Sabbath School Board,1919 **Subject Guide to Books in Print** ,1983 *The Future of Christology* Dong-Kun Kim,2019-06-28 The Future of Christology addresses the questions that Christology currently faces and or will face in the future in 12 topics The book consists of two parts In the first part Kim deals with five topics related to traditional Christology while in the second part he wrestles with seven topics related to issues of Christology The twenty first century is a challenging time for Christianity Many in our age are asking what Jesus Christ means in various dimensions of history culture nature and even beyond the Earth Changes in values worldviews and views of the universe are forming a new zeitgeist Dong Kun Kim argues that ways of understanding Christ should change accordingly for a Christology that fails to communicate meaningfully with the times is void of vitality Postmodernism dehistoricization and life post ideology multiculturalism multiple religions and above all the rapid development of the natural sciences pose a serious challenge to traditional Christology Who is Christ in the age of an infinite cosmos How do daily human life social devotion and praxis relate to salvation How can we discuss salvation history in an era post history Where does Christ stand in the public sphere

Can the Chalcedonian definition of the two natures of Christ true God and true human being encompass nature and the cosmos would a third nature of Christ be necessary Will the cyborg which may appear in the near future be the object of Christ s salvation If scientific determinism becomes popular in the future will the basis of faith in Christ lose ground If intelligent life exists in the universe what does Christ mean to such life This book provides innovative answers to these questions in an academic context **Matthew** Robert Horton Gundry,1994 This commentary demonstrates Gundry s conviction that Matthew relied on the Gospel of Mark and the document Q Furthermore Gundry argues for a combination of historical data and theological embellishments in passages such as those that present the birth of Jesus the Sermon on the Mount and Peter s walking on the water
