Securities Markets And Investments A Ghanaian Primer:

Securities Markets and Investments Sam Mensah, 2007-08-08 Securities Markets and Investments is written both for the individual investor who wants to have a more than casual understanding of securities and for professionals who need a simple reference text that makes sense in the Ghana context. Students of the Ghana Securities Industry Course offered by the Ghana Stock Exchange and undergraduate and graduate students in business administration courses will find the book a valuable supplement to their course materials. Securities Markets and Investments Sam Mensah, 2001 Financial liberalisation in Ghana has unleashed an array of investment instruments: a stock exchange, unit trusts and corporate bonds. As markets grow, Ghana will develop more sophisticated products such as asset-backed securities and derivative instruments. Sam Mensah writes for finance students, individual investors and other professionals, keeping pace with the developments of the financial and investment infrastructure in Ghana. Contents: the investment process and financial markets, time value of money and the mathematics of finance, the organisation of securities markets, legal and regulatory frameworks, shares, forced income securities and bond portfolio management, economic and industry analysis, company analysis and share valuation, investment selection and performance evaluation, investment funds. **Accessions List of the Library of Congress Office, Nairobi, Kenya** Library of Congress. Covering pertinent areas of sustainable and responsible investment (SRI), this forward-looking book examines SRI in developing markets, including its evolution, principles and concepts. It explores the drivers and challenges in developing economies and analyses the theoretical underpinnings to critical issues pertaining to SRI. *Strategies for Sustainable Land Management and Poverty Reduction in Uganda* Ephraim Nkonya, 2004-01-01. References pp 123-136. The Transformative Potential of Corporate Social Responsibility in the Global Cocoa-Chocolate Chain Franziska Ollendorf, 2023-12-31. This book engages with the implications of an expanding Corporate Social Responsibility (CSR) of Transnational Corporations in their supply chains. Taking the case of a cocoa sustainability certification project in Ghana, the study examines the implementation process of such a transnational CSR intervention and its outcomes regarding the local governance and institutional environment of the cocoa sector in Ghana. The study deploys a theoretical framework based on Global Value Chain Analysis and a neo-Gramscian approach to Global Governance to assess transnational CSR as a concept and strategy that reflect power struggles in global production fields. **The Martindale-Hubbell Law Directory**, 1999. **Advances in Geoeconomics** J Mark Munoz, 2017-02-17. While geopolitics has captured global attention, geoeconomics is the often hidden force that governs countries' relationships. It is the economic psyche that shapes the new world order. Geoeconomics refers to

the intersection of economic factors relationships and conditions on global events A country s political and business alignments have an impact on individuals companies and on future economic stability This book assembles leading scholars and experts from around the world to advance current thinking on geoeconomics It is a thorough and authoritative reference work on world economics that aims to shape strategy formulation in business and government for years to come by expanding understanding on the topic of geoeconomics analyzing the implications of international geoeconomic events and providing the reader with theoretical and practical approaches on the management of geoeconomics Geoeconomic concepts in this book will prove timely and highly insightful to students academics executives entrepreneurs government officials consultants and policymakers
