The Secrets of Hebrew Words Benjamin Blech,1991 Ever since the earliest times Jewish scholars have looked to the Hebrew language as a source of holiness and a wellspring of wisdom Both letters and words it has always been assumed they have hidden messages and secrets to be sought after as if we are opening a shell to extract the fruit Rabbi Benjamin Blech has gathered many examples of the meanings hidden within Hebrew words and has explained them to the modern reader_ even those who do not know any Hebrew The result is both a fine illustration of this activity as well as a book rich with Jewish insight and teachings

Absorbing Perfections Moshe Idel,2008-10-01 In this wide ranging discussion of Kabbalah from the mystical trends of medieval Judaism to modern Hasidism one of the world s foremost scholars considers different visions of the nature of the sacred text and of the methods to interpret it Moshe Idel takes as a starting point the fact that the postbiblical Jewish world lost its geographical center with the destruction of the temple and so was left with a textual center the Holy Book Idel argues that a text oriented religion produced language centered forms of mysticism Against this background the author demonstrates how various Jewish mystics amplified the content of the Scriptures so as to include everything the world or God for example Thus the text becomes a major realm for contemplation and the interpretation of the text frequently becomes an encounter with the deepest realms of reality Idel delineates the particular hermeneutics belonging to Jewish mysticism investigates the progressive filling of the text with secrets and hidden levels of meaning and considers in detail the various interpretive strategies needed to decodify the arcane dimensions of the text **Moshe Idel:**

Representing God Hava Tirosh-Samuelson,Aaron W. Hughes,2015-01-08 Moshe Idel the Max Cooper Professor Emeritus at the Hebrew University of Jerusalem and Senior Researcher at the Shalom Hartman Institute is a world renowned scholar of the Jewish mystical tradition His historical and phenomenological studies of rabbinic philosophic kabbalistic and Hasidic texts have transformed modern understanding of Jewish intellectual history and highlighted the close relationship between magic mysticism and liturgy A recipient of two of the most prestigious awards in Israel the Israel Prize for Jewish Thought 1999 and the Emmet Prize for Jewish Thought 2002 Idel s numerous studies have uncovered persistent patterns of Jewish religious thought that challenge conventional interpretations of Jewish monotheism while offering a pluralistic understanding of Judaism His explorations of the mythical theurgical mystical and messianic dimensions of Judaism have been attentive to history sociology and anthropology while rejecting a na ve historicist approach to Judaism *The Wire Fence* Henry A. Craig,1995-07 The Wire Fence is the exciting story of a young boy Lonnie and his dog Duke Growing up in a poor farming

Representation in Religion Jan Assmann, Albert I.

Baumgartner, 2018-08-14 The role of representation in religion is complex While often perceived as essential it is also associated in many traditions with the liability of idolatry and provokes iconoclasm The essays in this volume examine the nuances of representation in religion and the debate concerning its place across a variety of traditions from the three Abrahamic faiths to those of antiquity and the East This volume consists of presentations made at an international conference held in honor of Moshe Barasch art historian and cultural critic who has done much to elucidate the light which representation and religion shed on each other It pays tribute to Barasch by expanding the base of understanding and insight he has erected It should be of interest to students of religion and of art history

Litka, 2023-03-30 The red 8 25 tram crossed Crane House Lane and disappeared behind Villiers House sealing my fate I d be late for work I slowed to a walk and took another bite of toast I found I didn t care It was that kind of day Henri Hardy The Girl on the Kerb It took several months for Henri Hardy to discover just what type of day it really was It was more than a day when his alarm clock failed to ring It was more than an unusually mild day in early spring It was a prelude to undreamed of changes in his life as an analytical engineer in the Ministry of Innovation It was a prelude to travel adventure danger and romance Fifteen hundred years before that day a devastating plague swept across the planets moons and space ships of Earth s solar system spanning civilization It ended space travel and forced the surviving population of the resource depleted Earth to live at a near 20th century level of technology while endlessly recycling the remains of their once highly advanced civilization To that end every aspect of their society is governed by an elaborate set of laws known as the Code But not everyone is content to live at the reduced level of technology dictated by the Code There are those who dream of returning to space and the planets Once such person is the administrator of Europe s EuraEast region the Duchess of Fauconcourt She has made it clear that she intends to alter the Code one way or another much to the alarm of the neighboring regions administrators So when an illegal flying machine that crashes in EuraEast comes to the attention of the administrators of EuraCentre and EuraNorthwest they recruit two amateur agents One being Henri Hardy the other is Jeanne Murat an expert in EuraEast Together they set out as a team for EuraEast seeking the evidence needed to compel the World Government to preemptively act to foil the Duchess dangerous ambitions Murat and Hardy soon discover that not only had their governments selected them as a team fate had

as well Nevertheless their mission to EuraEast goes south almost immediately propelling them into one perilous situation after another even as they seek to uncover the Duchess secret plans The Girl on the Kerb is a new full length novel from the pen of C Litka It blends a far future world with a nostalgic past in an espionage novel filled with intrigue adventure and romance told in his classic lighthearted style Like all his novels it features engaging characters witty dialog meticulous world building and mysteries to be solved in unexpected ways C Litka s novella Keiree is set on Mars after this same plague and in this same time period so that The Girl on the Kerb can be read not as a sequel but as a companion piece to that story answering the question of what happened on Earth And vice versa [Online!, Vol. 1](#) Midori Amagaeru,2023-12-12 It s not about winning It s life and death One by one students stop coming to school and rumors spread that a cursed video game is behind the disappearances Mai Yashiro wants nothing to do with it but then a mysterious console appears in her bag A creepy voice gives Mai a choice play the game or lose everyone she cares about She chooses to protect her loved ones but any sense of relief is short lived It turns out dying in the game has terrible real world consequences Thankfully she s not alone and she teams up with her schoolmates Asagi and Sugiura to beat the game The odds are stacked against them but they re playing to win even if they have to risk their lives [The Mystical Power of Music](#) Avraham Arie
