

A dramatic painting depicting the biblical scene of Moses meeting God on Mount Sinai. Moses, on the left, is shown from the waist up, shirtless, with a long dark beard and hair, wearing a red cloak draped over his shoulders. He is reaching out towards God. God, on the right, is an elderly man with a long white beard and hair, wearing a dark, flowing robe. He is also reaching out towards Moses. The background is a dark, stormy sky with swirling clouds and a bright, golden light emanating from behind God, suggesting the presence of the divine. The overall mood is intense and awe-inspiring.

**Preaching Christ from Genesis** Sidney Greidanus, 2007-06-25 Sidney Greidanus's previous two preaching books *The Modern Preacher and the Ancient Text* and *Preaching Christ from the Old Testament* have received wide acclaim. *Preaching Christ from Genesis* offers more of Greidanus's solid practical homiletical fare. Packed with unique features, *Preaching Christ from Genesis* uses the latest scholarly research to analyze twenty-three Genesis narratives, presents the rhetorical structures and other literary features of each narrative, discloses the message for Israel, theme as well as the authors' likely purpose, goal, explores various ways of preaching Christ from each narrative, offers sermon exposition and commentary in oral style, suggests relevant sermon forms, introductions and applications. Including helpful appendixes: Ten Steps from Text to Sermon, An Expository Sermon Model, and three of the author's own Genesis sermons, this volume will be an invaluable resource for preachers and Bible teachers. Publisher: Answering Mormons' Questions Bill McKeever, Eric Johnson, 1983. The Church of Jesus Christ of Latter Day Saints currently boasts millions of members, thousands of missionaries and congregations on every continent as well as in the vast majority of the world's countries. It's clear that their influence is still growing in our communities, places of business and in the political arena. It's also clear that Christians need to be prepared to answer questions from Mormon friends, neighbors, co-workers and from fellow believers as well. In this updated and expanded edition of McKeever's popular and practical book, authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask. With more than six decades of combined experience, the authors tackle such tough questions as: Why don't you accept Mormons as Christians? Do you believe Mormonism is a cult? If the LDS church is not true, which church is? How can you explain the many contradictions found throughout the Bible? After offering analysis and responses to these and other questions, McKeever and Johnson provide helpful appendices that summarize Mormon beliefs, provide 101 Bible references to use in conversation and expose common logical fallacies. Originally published in the 1980s, this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons.

much criticism from scholars and critics who claim that the piece lacks organizational clarity and stylistic coherence In Tears into Wine renowned Bach scholar Eric Chafe challenges the scholarly consensus arguing that Cantata 21 is an exceptionally carefully designed work and that it displays a convergence of musical structure and theological purpose that is paradigmatic of Bach's sacred work as a whole Drawing on a wide range of Lutheran theological writing Chafe shows that Cantata 21 reaches beyond the scope of the individual liturgical occasion to voice a breadth of meaning that encompasses much of the core of Lutheran thought Chafe artfully demonstrates that instead of simply presenting a musical depiction of the soul's journey from sorrow to bliss Cantata 21 expresses the various stages of God's revelation and their impact on the believing soul As a result Chafe reveals that Cantata 21 has a formal design that mirrors Lutheran belief in unfolding revelation with the final movement representing the work's crown the goal toward which all of the earlier movements are directed Complete with full text translations of the cantata and the liturgical readings that would have accompanied it at the first performance Tears into Wine is a monumental book that is ideally suited for Bach scholars and students as well as those generally interested in the relationship between theology and music

**Signs of Change** Anthony Bartlett, 2022-03-11 The Bible has many stories but really there are only two There is a story of violent humanity and there is the story of a self-giving nonviolent God The question has been how to distinguish the two without creating a toxic dualism Bartlett shows that the narratives in tension are not two opposed Testaments even less two metaphysical principles but the slow separating out of nonviolent revelation from the frame of violent meaning by which human beings have always signified themselves and their gods In his prior ground-laying book *Theology Beyond Metaphysics* Bartlett demonstrated the concept of semiotic change and how it emerges as the most appropriate way of understanding and affirming a relational shift in human and theological meaning In this present work he supplies a rich seam of biblical evidence with gripping essays on Old Testament books and their evolution of transformative signs and new meaning Accounts of the life of Jesus and the teaching of Paul make the change exponential bringing to definitive expression the inbreaking of the nonviolent divine *Signs of Change* creates a theological masterstroke showing step by step how semiotic evolution leads human existence to the truly saving knowledge of a nonviolent God

**Bodies, Embodiment, and Theology of the Hebrew Bible** S. Tamar Kamionkowski, Wonil Kim, 2010-05-20 Recognizing that human experience is very much influenced by inhabiting bodies the past decade has seen a surge in studies about representation of bodies in religious experience and human imaginations regarding the Divine The understanding of embodiment as central to human experience has made a big impact within

religious studies particularly in contemporary Christian theology feminist cultural and ideological criticism and anthropological approaches to the Hebrew Bible Within the sub field of theology of the Hebrew Bible the conversation is still dominated by assumptions that the God of the Hebrew Bible does not have a body and that embodiment of the divine is a new concept introduced outside of the Hebrew Bible To a great extent the insights regarding how body discourse can communicate information have not yet been incorporated into theological studies Sermons Delivered Before Mixed Congregations Henry B. Altmeyer, 1911 **What the Bible Really Tells Us** Adrian Benard, 2017-05-17 So many of us grow up being constantly reminded about an all forgiving merciful and beneficent deity All throughout life it can even be drummed into us that we cannot live happy purposeful lives without a heavenly father who protects us and grants our wishes through prayer And if things dont go according to plan then we are simply told that God works in mysterious ways But what if we have more questions What if these things we are being told taught and even sold just dont live up to expectation What the Bible Really Tells Us looks to the very source of many of these doctrines and teachings about divinity and human nature the Judeo Christian Bible in order to unveil some of the reasons why the same questions about God his nature and biblical history often reveal different and sometimes inconsistent or even contradictory answers Exploring issues related to Gods nature such as his character qualities and attributes as well as investigating biblical events and figures like Adam and Eve and creation Noah and the flood and Abraham and his chosen lineage It asks us not only to think critically about the factual discrepancies and oddities but also to question why this biblical God or gods as it may be is in fact so similar to ourselves The Bible was written thousands and thousands of years ago but everybody has been conditioned and told to believe it regardless of the facts and sometimes even regardless of the often contradictory and inconsistent passages in the Bible itself Faced with an idiosyncratic God and an incongruous book we can study What the Bible Really Tells Us and confront a challenging thought Did God create us or did we create him
