The Handbook of Microfinance Beatriz Armendariz,Marc Labie,2011 Handbook of Microfinance addresses the gap between clients who are benefiting from access to financial services via MFIs and the potential market which remains underserved or untapped This gap can be attributed to a mismatch between what consumers or potential clients demand and what MFIs offer in terms of financial products The scope of the book is wide It includes successes and failures main challenges and debates methodologies for impact evaluation via random trials leading trends in Asia versus Latin America main efforts in Africa the importance of value chains in Central America ethical and gender issues savings microinsurance governance commercialization trends and the potential advantages and disadvantages of it Lastly it features main lessons from informal finance and 19th century credit cooperatives addressing the above mentioned mismatch *Prayer in the Talmud* Joseph Heinemann,2012-10-25 After World War II Ernst Ludwig Ehrlich 1921 2007 published works in English and German by eminent Israeli scholars in this way introducing them to a wider audience in Europe and North America The series he founded for that purpose Studia Judaica continues to offer a platform for scholarly studies and editions that cover all eras in the history of the Jewish religion *Forging Communities* Montserrat Piera,2018-09-15 Forging Communities explores the importance of the cultivation provision trade and exchange of foods and beverages to mankind s technological advancement violent conquest and maritime exploration The thirteen essays here show how the sharing of food and drink forged social religious and community bonds and how ceremonial feasts as well as domestic daily meals strengthened ties and solidified ethnoreligious identity through the sharing of food customs The very act of eating and the pleasure derived from it are metaphorically linked to two other sublime activities of the human experience sexuality and the search for the divine This interdisciplinary study of food in medieval and early modern communities connects threads of history conventionally examined separately or in isolation The intersection of foodstuffs with politics religion economics and culture enhances our understanding of historical developments and cultural continuities through the centuries giving insight that today as much as in the past we are what we eat and what we eat is never devoid of meaning **Unbalanced Behavior** Martin Pelloquin,2023-07-18 The book is based on a true story about the I 10 bandit who committed 26 armed bank robberies before getting caught then sentenced to 34 and one half years where he spent the next 29 years in some of the worst federal penitentiary s across the United States As he describes his emotions before during and after he walks you through the line he

crossed that most of us would never consider crossing The violence he experienced in all faze s of the federal prison system trapped in a love affair he managed to allude the FBI tossing aside a professional career all for the sole purpose to spend more time with his children after a heartbreaking divorce His experience will shock you as he describes his feelings while committing these Robbies as well as trying to survive such a long sentence to make it home alive to his family once again

Escalation Management in International Crises Jonathan Wilkenfeld,Egle E. Murauskaite,2023-02-14 Based on cutting edge research by an interdisciplinary team of academics and policy analysts this insightful and timely book considers the role of great power competition in what has come to be known as gray zone conflict Taking the 2022 Russian invasion of Ukraine as a backdrop for some of its critical evaluation it also examines US and NATO approaches to the management of escalation in asymmetric conflicts and proposes innovative tools for managing crises in the future

Development on Loan Nicholas Loubere,2025-10-01 Key to China s plans to promote rural development is the de marginalisation of the countryside through the incorporation of rural areas into the urban based market oriented financial system For this reason Chinese development planners have turned to microcredit i e the provision of small scale loans to financially excluded rural households as a means of increasing financial consciousness and facilitating rural de marginalisation Drawing on in depth fieldwork in rural China this book examines the formulation implementation and outcomes of government run microcredit programmes in China illuminating the diverse roles that microcredit plays in local processes of socioeconomic development and the livelihoods of local actors It details how microcredit facilitates de marginalisation for some while simultaneously exacerbating the marginalisation of others and exposes the ways in which microcredit and other top down development strategies reflect and reinforce the contradictions and paradoxes implicit in rural China s contemporary development landscape

Handbook of Microfinance, Financial Inclusion and Development Valentina Hartarska,Robert J. Cull,2023-02-14 This timely Handbook collates a range of evidence from top scholars in the field to help readers understand who microfinance reaches how it helps and why clients come back It offers updated views on important concepts that enable a broader framework for understanding poverty and the corresponding financial needs of poor households

The Crises of Microcredit Isabelle Guérin,Marc Labie,Jean-Michel Servet,2015-10-15 Microcredit programmes long considered efficient development tools now face unprecedented crises in a number of countries Is this the end of microcredit or rather an essential step in its expansion Should we stop microcredit altogether or rethink the way it is implemented Drawing on extensive empirical research conducted in various parts of the world from Morocco to Senegal to India this important volume examines the whole chain of microcredit to provide the answers to these questions In doing so the authors highlight the diversity of crises both in intensity and in nature while also shedding light on a diversity of causes be it microcredit organizations unprepared for massive growth saturated local economies or greedy investors and shareholders attracted by profits Crucially the authors demonstrate that microcredit is not a monolithic project and the crises should also be analysed
