Lost Buried Treasure Of The Mibibippi River:

World's Best Lost Treasure Stories Carroll B. Colby,1991 Thirty six brief accounts of lost treasures and the circumstances of their disappearance **Lost Mines and Hidden Treasure** Leland Lovelace,1956 Stories of the historic lost mines and hidden treasures of the Southwest with clues for finding them once again Lost Treasure Robert G. Ferguson,1957 **Lost Treasures of America** Arnold Madison,1977 Describes the searches for lost treasures such as the White Sands Missile Base treasure whose existence is based on historical evidence Lost Treasure ,1991 Treasure gold and ancient wisdom of long ago Lost Treasures of American History W. C. Jameson,2006 In Lost Treasures of American History professional treasure hunter W C Jameson has collected the most compelling tales and legends of lost mines and buried treasure to be found across the United States Recorded history is rich with clues to hundreds of lost fortunes and Jameson not only details how why and where each treasure was lost he also immerses the reader in the adventurous lives of this country s early explorers traders settlers and soldiers Jacket flap *Buried Treasure* Charles River Editors,2019-11-08 Includes pictures Includes a bibliography for further reading When Robert Louis Stevenson published *Treasure Island* in the late 19th century it all but created every stereotype now associated with pirates The book is a coming of age adventure that mixes character studies action a vivid setting and commentary on the ambiguity of morality as embodied by the memorable Long John Silver Its influence on the popularity of historical pirates is unmistakable with its inclusion of treasure maps where X marks the spot schooners tropical islands and one legged pirates with parrots on their shoulders Of course Stevenson s work and the public s fascination with pirates were hardly new phenomena After all people had heard tales of hidden booty and gold for centuries from rumors about Blackbeard and Captain William Kidd to stories about outlaws and criminals burying their booty to come back for it at a later date It was only fitting that Stevenson s work came in the same era that people across the world were panning the earth for mineral resources most notably the California Gold Rush in the late 1840s As this all suggests there s something about buried treasure that catches someone s attention like few other things As soon as there s the potential for uncovering hidden wealth otherwise sane and reliable people will abandon their homes and regular lives and become obsessed with tracking down the treasure In the 1969 Western *Mackenna s Gold* word gets out that the Apaches have an entire canyon filled with gold deep in their territory A gang of outlaws go after it with the sheriff hot on their tails but the sheriff s task gets immeasurably harder when the nearby locals rush out looking for the gold too Soon the local cavalry captain gets corrupted by gold fever as well and everyone is fighting everybody with the Apaches picking off the survivors Luckily most treasure hunts aren t that bloody but they can be dangerous and disappointing Indeed those who typically traveled to boomtowns to make their fortunes struck out Nonetheless the rare cases of success have always sparked imaginations and they offer reminders that the latest treasure to be found is not the last one They may be nearly impossible to find but there are no doubt more caches of gold silver and jewels hidden in a shipwreck somewhere or buried at a secret

location Buried Treasure A Collection of Strange Mysteries Golden Legends and Lucky Finds in the Search for Hidden Wealth chronicles some of the most interesting stories associated with hidden treasures and the people who went looking for them Along with pictures of important people places and events you will learn about buried treasures like never before **The Book of Buried Treasure** Ralph Delahaye Paine,2019-11-27 The language has no more boldly romantic words than pirate and galleon and the dullest imagination is apt to be kindled by any plausible dream of finding their lost treasures hidden on lonely beach or tropic key or sunk fathoms deep in salt water In the preface of that rare and exceedingly diverting volume The Pirates Own Book the unnamed author sums up the matter with so much gusto and with so gorgeously appetizing a flavor that he is worth quoting to this extent With the name of pirate is also associated ideas of rich plunder caskets of buried jewels chests of gold ingots bags of outlandish coins secreted in lonely out of the way places or buried about the wild shores of rivers and unexplored sea coasts near rocks and trees bearing mysterious marks indicating where the treasure was hid And as it is his invariable practice to secrete and bury his booty and from the perilous life he leads being often killed or captured he can never revisit the spot again therefore immense sums remain buried in those places and are irrevocably lost Search is often made by persons who labor in anticipation of throwing up with their spade and pickaxe gold bars diamond crosses sparkling amongst the dirt bags of golden doubloons and chests wedged close with moldy ducats and pearls but although great treasures lie hid in this way it seldom happens that any is recovered **1001 Lost, Buried Or Sunken Treasures** Ferris La Verne Coffman,1957 Lost Mines and Buried Treasure Linda Morehead,Colorado Historical Institute for Children,1982 *10 Treasure Legends! Montana* Jovan Hutton Pulitzer,National Treasure Society,Cacheology Society of America,2014-02-05 Is Treasure really out there A resounding YES Over 14 trillion dollars of it Then why is Treasure Hunting considered to be a dirty word and said in hushed tones Why does so much of society not want people hunting for Lost Treasures and Treasure Legends The reasoning is simple Many people DO NOT want to see other people successful and rich beyond their wildest dreams But now more than ever Treasure after Lost Treasure is being recovered Thanks to better technology better research tools and that good ol American Spirit and Determination 10 Treasure Legends is a simple book series One book for each State in the United States The 10 Treasure Legends inside this work are legends of buried or lost treasure and fortunes If you are willing to separate fact from fiction who knows You might be the one to find them and make history These Treasure Legends have been around a long time and time after time people have wanted to or claimed to go after them but the truth is they are still lost and out there for someone like you to find Not a lot of technical how to or educational mumbo jumbo in this series only the legends as best as the legends can be retold But there are some tools included should you get excited and decide to research investigate and either prove or disprove these Treasure Legends for yourself Go Treasure and Lost History Hunting with COMMANDER Hutton Pulitzer of ExpeditionHistory.org and TreasureForce The World's Foremost History Expedition and Terrestrial Treasure Recovery Team and COMMANDER plans
