Seize The Fire:

Seize the Fire Laura Kinsale, 2014-04-01 A scoundrel is transformed by the love of an innocent princess in this historical romance by the New York Times bestselling author of *Flowers from the Storm* Summoned to rule the tiny nation of Oriens Princess Olympia St Leger appoints the most celebrated man in England to escort her recently retired war hero Capt Sheridan Drake Easily frightened she is vastly relieved to have Captain Drake's help until she discovers he's a scoundrel without a drop of honor in his body In fact nothing would make her happier than to forget him Except she cannot seem to get his deep stirring gaze out of her head Sheridan has no patience for hero worshipers war is a game of survival not gallant deeds But Olympia who comes to him with plump cheeks and eyes full of expectation has money something of which he is in great need And though Olympia is impossibly naive for reasons he can't fathom she touches him in some obscure half forgotten place until the thought of losing her becomes even more impossible Set in Georgian England *Seize the Fire* is another exciting tale from the author of *For My Lady's Heart* whose work has been praised by Julia Quinn as unfailingly brilliant and beautiful *Seize the Fire* Patricia Potter, 1989 *Seize the Fire*, 1990 **Seize the Fire** Elda

Minger, 1986-01-01 **Team of Teams** General Stanley McChrystal, Tatum Collins, David Silverman, Chris Fussell, 2015-05-12 From the New York Times bestselling author of *My Share of the Task* and *Leaders* comes a manual for leaders looking to make their teams more adaptable agile and unified in the midst of change When General Stanley McChrystal took command of the Joint Special Operations Task Force in 2004 he quickly realized that conventional military tactics were failing Al Qaeda in Iraq was a decentralized network that could move quickly strike ruthlessly then seemingly vanish into the local population The allied forces had a huge advantage in numbers equipment and training but none of that seemed to matter To defeat Al Qaeda they would have to combine the power of the world's mightiest military with the agility of the world's most fearsome terrorist network They would have to become a team of teams faster flatter and more flexible than ever In *Team of Teams* McChrystal and his colleagues show how the challenges they faced in Iraq can be relevant to countless businesses nonprofits and organizations today In periods of unprecedented crisis leaders need practical management practices that can scale to thousands of people and fast By giving small groups the freedom to experiment and share what they learn across the entire organization teams can respond more quickly communicate more freely and make better and faster decisions Drawing on compelling examples from NASA to hospital emergency rooms *Team of Teams* makes the case for merging the power of a large corporation with the agility of a small team to transform any organization
