Seeking The Spiritual:

The Seeking Soul Brad Flinders, 2014-05-07 How do I stop my thoughts And how does observing our thoughts enhance our spiritual growth These questions along with many others are answered in a concise and effective way in The Seeking Soul In this informative guide author Brad Flinders addresses a myriad of topics relating to spiritual development such as how to find the stillness within how to more effectively trust life how to subdue the ego and how to love ourselves unconditionally The Seeking Soul begins by taking you through the authors spiritually driven path of seeking for answers while being a devoted Mormon The journey then proceeds through those experiences and lessons that opened him up to a new way to view life It then delves into the insights resulting from a lifetime of seeking including how to live in harmony with the flow of life and how to find gratitude Through the insightful and amusing stories and informative viewpoints Flinders provides a unique insight into following a well defined path designed for the spiritual growth of the seeking soul Seeking Spiritual Intimacy Glenn E. Myers, 2011-03-28 In Seeking Spiritual Intimacy Glenn Myers introduces us to the Beguines a network of faith communities in Medieval Europe where women organized their world around a simple life with Christ at the center Learn from the insights of wise women of faith who from their modest homes and communities revitalized the faith of **Desperately Seeking Spirituality** Meredith Gould, 2016-05-09 In Desperately Seeking Spirituality sacred a continent spelunker and sociologist Meredith Gould combines practical wisdom with lived experience to explain why and when traditional practices don t work for today's seeker and then how to choose ones that will In short easy to read chapters and with characteristic wit Gould provides counsel for reframing perception to discover the sacred in everyday life This guide is for self identified seekers who have tried some many or even all the classic spiritual practices and then given up on them when they stop working In Desperately Seeking Spirituality Gould invites readers to embrace a broader definition of practice that shifts focus from doing to being Seeking Spiritual Growth Through the Bible Wilfrid I. Harrington, 2002 In looking to the Bible's witness this book offers readers a spirituality that is understood as faith lived in love and sustained by hope

Seeking Spiritual Direction Nick Helm, Liz Hoare, 2019 Spiritual direction is an ancient way of drawing attention to the primacy of God's perspective on life Practised well it is the art of keeping out of the way and like the good teacher or midwife enabling the directee to encounter God directly Aimed at anyone interested in receiving spiritual direction this illuminating guide examines the origins of the practice in the Bible and early church and explores how it can support the radical prophetic way of life that Jesus calls us to Page 4 of cover Seeking the Spirit With Ankita Sharma, 2018-09-13 Seeking the Spirit Within will allow you to view life from a bigger picture and encourage you to follow a spiritual path as the spirit within us awaits to connect with God Short Term Spiritual Guidance Duane R. Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires

intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person's growth Bidwell's work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God s presence Focusing on how God is already active in the directee s life allows the participants to identify God s action and respond in ways that collaborate with that identified movement of the Spirit **Seeking Spirit Beyond the Bottle Helen** Sherry, 2004-06-29 We live in an addictive society in which compulsiveness has become an art form and most people have dependencies of some sort This book was written to help all dependent people learn ways to follow a spiritual path even if their dependencies might be one of those potentially less severe than alcoholism or drug addiction such as workaholism materialism excessive anxiety or relationship difficulties To quote from the author People these days talk seriously of addictions to television the Internet or to acquiring material possessions These are usually self involved occupations It s as though humanity knows somehow that joy is their natural state but they lack the ability to open enough to experience it They are seeking comfort and joy in all the wrong places This memoir tells the story of three generations afflicted with alcoholism and its effects on family and friends It chronicles the author's growing up with an alcoholic mother in the middle of the twentieth century and her own later development of the same illness despite her strong commitment to avoid this It describes the methods she has used to remain in recovery over twenty seven years and includes information learned from her twenty plus years of working as an addictions counselor and from her ongoing relationships with an alcoholic spouse and an emotionally disabled son This book speaks to issues of import to much of humanity such as abandonment the need for safely and security in an insecure world the need to give control back to a spiritual source the need for forgiveness of self and others and the primary need to find Spirit within and not without To quote again from Ms Sherry s words I no longer think of God as dwelling in heaven wherever that might be As a child heaven seemed to be a place above the sky However even though I now know more of the facts about our Universe I still can t identify a place called heaven Today I also acknowledge the fact that our Universe may not be the only one that exists Consequently I think of Spirit as being a power that exists not only beyond the Universe but at the same time exists and resides in us all The author clearly and humanly identifies the eclectic combination of spiritual tools she had put in place in her life Her message will speak to those with addictions but also to those who simply wish to avoid dependencies and to change grow and evolve Spiritual Power Gian Kumar, 2017-12-06 An insightful informative and definitive work that projects spirituality in a new light and reveals how it can transform us and bring peace and happiness all around In this compact volume Gian Kumar a thinker by nature provides a comprehensive overview of the seemingly mysterious yet accessible world of spirituality Those seriously seeking to understand spirituality and its myriad aspects will find answers to questions they have been pondering over for years such as Is God only in the mind Is reality the same for all of us How do we go beyond the limitations of the body and the mind to attain a higher plane of

