Secret Anniversaries of the Heart Lev Raphael, 2006

When Lev Raphael published the controversial story collection *Dancing on Tisha B'Av*, he broke new ground in contemporary literature. Never before in one collection had an American writer revealed the conflicts between homosexuality and traditional Judaism, linked the chilling mind diseases of anti-Semitism and homophobia, and offered testimony not only to the legacy of Holocaust survivors but the suffering and conflicts of their children. Winner of the prestigious Lambda Literary Award, Raphael widened the scope of American Jewish fiction for a new generation. *Secret Anniversaries of the Heart* unites the most compelling tales from *Dancing on Tisha B'Av* with twelve new stories appearing in book form for the first time, and the title story never before published. Emotionally complex, edgy, and daringly intimate, here is a collection of twenty-five years of stories that wrestle with questions of religious and sexual identity while displaying the gifts of a visionary writer in mid-career.
