Secrets Of The Supernatural Investigating The Worlds Occult Mysteries:

Adventures in Paranormal Investigation Joe Nickell, 2014-04-23 Tales of alien abductions miraculous relics and haunted castles have attracted believers and skeptics across the globe for centuries Paranormal investigator Joe Nickell tackles the world's most seemingly inexplicable myths in *Adventures in Paranormal Investigation* With four decades of experience in the field Nickell employs skepticism and scientific analysis to pull truth from the mires of false evidence and trickery that surround both old and new legends and mysteries Unlike authors who engage in hype and sensationalism in order to foster or debunk myths Nickell approaches each case with a rational and scientific approach intended to find the truth Occam's Razor all things being equal the simplest solution is the best one is a principal instrument in his investigative toolbox as well as the belief that it is the claimant's responsibility to provide the extraordinary proof required in such extraordinary cases *Adventures in Paranormal Investigation* features Nickell's on-site explorations in unusual phenomena Among the forty unique cases Nickell examines mysteries ranging from snake charmers who purport to hold influence over the reptiles to the Holocaust victims who reportedly haunt a gas chamber in Dachau to Lake Simcoe's resident lake monster Igopogo in Canada In addition to the case studies Nickell analyzes how the propensity to fantasize can affect human perceptions of and belief in paranormal activity and how his personal experience with the paranormal was altered when intuition led to the discovery of a daughter he didn't know existed More than just another myth busting text *Adventures in Paranormal Investigation* brings together reason and scientific analyses to explain both the phenomena and the role of human perception therein establishing Nickell as the foremost paranormal investigator of our time *Secrets of the Supernatural* Joe Nickell, John F. Rosengren, Carl N. Johnson, Paul L. Harris, 2000-05-29 This volume first published in 2000 is about the development of human thinking that stretches beyond the ordinary boundaries of reality Various research initiatives emerged in the decade prior to publication exploring such matters as children s thinking about imaginary beings magic and the supernatural The purpose of this book is to capture something of the larger spirit of these efforts In many ways this new work offers a counterpoint to research on the development of children s domain specific knowledge about the ordinary nature of things that has suggested that children become increasingly scientific and rational over the course of development In acquiring an intuitive understanding of the physical biological or psychological domains even young children recognize that there are constraints on what can happen However once such constraints are acknowledged children are in a position to think about the violation of those very same constraints to contemplate the impossible *The Big Book of Canadian Hauntings* John Robert Colombo, 2009-08-17 Watch out Here comes another mammoth book to thrill you and chill you and to frighten you to within an inch of your life It comes bumping out of the night from John Robert Colombo the master of the macabre This new compendium delivers excitement and delight to everyone who finds the unknown and the inexplicable fascinating baffling and frightening The Big Book of Canadian Hauntings offers readers true first person accounts of the appearances and the disappearances of ghosts and spirits as well as considerations and discussions of their effects on observers Some told as true tales are reprinted from newspapers and periodicals of the past but the majority of the stories which come from every region in Canada are based on eyewitness reports of the present that are appearing here for the first time and are based on the compiler s ongoing research So whether you believe in ghosts spirits spooks spectres or poltergeists or not after reading these narratives contributed by Canadians from all walks of life you definitely won t be indifferent to them **Hidden History (Volume 2 of 2) (EasyRead Super Large 20pt Edition)** , Past Mistakes David Mountain, 2020-11-05 A welcome ally in the fight against fake history Eleanor Janega author of *The Middle Ages* From the fall of Rome to the rise of the Wild West David Mountain brings colour and perspective to historical mythmaking The stories we tell about our past

matter But those stories have been shaped by prejudice hoaxes and misinterpretations that have whitewashed entire chapters of history erased women and invented civilisations Today history is often used to justify xenophobia nationalism and inequality as we cling to grand origin stories and heroic tales of extraordinary men Exploring myths mysteries and misconceptions about the past from the legacies of figures like Pythagoras and Christopher Columbus to the realities of life in the gun toting Wild West to the archaeological digs that have upset our understanding of the birth of civilisation David Mountain reveals how ongoing revolutions in history and archaeology are shedding light on the truth Full of adventures and based on detailed research and interviews Past Mistakes will make you reconsider your understanding of history and of the world today Past Mistakes takes what we think we remember from history class and sets the record straight Definitely worth reading if you re ready to have your mind blown and then be filled with rage that you ve been hoodwinked for this long The Tiny Activist
