 14 months of their crusade. Hopkins and Stearne sent to the gallows more people than all the other witch hunters in the 160 years of persecution in England. **The Discovery of Witches** Montague Summers, 2014-03 This is a new release of the original 1647 edition.

**Witchfinder General** Craig Cabell, 2006 Matthew Hopkins is perhaps the most notorious, certainly the most productive witchfinder that England ever boasted. In eighteen months between 1645 and 1646, he was responsible for the condemnation and execution of at least 230 witches in south-east England and East Anglia. His victims were for the most part elderly women, though men too, even respected clergymen, faced trial and capital punishment for performing witchcraft and making

covenants with Satan Hopkins had appointed himself Witchfinder General by order of Parliament but his reputation as a local hero became tarnished by his use of excessive torture too many false accusations and confessions obtained by dubious means His death is somewhat mysterious He died while still quite young possibly after having been accused of witchcraft himself and executed Craig Cabell already a noted biographer of such contemporary students of the occult as Dennis Wheatley and James Herbert uses the copious extant records and Hopkins's own writings to create a richly detailed picture of a man and a society obsessed with magic devil worship and the powers of darkness He provides the first full modern biography of a man who turned his undoubted energies and gifts into a streamlined and profitable killing machine *The Discovery of Witches* Matthew Hopkins, 2018-08-28 In *The Discovery of Witches* Matthew Hopkins the Witch Finder General of England during the early 1600s details the process by which he found and captured suspected witches Hopkins's treatise is comprised of answers to various queries he had received by members of the public curious about his investigatory techniques in finding witches This book answers a total of fourteen queries with replies ranging from a few sentences to a few paragraphs in length The book is an illustrative portrayal of a society fervently given to superstitions about the powers of witchcraft At three hundred women killed the efforts of Hopkins and his assistant John Stearne were prolific Accorded status Hopkins encountered opposition to his witch finding That his investigations required scant evidence to secure death sentences dismayed figures in the Church of England Today historians judge Hopkins as an opportunist who took advantage of unfounded suspicions to advance his own fame **Witchcraft in Early Modern Europe** Jonathan Barry, Marianne Hester, Gareth Roberts, 1996 This important collection brings together both established figures and new researchers to offer fresh perspectives on the ever controversial subject of the history of witchcraft Using Keith Thomas's *Religion and the Decline of Magic* as a starting point the contributors explore the changes of the last twenty five years in the understanding of early modern witchcraft and suggest new approaches especially concerning the cultural dimensions of the subject Witchcraft cases must be understood as power struggles over gender and ideology as well as social relationships with a crucial role played by alternative representations Witchcraft was always a contested idea never fully established in early modern culture but much harder to dislodge than has usually been assumed The essays are European in scope with examples from Germany France and the Spanish expansion into the New World as well as a strong core of English material John Stearne's Confirmation and Discovery of Witchcraft Scott Eaton, 2020-05-31 Between 1645-7 John Stearne led the most significant outbreak of witch hunting in England As accusations of witchcraft spread across East Anglia Stearne and Matthew Hopkins were enlisted by villagers to identify and eradicate witches After the trials finally subsided in 1648 Stearne wrote his only publication *A confirmation and discovery of witchcraft* but it had a limited readership Consequently Stearne and his work fell into obscurity until the 1800s and were greatly overshadowed by Hopkins and his text This book is the first study which analyses Stearne's publication and contextualises his ideas within early modern intellectual cultures of religion demonology gender science and

print in order to better understand the witch finder s beliefs and motives The book argues that Stearne was a key player in the trials that he was not a mainstream puritan and that his witch finding availed from contemporary science It traces A confirmation s reception history from 1648 to modern day and argues that the lack of research focusing on Stearne has resulted in misrepresentations of the witch finder in the historiography of witchcraft This book redresses the imbalance and seeks to provide an alternative reading of the East Anglian witch hunt and of England s premier witch hunter John Stearne

Witch Trials Alix Wood,2013-08-01 From a modern perspective it seems incredible that people were once executed for practicing witchcraft Yet in medieval Europe and colonial America more than 12 000 lost their lives this way The proof of witchery was often as scanty as a physical deformity or as outrageous as the water test If the tied up suspect floated in water they were guilty if they sunk they were innocent Readers will be fascinated by reports of famous and lesser known witch trials accompanied by vivid photographs colorful illustrations and intriguing fact boxes They ll learn how dubious accusations circumstantial evidence and a lack of scientific knowledge proved fatal for so many The Encyclopedia of Witches.

Witchcraft and Wicca Rosemary Guiley,2010-05-12 Presents a comprehensive reference guide with more than 480 entries on the subject of witchcraft Encyclopedia of Witchcraft Richard M. Golden Director, Jewish Studies Program,2006-01-30 The

definitive compilation on witchcraft and witch hunting in the early modern era exploring significant people places beliefs and events Encyclopedia of Witchcraft The Western Tradition is the definitive reference on the age of witch hunting approximately 1430 1750 its origins expansion and ultimate decline Incorporating a wealth of recent scholarship in four richly illustrated alphabetically organized volumes it offers historians and general readers alike the opportunity to explore the realities behind the legends of witchcraft and witchcraft trials Over 170 contributors from 28 nations provide vivid documented descriptions and analyses of witchcraft trials and locations folklore and beliefs magical practices and deities influential texts and the full range of players in this extraordinary drama witchcraft theorists and theologians historians and authors judges clergy and rulers the accused and their persecutors Concentrating on Europe and the Americas in the early modern era the work also covers relevant topics from the ancient Near East including the Hebrew and Christian Bibles classical antiquity and the European Middle Ages **Witchfinders** Malcolm Gaskill,2007-10-31 In 1645 Matthew Hopkins

and John Stearne exploited the anxiety and lawlessness of the time and initiated a brutal campaign to drive out the presumed evil in their midst Gaskill recounts the most savage witch hunt in English history By the fall of 1647 at least 250 people had been captured interrogated and tried with more than 100 hanged **The Watkins Dictionary of Magic** Nevill

