The Ruby Cover-up Seth Kantor, 1980-11 **It's Time for the Truth!** Charles E. Hulburt, 2014-11-21 Containing a synopsis of every facet of the assassination that stunned a nation and the subsequent investigations this volume is the essential reference tool for experts and novices alike Overviews and details of events conflicts cover ups and profiles of prominent theorists are clearly presented in this primer With rigorous research and documentation the author provides the most compelling and complete text ever written about the crime of the century *Cover-up* J. Gary Shaw, Larry R. Harris, 1976 **Bulletins from Dallas** Bill Sanderson, 2016-11-01 An in depth look at one of the twentieth century s star reporters and his biggest story Thanks to one reporter s skill we can fix the exact moment on November 22 1963 when the world stopped and held its breath At 12 34 p m Central Time UPI White House reporter Merriman Smith broke the news that shots had been fired at President Kennedy s motorcade Most people think Walter Cronkite was the first to tell America about the assassination But when Cronkite broke the news on TV he read from one of Smith s dispatches At Parkland Hospital Smith saw President Kennedy s blood soaked body in the back of his limousine before the emergency room attendants arrived Two hours later he was one of three journalists to witness President Johnson s swearing in aboard Air Force One Smith rightly won a Pulitzer Prize for the vivid story he wrote for the next day s morning newspapers Smith s scoop is journalism legend But the full story of how he pulled off the most amazing reportorial coup has never been told As the top White House reporter of his time Smith was a bona fide celebrity and even a regular on late night TV But he has never been the subject of a biography With access to a trove of Smith s personal letters and papers and through interviews with Smith s family and colleagues veteran news reporter Bill Sanderson will crack open the legend *Bulletins from Dallas* tells for the first time how Smith beat his competition on the story and shows how the biggest scoop of his career foreshadowed his personal downfall Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home *The Road to Dallas* David Kaiser, 2009-11-30 Neither a random event nor the act of a lone madman the assassination of President John F Kennedy was an appalling and grisly conspiracy This is the unvarnished story With deft investigative skill David Kaiser shows that the events of November 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the U S government s campaign against organized crime which began in the late 1950s and accelerated dramatically under Robert Kennedy and the furtive quest of two administrations along with a cadre of private interest groups to eliminate Fidel Castro The seeds of conspiracy go back to the Eisenhower administration which recruited top mobsters in

a series of plots to assassinate the Cuban leader The CIA created a secretive environment in which illicit networks were allowed to expand in dangerous directions The agency s links with the Mafia continued in the Kennedy administration although the President and his closest advisors engaged in their own efforts to overthrow Castro thought this skullduggery had ended Meanwhile Cuban exiles right wing businessmen and hard line anti Communists established ties with virtually anyone deemed capable of taking out the Cuban premier Inevitably those ties included the mob The conspiracy to kill JFK took shape in response to Robert Kennedy s relentless attacks on organized crime legal vendettas that often went well beyond the normal practices of law enforcement Pushed to the wall mob leaders merely had to look to the networks already in place for a solution They found it in Lee Harvey Oswald the ideal character to enact their desperate revenge against the Kennedys Comprehensive detailed and informed by original sources The Road to Dallas adds surprising new material to every aspect of the case It brings to light the complete frequently shocking story of the JFK assassination and its aftermath

Act of Retribution J.P. Phillips, 2010-03-17 My quest for an answer to the riddle of President Kennedys assassination first began in April 1967 following a talk given by Warren Commission critic and best selling author Mark Lane at Michigan State University where I was a graduate student My search has lasted well over twenty years Gathering every scrap of information I could find on the assassination I have arrived at what I believe is the most credible thesis to date As a result of meticulous research I am able to identify probable suspects in what I have come to believe was a far reaching conspiracy which involved not only renegade elements from the CIA and organized crime figures but one which extended to the highest echelons of the U S government By pulling together existing knowledge of the assassination while introducing new evidence my book focuses primarily on six main principals persons of interest their motives and their activities in relation to the assassination and the links that connect them 1 LEE HARVEY OSWALD Accused by the Warren Commission In 1964 of being the sole assassin of President Kennedy 2 JACK RUBY Dallas night club owner who two days following the Presidents assassination shot and killed Oswald 3 CARLOS MARCELLO Reputed crime boss of the New Orleans Dallas Mafia during the time of the assassination 4 GENERAL CHARLES PEARE CABELL Deputy Director of the CIA from 1953 to 1962 when he was dismissed by President Kennedy along with other high ranking intelligence officials for the failure of the Bay of Pigs invasion 5 EARLE CABELL Younger brother of General Charles P Cabell who was Mayor of Dallas the day President Kennedy was assassinated 6 FRED KORTH Fort Worth businessman and banker who was Secretary of the Navy from 1962 to October 1963 when he was forced by President Kennedy to resign for his involvement in the TFX controversy As to the motives of those individuals involved in the Presidents murder I believe that the assassination was planned and carried out with a dual purpose in mind 1 as an act of vengeance by those ex high government officials who were dismissed by the President either for alleged wrongdoing as in the case of Fred Korth or for incompetence as in General Cabells case 2 to prevent the Presidents domestic and foreign policies particularly in reference to his stand on the Vietnam conflict from being

