Lord, Make My Life Count Raymond C. Ortlund, Ortlund, 1975 *Lord, Make My Life Count* LaVonne Wood, 2021-03-19

Have you ever wondered if you have made a difference in this life Well you have With every smile you put on someone s face every tear you ve cried with or for someone every word of advice every word of encouragement you ve given you have made a difference in someone s life These fifty one stories poems and articles are my way of making you laugh encouraging you and giving you hope Every personal story made a difference in my life helping me love my Lord my husband and people more Take your time to read each story and ponder how the Lord is speaking to you How can you receive the love of the Savior more deeply How can you forgive those who have hurt you How can you reach out to others My prayer is that you will first and foremost come to know the Savior s love for you **Make My Life Count** Lois Smith, 2017-06-27 This is my story of the

times when the Lord had caused me to perceive his amazing presence and to know by experience his preservation of my life It is my desire to share how God is continually at work even today in our lives in this generation just as he had in previous generations I want to share the many wonderful times that he has chosen to reveal his hand to me as he has been involved in the day by day circumstances of my own life I will also write about the times when I saw him work through me and the ways that he would reveal himself to others It was in those times when he would help them and things would happen in such a way that they were aware that it wasnt me His desire is to turn people to look to him because his hand is open to meet their need in a way that only he can **The Ministry of the Word, Vol. 03, No. 02** Various Authors, 2023-03-03 In this issue of The

Ministry we continue the speaking by Brother Lee concerning the God ordained way as the present practice in God s economy In this message we see some practical steps to carry out the home meetings so that the church life becomes a part of the saints daily life The churches should make a census of all the dormant members and be burdened to recover them house by house until they are firmly established and rooted in the church This requires our diligent thorough and practical labor together with God In addition Brother Lee speaks a word on how the churches should care for the full time serving ones among us The next three messages are a continuation of messages given in the full time training in Anaheim in the fall of 1997 concerning the grafted life These messages begin to unveil the relationship between the grafted life and God s organic salvation Message Seven unfolds the matters of regeneration and sanctification Regeneration is to bring God into man to have God as life in addition to our original human life Sanctification is to be saturated with God organically sanctification is for God s sonizing that is sanctification is for sonship Message Eight presents the matters of renewing and transformation As believers we must be thoroughly and absolutely renewed so that we may be the new creation of God and for God To be renewed is to have God s element added into our being to replace and discharge our old element Transformation as the issue of renewing is not an outward change or correction but it is a spiritual metabolism it is the metabolic function of the life of God in the believers Message Nine shows us that conformation denotes the shaping of life as

the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God Glorification however is the step in God s complete salvation in which God will completely saturate our body with the glory of His life and nature Lastly we include letters concerning the Lord s move in the Pacific Islands and Romania

I went into the ministry I was shocked and deeply disturbed by how people talked about sickness and disease and death The longer I was in the ministry the more I became aware of the great gulf there was between Gods people and God in this whole area I began to see clearly from the Bible what Gods Will was for his people I began to preach and teach about healing and life I began to minister healing to my people I would lay hands on the sick and anoint with oil I began to ask God to heal people It was in the Bible and Jesus did it and He told us to do it so I did it Several people were healed and converted and delivered from Satan Lives were changed by God and I got more and more excited But not everyone got excited In fact I ran into much resistance I found that most Christians just did not believe in the Bible They didnt believe God would heal them and they certainly didnt believe in long life Everyone believed that God took them or He taught people a lesson through sickness or accidents or death So I found that I had to resign from the denomination in which I was a pastor So I started a church in Fort Lauderdale and I have continued to be strong in my faith concerning healing and long life So over the years with all the experiences Ive had and with the negative resistance that I have run up against I have gathered much information and decided to write a book I emphasize how negative and unbelieving we are and how we have developed such deep ruts in our thinking How we blame God How we base everything on the wrong standard How our everyday language is a language of death How we have so much doubt in God It has made me so concerned Only by the love of God flowing through me have I been able to keep my faith and continue to practice what I preach I know it is Gods Will that I help others to see the truth The truth is Jesus The truth is Gods Word We know Jesus was the revelation of God what God was like He was a healer the greatest healer of all time The Bible is Gods Word and it tells us that God wants us well It also tells us who the enemy is Satan is the taker and God is the giver Live 120 Years in Good Health is full of Bible quotes revealing these truths and tells us how to overcome our doubts and weaknesses Watch what we say Possess your vessel Establish your priority The choice is yours The importance of love Standing firm etc This book has many Bible quotations Thats because the Bible is Gods Word containing His promises His instructions His will His direction etc From the Bible we learn Gods way But we must DO it We must be doers of the Word not just hearers or readers James 1 2225 The way to healing health and long life is Gods way He is the giver of life His life My vision is that God will use this book to inform and inspire people to seek His Kingdom first and to discover the truth of not just healing but long life 120 years in good health There is so much sickness and death and sorrow and tragedy We need a change of direction We need Gods Way We need Jesus the healer We need help As you read this book I pray that you see the truth and find the way Jesus is the Way the Truth and the Life I pray you find Jesus and live a healthy happy holy life with Him One last thing Jesus is coming soon According to 2 Peter 3 12 we can hasten the day of the coming of the Lord I believe we will hasten that day by being healthy and living long lives as a witness to the love and power of God Jesus is coming for a glorious church Ephesians 5 27 I invite you to accept this challenge and LIVE FOR 120 YEARS IN GOOD HEALTH to the glory of God The Vision of the Author Web site **Heaven's Heroes** David