Drury,2012-01-01 Over 3000 authoritative cross referenced entries covering magical traditions from all around the world

**Catalogue of Prints and Drawings in the British Museum** British Museum. Department of Prints and Drawings,1870

Witches and Sorcerers Gary Jeffrey,2011-01-15 This gripping book uses the graphic novel format to examine three real life stories about people who were accused of being witches and sorcerers in history Supernatural tales include Nicholas

Flamel and the Philosopher's Stone the Salem Witch Trials and Grace Sherwood the Witch of Pungo Each story is presented in a riveting style that is accessible to reluctant readers

**Dictionary of the Supernatural** Petre Underwood, 1978-10 An A to Z of Hauntings Possession Witchcraft Demonology and Other Occult Phenomena The entries cover all known and some very little known organisations individuals periodicals terms of reference and significant cases events and incidents relevant to the subject Under each entry there are notes on other appropriate books and further reading

**Witchcraft in Continental Europe** Brian P. Levack, 2013-10-28 Witchcraft and magical beliefs have captivated historians and artists for millennia and stimulated an extraordinary amount of research among scholars in a wide range of disciplines This new collection from the editor of the highly acclaimed 1992 set *Articles on Witchcraft Magic and Demonology* extends the earlier volumes by bringing together the most important articles of the past twenty years and covering the profound changes in scholarly perspective over the past two decades Featuring thematically organized papers from a broad spectrum of publications the volumes in this set encompass the key issues and approaches to witchcraft research in fields such as gender studies anthropology sociology literature history psychology and law This new collection provides students and researchers with an invaluable resource comprising the most important and influential discussions on this topic A useful introductory essay written by the editor precedes each volume

*My Revision Notes: OCR A-level History: Popular Culture and the Witchcraze of the 16th and 17th Centuries* Nicholas Fellows, Katharine Fellows, 2018-04-09 Exam board OCR Level A History Subject First teaching September 2015 First exams Summer 2016 Target success in OCR A level History with this proven formula for effective structured revision key content coverage is combined with exam preparation activities and exam style questions to create a revision guide that students can rely on to review strengthen and test their knowledge Enables students to plan and manage a successful revision programme using the topic by topic planner Consolidates knowledge with clear and focused content coverage organised into easy to revise chunks Encourages active revision by closely combining historical content with related activities Helps students build practise and enhance their exam skills as they progress through activities set at three different levels Improves exam technique through exam style questions with sample answers and commentary from expert authors and teachers Boosts historical knowledge with a useful glossary and timeline

**Witches and Witch Hunts Through the Ages** Phil Carradice, 2024-05-16 Witchcraft Just the mention of the name is enough to cause fear even terror in the minds and hearts of many people But that is not the full story Yes there have always been proponents of the dark arts witches and warlocks willing to use their powers for evil but the wise men and women of the ancient and medieval world men and women eager to use their spells and potions for good have often been overlooked This book looks at witchcraft from the early days tracing its development as a pseudo religious cult the good and the bad from the wild plains of Babylon to the present day It highlights witch scares and individuals particularly the witch hunts of the medieval period when 100 000 women were accused of witchcraft and nearly 80 000 executed It examines the concept of witch hunting detailing

the activities of men like Matthew Hopkins the famous Witchfinder General The book does not just focus on medieval and ancient witches it takes in modern witch hunting with people like Senator Joe McCarthy during his Communist witch hunts of the 1950s and the continued modern persecution of women and men accused of witchcraft in African Indian and Caribbean states This is a detailed account of witches and witchcraft in many ways a tribute to the thousands of men and women accused and executed without full evidence or proof of evil doing It is a broad historical sweep that includes fictional characters like Morgan le Fey and Merlin the magician of King Arthur s court Thoroughly researched and elegantly written it is essential reading for anyone who is interested in the social and political history of the past

As recognized, adventure as with ease as experience nearly lesson, amusement, as well as harmony can be gotten by just checking out a ebook **Matthew Hopkins Witch Finder General** also it is not directly done, you could resign yourself to even more just about this life, nearly the world.

### **Matthew Hopkins Witch Finder General Introduction**

In today's digital age, the availability of Matthew Hopkins Witch Finder General books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Matthew Hopkins Witch Finder General books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Matthew Hopkins Witch Finder General books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Matthew Hopkins Witch Finder General versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Matthew Hopkins Witch Finder General books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Matthew Hopkins Witch Finder General books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Matthew Hopkins Witch Finder General books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Matthew Hopkins Witch Finder General books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Matthew Hopkins Witch Finder General books and manuals for download and embark on your journey of knowledge?

### **FAQs About Matthew Hopkins Witch Finder General Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Matthew Hopkins Witch Finder General is one of the best book in our library for free trial. We provide copy of Matthew Hopkins Witch Finder General in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Matthew Hopkins Witch Finder General. Where to download Matthew Hopkins Witch Finder General online for free? Are you looking for Matthew Hopkins Witch Finder General PDF? This is definitely going to save you time and cash in something you should think about.