consciousness and awareness What is self realization What kind of entity is the soul The author defines spiritual power as that inner awareness and the capability to awaken our mind from the ignorance that we are not solely body and mind but something more He goes to explain in detail that something more The author contends that acquiring spiritual bliss may not be within everybody s reach but those who are keen and sincere can achieve this objective by delving deep into their inner selves to find out their shortcomings and how to overcome them so that they can lead complete and wholesome lives **Seeking** Ramesh Balsekar, 2004-03-01 Is there any such thing as free will Is everything in life predetermined Does God play dice with the universe Questions that intrigue seekers of the truth are answered with great insight sincere earnestness and absolute clarity in Ramesh's typical free flowing dialogues spiced with his delightful good humor during the morning satsangs or meetings with visitors from all over the world Through his teaching Ramesh exposes the sense of personal doership as the root cause of all suffering He describes how the process of this simple understanding can lift the burden of a life of struggle and the peace and tranquility that can arise when one learns to accept totally what life offers at any given moment with grace and ease When asked how long it takes to grasp this understanding Ramesh answered Three Days Three Days So here is a taste of a modern sage s daily talks over three days with visitors at his residence in Mumbai **Praying Life** Deborah Smith Douglas, 2003-07 Essays on tending the flame of the spiritual life Stephanie Dowrick, 2011-06-09 For readers of Thomas Moore James Hillman and Pema Chodron a timely handbook for these troubled times that shows how to bring depth and meaning to our lives through cultivating our connection with something greater than ourselves Can changing our view of ourselves and others affect the world Bestselling author Stephanie Dowrick s major new book is a compelling look at how we can transform the world by seeing the extraordinary everywhere we look both without and within Through her intimate beautiful and encouraging writing Dowrick shows that it is only in altering our perception seeing all of life as sacred that we will challenge the usual stories about who we are and what we are capable of being At a time when religion is increasing seen as a cause of prejudice and division or as irrelevant to our most pressing concerns the eternal truths of a genuinely inclusive spiritual wisdom have never been more urgently needed or sought In Seeking the Sacred Stephanie Dowrick invites us to go beyond cultural divisions and religious dogma and to discover what makes our lives sacred satisfying and meaningful Weaving personal stories including her own with an inspired vision of life s most healing possibilities she reveals how the sacred can transform the way we understand and value life changing forever how we interact with others and care for ourselves Seeking the Sacred is a provocative and accessible read for those contemplating God faith spirituality and the nature of belief in twenty first century life This is a book for the spiritually curios as well as those already engaged in the deeper questions Richly hopeful and uplifting Seeking the Sacred unravels some of our most complex contemporary dilemmas and speaks to the heart of our deepest yearnings "An Esoteric and Spiritual Approach to the Mystery of St. John's Gospel" Ravi Godrick Vincent, Vincent, 2023-09-14 Synopsis The Hidden Mysteries
