among his Officers or men and emphatic private judgments on a great variety of subjects Altogether it is a unique document and amid the crowding details there emerges Amherst himself perhaps over cautious and deliberate certainly nothing of the dashing commander but at any rate a competent general who knew what he was about and how to go about it who was everywhere and always himself certain Of his plans and confident in his Opinions About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.comThis book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Surface Water Supply of Hawaii* Glenn Lane Parker,1945 **The Journal of Jeffery Amherst, Recording the Military Career of General Amherst in America from 1758 to 1763; - Scholar's Choice Edition** Jeffery Amherst Amherst,John Clarence Webster,2015-02-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Journal of Jeffery Amherst, Recording the Military Career of General Amherst in America from 1758 to 1763** Jeffery Amherst Amherst,John Clarence Webster,2015-08-08 *JEFFERY, LORD AMHERST, BRITISH COMMANDER-IN-CHIEF, 1778 TO 1782* Henry Peter Ippel,1957 *Commissary Wilson's Orderly Book* Jeffery Amherst Baron Amherst,1857
