Religion Explained? Luther H. Martin, Donald Wiebe, 2017-09-21 With contributions from founders of the field including Justin Barrett E Thomas Lawson Robert N McCauley Pascal Boyer Armin Geertz and Harvey Whitehouse as well as from younger scholars from successive stages in the field's development this is an important survey of the first twenty five years of the cognitive science of religion Each chapter provides the author's views on the contributions the cognitive science of religion has made to the academic study of religion as well as any shortcomings in the field and challenges for the future *Religion Explained: The Cognitive Science of Religion after Twenty five Years* calls attention to the field whilst providing an accessible and diverse survey of approaches from key voices as well as offering suggestions for further research within the field This book is essential reading for anyone in religious studies anthropology and the scientific study of religion An Introduction to the Sociology of Religion Inger Furseth, Pål Repstad, 2006-01-01 An Introduction to the Sociology of Religion provides an overview of sociological theories of contemporary religious life Some chapters are organized according to topic Others offer brief presentations of classical and contemporary sociologists from Karl Marx to Zygmunt Bauman and their perspectives on social life including religion Throughout the book illustrations and examples are taken from several religious traditions

Religion Explained Pascal Boyer, 2001 *Religion, Language, Narrative and the Search for Meaning* Anthony Campbell, 2009-08-09 This is a book about religion from a secular standpoint which nevertheless takes its subject seriously Anthony Campbell is a medical doctor who has long been interested in religion and spirituality and has written several books about it in the last 30 odd years including the first detailed examination of the philosophical ideas underlying Transcendental Meditation *Seven States of Consciousness* published in 1973 He has also made a study of the Persian heretical Islamic sect known in the West as the Assassins *The Assassins of Alamut* available from Lulu In 2008 he published a personal account in *Totality Beliefs and the Religious Imagination* also available from Lulu of his own gradual abandonment of the search for religious truth The present book looks at a number of attempts to explain the existence of religious belief and concludes that religion will probably always appear naturally in human consciousness because of the way in which our minds have evolved

The Cognitive Science of Religion James A. Van Slyke, 2016-03-23 The cognitive science of religion is a relatively new academic field in the study of the origins and causes of religious belief and behaviour The focal point of empirical research is the role of basic human cognitive functions in the formation and transmission of religious beliefs However many theologians and religious scholars are concerned that this perspective will reduce and replace explanations based in religious traditions beliefs and values This book attempts to bridge the reductionist divide between science and religion through examination and critique of different aspects of the cognitive science of religion and offers a conciliatory approach that investigates the

multiple causal factors involved in the emergence of religion **Can Science Explain Religion?** James William Jones, 2016 Argues that efforts by the anti religious to explain and undermine religion through cognitive science are misguided and that these approaches can actually be used to support the belief in and practice of religion **The Apocalypse Explained According to the Spiritual Sense** Emanuel Swedenborg, 1899 **The Faith Explained** Leo J. The True Christian Religion Emanuel Swedenborg, 1883

Understanding the Spiritual Meaning of Jerusalem in Three Abrahamic Religions Antti Laato, 2019-08-05 Understanding the Spiritual Meaning of Jerusalem in Three Abrahamic Religions analyzes the historical social and theological factors which have resulted in Jerusalem being considered a holy place in Judaism Christianity and Islam It also surveys the transmission of the religious traditions related to Jerusalem This volume centralizes both the biblical background of Jerusalem's pivotal role as holy place and its later development in religious writings the biblical imagery has been adapted rewritten and modified in Second Temple Jewish writings the New Testament patristic and Jewish literature and Islamic traditions Thus all three monotheistic religions have influenced the multifaceted interpretive traditions which help to understand the current religious and political position of Jerusalem in the three main Abrahamic faiths

The Roots of Religion Professor Roger Trigg, Professor Justin L Barrett, 2014-12-28 The cognitive science of religion is a new discipline that looks at the roots of religious belief in the cognitive architecture of the human mind This book deals with the philosophical and theological implications of the cognitive science of religion which grounds religious belief in human cognitive structures religious belief is natural in a way that even scientific thought is not Philosophers and theologians from North America UK and Australia explore the alleged conflict between truth claims and examine the roots of religion in human nature

Dialectics of Faith-Culture Integration Michael Muonwe, 2014-02-21 This book navigates the contours of cultural and theological hermeneutics in order to critique affirm as well as reconceptualise the vital underpinnings and subtleties of faith culture intercourse and reciprocation It questions claims to effective inculturation by theologians and church authorities even as it acknowledges the inevitability of the tension between inculturation process and syncretic formations It is an irresistible asset for teachers and students of theology cultural and religious studies for pastors and missionaries and for all Christians in need of finding Christian beliefs and practices more meaningful to them in their daily lives The hope is that it challenges the straitjacketed conceptual and pastoral frameworks that have often characterised the church's evangelisation initiatives and assists in making Christian faith a concrete and living possession of every age and culture Michael Muonwe is a priest of the Catholic diocese of Awka Nigeria He holds Licentiate

and Doctorate in Theology and Religious Studies from the Catholic University of Leuven Belgium He obtained Bachelors in Philosophy from Bigard Memorial Seminary Enugu Nigeria Michael also holds Diplomas in Mass Communication and Education He has authored a number of articles and is an editor of a book His major research interest is the often convoluted relationship and interplay between religion and the contemporary culture His research on the relationship between Christianity feminism and culture will soon be published in two volumes On the present book Prof Annemie Dillen of the Catholic University of Leuven affirms This is a must read book for local church leaders theologians and everyone involved in pastoral work It challenges the reader to give up a longing for security and finding answers in fixed rules or the so called universal truths and invites him or her to an in depth study of cultural practices and beliefs The overview of the discussions on inculturation and the reality or sometime maybe phantom of syncretism is very illuminating and thought provoking Thomas F Magill asserts A timely and well balanced study of the theology of inculturation as understood in the Roman Catholic tradition offering new and fresh insights situated in the cusp between the Benedict XVI s emphasis on the relationship between faith and reason and the problem of relativism and Francis I s desire for a poor church for the poor T F Magill L S S Ph D parish priest of the Diocese of Motherwell formerly a Lecturer in New Testament Studies at the University of Glasgow *What Is Religion?* Thomas A.
