Lost In The Horse Latitudes:

Lost in the Horse Latitudes H Allen Smith,2015-07-24 The horse latitudes are certain zones in the ocean which used to be the despair of sailing vessels They are characterized by dead calms light baffling winds and hot dry weather If a ship came along and got stuck in one of those dead calms drinking water might soon run out and then everyone would go berserk including the horses if they were onboard In fact as passengers and crew clambered around in their berserkness the horses might get thrown overboard At least that s H Allen Smith s story and he s sticking to it Always quick to see the zany side of even the most serious of situations and known as a prankster Smith descended on the Paramount lot like a plague of locusts and then proceeded to offer such vital contributions as mowing the lawn and asking for the men s room He rubbed elbows daily with such great names as Charlie McCarthy and Edgar Bergen W C Fields and James Cagney as well as leading agents directors and producers Lost in the Horse Latitudes Harry Allen Smith,1949 **Lost in the Horse Latitudes ...
