Seldomtold Bible Tales:

Stories Seldom Told Lois Wilson,1997 Are you bothered by the roles accorded to girls and women in Bible stories If so Lois Miriam Wilson s *Stories Seldom Told* is for you Her collection features more than 40 stories of women in the Bible Though the stories are sometimes difficult to hear Wilson tells them in new ways affirming the struggles and perspectives of contemporary women *Seldom-Told Bible Tales* James E. McKarns,2008-10 The Bible has its share of sensational literature and this book s modern retelling of fifteen earthy narratives from scripture is definitely not for the squeamish But adventuresome readers will find that these curious tales will stir the blood while evoking laughter and tears With themes such as grace forgiveness and redemption set against the background of rebellion drunkenness sexual infidelity and even bloody revenge these two fisted no holds barred Bible stories sometimes with amusing punch lines are a great tool for teaching deep truths about humanity the world and God This book is suitable for personal reflection or small group study though not for the faint of heart ***Seldom-told Bible Tales* James KcKarns,1985** ***Seldom-Told Bible Tales* James McKarns,1985-01-01** ***Bible Stories You Never Heard Before - or Not Like This!* William R. Phillippe,2020-03-31** This book is a series of stories from the Old Testament as they may have been told around the campfires by our mothers and fathers of our faith The author admits that the way he tells them may not have been the way they were told in those ancient years But he preserves the basic stories and tells them with what he feels was the humor and instruction told around the campfires While he also admits that his conclusions may not have been theirs he feels that the basic education and joy in them leads still to sound enlightenment today *Bible Stories You Never Heard Before* William R. Phillippe,1988 ***Bible Stories Simply Told. The Old Testament* Mary E. Clements,1885** *The Voices From The Margins: Authentic Recorded Life Stories by Former Slaves* Work Projects Administration,2023-12-23 In *The Voices From The Margins Authentic Recorded Life Stories by Former Slaves* the Work Projects Administration presents an invaluable oral history that captures the raw and poignant narratives of formerly enslaved individuals in the United States This collection embodies a unique literary style marked by an authentic and unfiltered voice inviting readers into the lived experiences of those who navigated the deep traumas of slavery and the complexities of freedom Contextually situated within the New Deal era this work serves as a vital historical document reflecting both the social and political climate of the time while also spotlighting the resilience of human spirit through personal testimonies The Work Projects Administration established to provide jobs during the Great Depression commissioned this profound project to document American life particularly the experiences of marginalized communities This undertaking was motivated by a desire to preserve the voices of individuals who had been systematically silenced and forgotten within historical narratives The meticulous effort to record their stories generated a wealth of material that highlights not just the horrors of their past but their hopes and aspirations in the face of adversity *Voices From The Margins* is highly recommended for readers interested in history sociology and African American literature Engaging

with this book means immersing oneself in the once silenced voices that illuminate the dark corners of America's past while enriching our understanding of resilience and identity This collection not only contributes to historical discourse but also invites reflection on broader themes of liberation and humanity **The Greatest Story Never Told** G. A. Hood,2013-10-29
