Lord Sin:

The Lord's Supper Jonathan Black,2023-07-11 Do this in remembrance of Me From the very beginning the Lord s Supper has stood at the heart of Christian worship But over the years we ve trivialized it squeezing it in between real worship If Jesus lives in us and the Holy Spirit is poured out on us why do we need to eat bread and drink grape juice or wine Does it really matter It does matter and it s life changing says leading Pentecostal theologian Jonathan Black With warmth and depth he explores not only how the table is still a powerful place of transformation and encounter with Jesus but also how we can experience Christ s promise of presence glory healing forgiveness victory and intimacy when we answer His call to come to the table Whether you re feeling the lack of His presence are ashamed of sin in your life or have never felt anything during Communion Christ s invitation to partake in His feast is your invitation to taste and see that the Lord is good **Praying**

The Women's Study Bible Mary J. Evans, 2009. Everyone knows about Noah, Moses, and Paul. But what about Hagar, Michal, and Priscilla, all women who had a direct influence in the story of God's people? The Bible is full of fascinating, powerful, and faithful women, as well as lessons that have unique meaning for women today. In *The Women's Study Bible*, respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today. Separate sidebars cover topics such as midwifery, women disciples, and female images of God. The *Women's Study Bible* doesn't shy away from the difficult issues but helps readers to understand them better in both their original context and the modern world. The New Living Translation of the Bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included.

Book Jacket: 'The Real Scriptures' of God James Platter, 2012-08. Inside the covers of this book, you will find the Real Scriptures of the Christian churches. Many church leaders know that other Christian churches hold to these books, but they are only willing to state what they have been brainwashed to believe: that is, about the other inferior books. It isn't in the canon of scripture, formed of course by the early Catholic Church at various stages and Councils from the fourth century A.D. therefore, no one has the right to change what is in the canon of scripture, and the Catholic Church changed it in their councils, not in agreement of other Christians, but to hide their offence at the words of God. They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests, but other priests must be considered demented or apostate, but they are not affected by the changes they made to the canon of Scripture over many centuries. They will not consider the canons of Orthodox Churches or others, because they vary in different regions of the world. So is European Christianity, based in the Vatican City, right about all its holy scriptures, while everyone else's church scriptures are false scriptures? Ethiopia, it seems, got most books of scripture right, even with their translation into an ancient language.
