A Commentary on the Gospel of Matthew Craig S. Keener, 1999 This excellent commentary on Matthew offers a unique interpretive approach that focuses on the socio historical context of the Gospel and the nature of Matthew's exhortation to his first century Christian audience By merging a careful study of Matthew's Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first century Jewish Christian relations Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary In addition Keener's commentary is a useful discipleship manual for the church His unique approach recaptures the full shock effect of Jesus teachings in their original context and allows Matthew to make his point with greater narrative artistry Keener also brings home the total impact of Matthew's message including its clear portrait of Jesus and its call for discipleship both to the Gospel's ancient readers and to believers today

Reading Matthew David E. Garland, 2001 Reading

Matthew provides thorough guidance through Matthew's story of Jesus. Garland's commentary reveals the movement of the story's plot while also highlighting the theology of Matthew. Reading Matthew is an essential book for students and ministers studying the first Gospel. Book Of Matthew Explained Henry Dwornik, 2021-07-08. Matthew's Gospel was written for a largely Jewish group to convince them that Jesus was the hoped-for Messiah and so he interprets Jesus as someone who relives the experience of Israel. For Matthew everything about Jesus is prophesied in the Old Testament. This book is a commentary on the gospel according to Matthew. Matthew was one of the disciples of Jesus. He was a tax collector by profession. But He belonged to the priestly clan. After Matthew resigned from his good tax collector's position, he followed Jesus for three years without any salary or income. And after the death of Jesus, he did not go back to his old profession nor regretted that he made a mistake in losing his job.

Psychoeducational Assessment and Report Writing Stefan C. Dombrowski, 2020-06-10. The second edition of this textbook provides expanded and updated guidance on the process of psychoeducational assessment and report writing for children in grades K-12. It casts the entire process within a newly proposed evidence-based psychoeducational assessment and report writing framework and explains how to convey results through detailed well-written reports. In addition, chapters significantly expand on the coverage of learning disabilities, autism spectrum, intellectual disabilities, gifted, and other health-impaired and emotional disturbance assessment. The text updates sample reports from the previous edition, offering annotated commentary in the report explaining salient points and major decisions and incorporates additional report samples to demonstrate fully the assessment and report writing process. Key topics addressed in the revised and expanded edition include: Psychoeducational assessment and report writing in school and clinic settings; Interview formats from various perspectives including caregivers, parents, teachers, and students; Assessment of culturally and linguistically diverse youth; Assessment of social, emotional, behavioral, and mental health difficulties that may affect students' educational functioning; Common academic difficulties including reading, writing, and mathematics; Common recommendations and accommodations for behavioral, social, emotional, and learning needs; Incorporation of response to intervention curriculum-based assessment data into the psychoeducational report. *Psychoeducational Assessment and Report Writing 2nd Edition* is an essential textbook for graduate students as well as researchers, professors, and professionals in child and school psychology, educational assessment, testing, and evaluation, social work, and related disciplines.

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access-Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

Viking Gold A. Jay Collins, 2023-10-20 Using unscrupulous methods, a pair of Danish rogues gain control of an ill-equipped and cash-poor mining company. It owns an abandoned underground mine on the barren south coast of Newfoundland that still hosts quality gold but cannot convince the market to financially support rejuvenation. The pair intend to strip out as much of the high-grade gold remaining and ship it off shore for processing as they did on a similar project in Greenland. A powerful Russian oligarch with murky motives arranges a multi-million-dollar loan based on lies for the Danes to re-activate the mine and build a processing plant; they don't actually intend to build. Instead, the Russian and the Danes keep the loans for themselves as well as the revenue from the sale of the gold. It's another billion-dollar heist. Just like their previous venture on the southern tip of Greenland, they intend to mine as fast as possible, leaving Newfoundland with nothing but a toxic mess. Led by saboteur Matthew Black, ORB (the Organization for Restructuring Business) has to stop the Russian and the Danes from controlling their cash flow, diverting money back to the original lenders, and putting all three out of business. Their tactics include sabotaging the mine, their barges, and their mega-yachts. As ORB goes to great lengths to sabotage the thieves, the gold hangs in the balance. Will ORB succeed in stopping the rogues? Will the financier be left in the lurch again? Or will ORB be able to put a stop to their nefarious plans once and for all?
