The Adirondacks Paul Schneider, 2016-09-06 His book is a romance a story of first love between Americans and a thing they call wilderness For it was in the Adirondacks that masses of non Native Americans first learned to cherish the wilderness as a place of recreation and solace In this lyrical narrative history the author reveals that the affair between Americans and the Adirondacks was by no means one of love at first sight

And even now Schneider shows that Americans relationship with the glorious mountains and rivers of the Adirondacks continues to change As in every good romance nothing is as simple as it appears **Overview of the Federal Communications Commission** United States.