implemented Viewed in this light the assassination of President Kennedy was an act of retribution by a group of mean spirited vengeance seeking individuals who acted in the misguided belief that by assassinating this president they were furthering the national interest Notwithstanding his immense popularity with the American people President Kennedy was perceived by his killers to be a clear and present danger to the country and to its interests at home and abroad for several reasons for his stand on civil rights and racial equality for his attempt to closely regulate the oil and gas industry for his desire to normalize relations with Cuba for his desire to ease tensions between the superpowers through a reduction in armaments for his crackdown on organized crime for his stated intention to withdraw U S forces from Vietnam Removing him from office by political murder therefore excused his killers in their own eyes from any wrongdoing for by killing this President they were convinced that they were acting in the national interest against the seemingly dangerous policies of a chief executive who if allowed to finish his presidency would lead the nation to ruin A wise mind will never censure anyone for having employed any extraordinary means for preserving a kingdom Believing like Machiavelli that they were acting to preserve and maintain

JFK Assassination M.J. Trow, 2024-08-30 The assassination of John Fitzgerald Kennedy is one of the milestones of history Everyone it is said remembers where they were when they heard the news Because the official investigation the Warren Commission set up by Kennedy's successor in the White House Lyndon Johnson was such a whitewashing travesty of justice the world has felt itself free to speculate ever more wildly about what really happened in Dealey Plaza Dallas in November 1963 The killer said the Warren Commission was the peculiar loner Lee Harvey Oswald and he acted alone Evidence science and common sense have long ago proved that this was not possible So it was the Russians It was the Cubans It was the Mafia It was Lyndon Johnson It was the Secret Service It was the FBI It was the CIA It was that murky conspiratorial bunch the Military Industrial Complex This book evaluates all the above and comes to another conclusion entirely The reason that we are still arguing about who was responsible for a murder committed in front of a large crowd in broad daylight is that no one was prepared to put up their hands and admit their responsibility for not doing their jobs properly Yes there was a conspiracy but the cock up element was even greater Why was there inadequate Secret Service protection for the president in Dallas Why was the motorcade route made public well in advance Why was Lee Oswald identified on the word of a single witness Why was Jack Ruby allowed to slip past dozens of policemen to kill Oswald Why were the lawyers of the Warren Commission allowed to select witnesses and bully them into saying what they had not seen Why did subsequent governmental inquiries fudge the physics of a headshot and a bungled autopsy Why does the American mainstream media still cling to the lone gunman single bullet theory The answer is simple Everybody in 1963 and for many years afterwards were far too concerned about covering their own backs Truth and justice got lost somewhere in all of that *Thinking Critically About the Kennedy Assassination* Michel Jacques Gagné, 2022-03-27 *Thinking Critically About the Kennedy Assassination* uses the tools of critical thinking historical research and philosophical inquiry to debunk the many myths and conspiracy theories surrounding JFK's shocking and untimely death As we approach the 60th anniversary of the violent public assassination of President John F Kennedy over half of all Americans surveyed continue to believe that he was killed by a conspiracy involving multiple assassins Through its reasoned and detailed analysis of the content and evolution of JFK conspiracy narratives this book also serves as a comprehensive case study of paranoid reasoning and modern mythmaking The book's opening chapters lay out the official academic consensus concerning the Kennedy assassination better known as the Lone Gunman Theory and discuss the origins of popular interpretations of Kennedy's life and death such as the nostalgic myth of Camelot the unsympathetic Irish Mafia narrative and the many conspiracy theories critical of both Subsequent sections scrutinize the alleged motives of leading conspiracy suspects the ballistic forensic and medical evidence related to JFK's murder and the most popular proofs of an enduring government cover up The book concludes that no clear evidence exists to suggest that JFK was the victim of a conspiracy and ends with a discussion of the causes and consequences of paranoid thinking in contemporary public discourse This volume will appeal to students of history politics psychology and cultural and media studies and to a broader audience
