## Select Writings:

**Selected Writings** William Sharp, 1912      **Selected Writings** José Martí, 2002-04-30 José Martí 1853-1895 is the most renowned political and literary figure in the history of Cuba. A poet, essayist, orator, statesman, abolitionist, and the martyred revolutionary leader of Cuba's fight for independence from Spain, Martí lived in exile in New York for most of his adult life, earning his living as a foreign correspondent. Throughout the 1880s and early 1890s, Martí's were the eyes through which much of Latin America saw the United States. His impassioned kaleidoscopic evocations of that period in U.S. history—the assassination of James Garfield, the opening of the Brooklyn Bridge, the execution of the Chicago anarchists, the lynching of the Italians in New Orleans, and much more—bring it rushing back to life. Organized chronologically, this collection begins with his early writings, including a thundering account of his political imprisonment in Cuba at age sixteen. The middle section focuses on his journalism, which offers an image of the United States in the nineteenth century: its way of life and system of government that rivals anything written by de Tocqueville, Dickens, Trollope, or any other European commentator. Including generous selections of his poetry and private notebooks, the book concludes with his astonishing hallucinatory final masterpiece, *War Diaries*, never before translated into English. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**Selected Writings** Karl Marx, Lawrence H. Simon, 1994-01-01 Featuring the works from Marx's enormous corpus, this title covers Marx's development from the Hegelian idealism of his youth to the mature socialism of his later works. It includes writings from Marx's early philosophical works and the central writings on historical materialism.

**Selected Writings** Dylan Thomas, 1963      **Selected Writings from the Journal of the Saskatchewan Mathematics Teachers' Society** Egan J. Chernoff, Bharath Sriraman, Gale L. Russell, 2019-07-01 The teaching and learning of mathematics in Saskatchewan, one of three Canadian provinces sharing a border with Montana, has a long and storied history. An integral part of the past 50 years (1961-2011) of history has been *vinculum*, Journal of the Saskatchewan Mathematics Teachers' Society, in its many different renditions. This monograph, which presents ten memorable articles from each of the past five decades (i.e., 50 articles from the past 50 years of the journal), provides an opportunity to share this rich history with a wide range of individuals interested in the teaching and learning of mathematics and mathematics education. Each decade begins with an introduction providing a historical context and concludes with a decade-specific commentary by a prominent member of the Saskatchewan mathematics education community. As a result, this monograph provides a historical account as well as a contemporary view of many of the trends and issues, e.g., curriculum, technology, in the teaching and learning of mathematics. This book is meant to serve as a resource for a variety of individuals.

**New and Selected Poems of Anna Wickham** Anna Wickham, 2017 Anna Wickham 1883-1947 was one of the most important female poets writing in English during the first half of the twentieth century A pioneer of Modernist poetry she was also a fierce feminist social activist and friend of many significant writers including D H Lawrence George Bernard Shaw Dylan Thomas Katherine Mansfield Natalie Clifford Barney Kate O'Brien and Lawrence Durrell She produced a daring and influential body of work while living an often tragic life which ended with her suicide Wickham's unconventional life provided her with a unique worldview she drew heavily on her own experiences in her poetry while interrogating conceptions of

gender roles marriage motherhood sexuality and class While Wickham s poetry earned her a major reputation during her lifetime and her most famous poems continue to be anthologized most of her published work is out of print and the majority of her poems have never been published New and Selected Poems of Anna Wickham is the first collection of Wickham s poetry to be published in over three decades This collection republishes one hundred of Wickham s poems selected from the collections published during her lifetime as well as poems from Selected Poems 1971 and The Writings of Anna Wickham 1984 In addition to bringing many of Wickham s greatest poems back into print this collection publishes one hundred and fifty of her remarkable poems for the first time significantly expanding her body of published work and demonstrating her significant poetic achievement The publication of Anna Wickham s New and Selected Poems is a landmark event for poets and readers and will allow us to properly celebrate this vocational passionate and important voice for the first time Carol Ann Duffy Series UWAP Poetry Subject Poetry      Essays Philosophical, Sentimental, and Historical Sketches Robert Chambers, 1847      Rebuilding the Temple Robert P.
