

WOMEN AND THE LAW

The Unfinished Revolution

by Leo Kanowitz

"A unique and definitive volume, done with flawless scholarship, extraordinary balance, yet with a vision of the total equality which has not yet been attained by women in America."—Congressman Robert F. Drinan, S.J., former Dean of the Boston College School of Law.

"A remarkable book which can and should be read by people both in and out of the legal profession."—Laura Nader, Professor of Anthropology, University of California, Berkeley.

"An extremely valuable analysis of a problem—or group of problems—too little explored in the past. Spotlights inequities and considers how best to end them without simply creating fresh problems."—Walter Gellhorn, Betts Professor of Law, Columbia University.

RACE, MARRIAGE, AND THE LAW

by Robert J. Sickels

A history of the legal status of interracial marriage in America, this book reveals the shocking degree of racism that has been written into many state laws for the last two hundred years.

Only in the 1967 case of *Loving v. Virginia* did the Supreme Court rule that laws against interracial marriage violate the Fourteenth Amendment to the Constitution. The author analyzes this case as well as a wide range of other decisions and statutes, and considers their implications for our future and our history. He also examines public opinion and the rhetoric and psychology of racism.
