death of a parent marks an emotional and psychological watershed in a person's life. For children and teenagers the loss of a parent if not handled sensitively can be a lasting trauma and for adults too a parent's death can be a tremendous blow. When *Parents Die* speaks to bereaved children of all ages, Rebecca Abrams draws on her personal and professional understandings of parental loss as well as the experiences of many other adults, teenagers and children to provide the reader with an honest, compassionate and insightful exploration of the experience of losing a parent. The book covers the entire course of grieving from the immediate aftermath of a parent's death through to the point of recovery, paying particular attention to the many circumstances that can prolong and complicate mourning, including sudden death. An indispensable aid to the bereaved and the many professionals who work with them, this book is written in a clear and sympathetic style. It has been fully revised for this third edition to take recent research into account.

Losing A Parent Amie Nicklow, 2021-06-15
It can be very painful when your parent dies after a long and happy life. If they died unexpectedly or while younger, this can be very difficult to cope with. For many of us, the death of a parent is a significant loss. It changes many aspects of our lives and will have an impact on the whole family. Feelings may be complicated. There is no right way to grieve and everyone experiences bereavement differently. However, there are some common feelings that many people share and these can be painful, surprising or even frightening. This book is a collection of stories written after the death of a parent. The focus is not the grief, the sense of loss, the terrible sadness, but rather the simpler things. This is about the intricate and universal workings of family, regrets, learning, problem solving, daily life and most definitely love.
