The Power of His Presence Ray C. Stedman, Mark Mitchell, 2010-11-01 Beloved preacher and teacher Ray Stedman's passion for biblical exposition preaching through entire books of the Bible has been captured in this devotional format that will nourish your spiritual health and help you grow into the mature saint that God has intended you to be Each month focuses on a different book of the Bible or a major portion of a book alternating month by month between the Old and New Testaments In this 366 day devotional Stedman traces the theme of the believer's dependence on Christ through each of the following books Mark Ecclesiastes Ephesians Genesis 1 John John Nehemiah 2 Corinthians Psalms 1 and 2 Timothy Job You will want to read each day's selection with an open Bible as Stedman explores the depths of each passage with practical wisdom compassion and an easy to understand style that will encourage you to grow in your knowledge of Scripture The power of Christ's presence will become a greater reality in your life as this gifted Bible teacher inspires and motivates you with the eternal truths of God's Word Experience a systematic integrated approach to daily devotional time through the teachings of respected pastor and Bible teacher Ray Stedman in **The Power of His Presence**

The Gospel of John: Peace in storm, John 13-17 James Montgomery Boice, 1999 **The Gospel of John** Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers **The Gospel of John A Commentary** more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike

believe for the first time reveals knowledge that has been buried in the Bible under a secret code There have been many attempts to uncover this code and all previous attempts have contributed in a positive way to this writing The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood I am not though writing this with rose colored glasses There will always be those who hate the Truth for personal worldly gains those who take comfort in falsehood those who would follow blindly what their ancestors believed true or false those who worship at the altar of their base desires and those who benefit from evil in the world The ultimate victory of Truth over falsehood is with God Almighty and I wish that the reader is guided to the Truth This book is also a way to thank God Almighty for guiding me away from falsehood and this book is for others like me **John Calvin's Bible Commentaries**

On The Acts of the Apostles 1 -1 3 John Calvin, alvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation The present commentary necessarily partaking of the character of the Book which it is designed to illustrate is more historical than doctrinal and

hence does not contain so much profound theological discussion as some of Calvin's other Commentaries. The leading topic is the progress of the Gospel under the inspired teachers to whom its first propagation was entrusted and in immediate connection with this the Constitution of the Apostolic Church and the privileges enjoyed by its members. To this latter point the attention of the religious world is now more especially directed and whatever be the views entertained with regard to it by any reader into whose hands this Commentary may fall if he feels aright he will not think that his study of the controversy is complete until he has made himself acquainted with what has been said upon it by such a man as Calvin. This edition contains the commentaries on Acts 1-13 *Clavis Bibliorum* Francis Roberts, 1675 Commentary on the Gospel of John: Chapters 13-21 Saint Thomas (Aquinas), 2010 **Loose-Leaf Bible-ESV-Pages Only**, 2009-05 The English Standard Version's rigorous fidelity to the original languages of the Scriptures has quickly made it a widely used translation. Now this up and coming Bible is available from Hendrickson in a loose leaf edition that will be a tremendous tool for serious students.
