**New Sacred Writing and Charisma** Claudia Jetter,2025-03-10 Mid nineteenth century America was a vibrant period marked by charismatic leaders who produced new sacred writing This book explores the lives and works of Mormon founder Joseph Smith Jr Methodist revivalist Phoebe Palmer and Transcendentalist Ralph Waldo Emerson focusing on how their textual productions contributed to a diverse discourse community grappling with a perceived loss of religious authority It identifies shared motifs and practices these modern prophets employed to establish new carriers of religious authority Claudia Jetter examines the concept of religious authority highlighting the

dynamic ascription processes between charismatic leaders and interactive social communities within the historical context of nineteenth century America      **Creation, God, and Humanity** Catherine Wright, 2017 Examines the history and development of ecological theological anthropology and how it engages human suffering so that people of faith can better understand the suffering inherent to earth's creative processes and that inflicted by human sin      *Mental Health, Gender, and the Rise of Sport* Gerald R. Gems, 2024-07-17 Mental Health Gender and the Rise of Sport explores the historical role of sport in the prescription for mental and physical health through the epidemic of neurasthenia a debilitating neurological disorder that afflicted American society throughout the latter nineteenth century Gerald R Gems argues that the practice of sport and sport spectatorship which grew concomitantly with the onset and spread of neurasthenia provided both a physical preventative and a psychological escape to redress the perceived causes of the epidemic Sports such as baseball boxing cycling and football offered psychological relief from the stresses of a rapidly changing economic and social order Cycling in particular provided women with the means to challenge the prescribed gender order of female domesticity male hegemony and the dictates of physically restrictive fashion In the process sport became a key component in the rise of feminism and a prescription for the epidemics that followed over the course of the twentieth and twenty first centuries      Shades of Difference Richard Rees, 2007-02-23 From its prehistory in the biological theories of racial difference formulated in the 1800s to its current position in academic debate Richard Rees investigates the diverse fields of scholarship from which the multifaceted understanding of the term ethnicity is derived At the same time Rees traces the broader historical forces that shaped the needs to which the concept of ethnicity responded and the social purposes to which it was applied Centrally he focuses upon the emergence of ethnicity in the early 1940s as a means of resolving contradictions and ambiguities in the racial status of European immigrants and its subsequent legacy and implications on race and caste Shades of Difference introduces new perspectives on the definition of whiteness in America and makes an original contribution to the larger discussion of race through a detailed account of ethnicity's original meaning and its revaluation when later appropriated by the discourse of Black Nationalism in the 1960s and 70s Rees has produced a powerful new analysis of the cultural and political history of ethnicity in America      *The Routledge History of Italian Americans* William Connell, Stanislaw Pugliese, 2017-09-27 The Routledge History of Italian Americans weaves a narrative of the trials and triumphs of one of the nation's largest ethnic groups This history comprising original essays by leading scholars and critics addresses themes that include the Columbian legacy immigration the labor movement discrimination anarchism Fascism World War II patriotism assimilation gender identity and popular culture This landmark volume offers a clear and accessible overview of work in the growing academic field of Italian American Studies Rich illustrations bring the story to life drawing out the aspects of Italian American history and culture that make this ethnic group essential to the American experience      U.S. Immigration Policy, Ethnicity, and Religion in American History Michael C. LeMay, 2018-05-25 This invaluable resource investigates U S

immigration policy making connections between the ethnic and religious affiliations of immigrants and trends in immigration both legal and unauthorized U S Immigration Policy Ethnicity and Religion in American History is rich with data and document excerpts that illuminate the complex relationships among ethnicity religion and immigration to the United States over a 200 year period The book uniquely organizes the flow of immigration to the United States into seven chapters covering U S immigration policymaking the Open Door Era 1820 1880 the Door Ajar Era 1880 1920 the Pet Door Era 1920 1950 the Dutch Door Era 1950 1985 the Revolving Door Era 1985 2001 the Storm Door Era 2001 2018 Each chapter analyzes trends in ethnicity or national origin and the religious affiliations of immigrant groups in relation to immigration policy during the time period covered
