We are the Watchers Pasquale De Marco,2025-07-11 We are the guardians of the hidden realms the keepers of ancient relics the protectors of the balance between light and dark We stand in the shadows observing the world around us intervening when the fate of the world hangs in the balance Our origins are shrouded in mystery Some say we are the remnants of an ancient race the first beings to walk the earth Others believe we are the guardians of the ancient relics tasked with watching over their power Whatever our true origins we have existed for as long as time itself witnessing the rise and fall of civilizations the birth and death of stars and the ebb and flow of the cosmic dance We are not of this world but we are bound to it We are the watchers the protectors the guardians of all that is We stand in the shadows observing the world around us intervening when the fate of the world hangs in the balance As Watchers our role is to observe not to judge We are the guardians of the balance not the arbiters of justice We do not seek to impose our will upon the world but to guide and protect those who are worthy We are not above the fray but we do not take sides in conflicts Our allegiance is to the balance to the harmony of life and to the protection of the innocent We are not without our own burdens The darkness that we witness can sometimes corrupt us The secrets that we keep can weigh heavily upon our souls The burdens that we bear can sometimes seem unbearable But still we stand our ground fulfilling our duty to protect the world from the darkness that threatens to engulf it We are the Watchers We are the guardians of the hidden realms the keepers of ancient relics the protectors of the balance between light and dark We stand in the shadows observing the world around us intervening when the fate of the world hangs in the balance If you like this book write a review **The Secrets We Keep** Stephanie
