Making Christian Decisions in an Age of Deception Loyst Streeter,2012      **Making Christian Decisions in an Age of Deception** Loyst R Streeter,2021-02-06 A Changing World Christians as never before in history are being required to make decisions that previous generations never had to face Choices such as are you for or against stem cell research genetic engineering the right to die cloning security versus freedom environmental legislation global warming etceteras In addition there are the constant pleas for financial support from a hundred or more religious humanitarian and political organizations disaster relief children s hospitals television evangelists animal rights supporters requests that are not limited to local needs but global concerns The list goes on and on Sound decisions require an understanding not merely of the issue but also of the morals ethics mores culture and customs of society Furthermore time itself plays an important part in any decision What was true in a previous generation may no longer apply in todays world Last but by no means least Christians must answer to a higher authority What if anything do the scriptures teach that can help sort through the conflicting claims and rhetoric coming from every quarter In a world rife with mendacity and alternative facts responsible adults need to be constantly vigilant for deception especially when it is deceitfully disguised under the cloaks of religion and patriotism It is the Author s hope that this book will provide to the reader a valuable understanding into the decision making process itself and will help clarify all of the factors involved While this book is written from a Christian perspective anyone who is required to make important decisions will benefit from its insight and increase their ability to discern the true from the false As a result they will develop a much greater confidence in making sound decisions which in turn will lead to a more just and better world for themselves their children and all mankind Loyst R Streeter      **Making Christian Decisions in an Age of Deception** Loyst R. Streeter,2005-05      Constructing Moral Concepts of God in a Global Age Myriam Renaud,2022-07-29 Constructing Moral Concepts of God in a Global Age focuses on what people say and think about God rather than on arguments about God s existence It advances a theological method or step by step approach to explore and reframe personal convictions about God and the worldviews shaped by those convictions Since a moral God is more likely to foster a moral life this method integrates an ethical check to ensure that understandings of God and their associated worldviews are validly moral The proposed method builds on the work of twentieth century theologian Gordon Kaufman during the Kantian phase of his work It anticipates a person like God who hears prayers loves without end and comforts in times of hardship To accommodate today s pluralistic and globalized world the ethical check integrated in the method is a widely collaborative and vetted global ethic the Parliament of the World s Religions Declaration Towards a Global Ethic This volume of constructive philosophical theology is written for seminary students educators clergy study groups and anyone interested in delving more deeply and systematically into understandings of God whether their own or those of others      **Christianity - the Simple Made Impossible** Alan G. Many people are only concerned with what happens today or perhaps a few months down the road At best they may be concerned with what happens after retirement But what about life after death Are you prepared for it Although your physical body will die someday your spirit More will continue to live for eternity Whether your spirit resides in heaven or in hell depends on the choices you have made In this book best selling author Joyce Meyer outlines God s plan for salvation so you can make the right decision *The Path* Rev. Dr. Ebele Okonkwo Onuigbo,2016-06-23 Decision making is a fundamental aspect of our daily lives shaping our paths through the resolutions we reach after careful consideration From the simplest choices to the most complex dilemmas individuals continuously navigate the terrain of decision making throughout their lifetimes These decisions serve as compass points guiding us toward the fulfillment of our goals and aspirations whether they lead to positive outcomes or negative consequences How many individuals truly take the time to thoroughly consider the available facts before diving into the decision making process Engaging in wise deliberation of facts prior to making a decision is crucial for ensuring that the resulting choice will have a meaningful impact whether on the individual themselves or the circumstances at hand So how does one go about making a wise decision It involves carefully weighing the available information considering potential consequences and evaluating the implications for both oneself and others in the surrounding community Ultimately the decisions we make not only shape our own lives but also have far reaching effects on the well being and experiences of those around us In the modern world we observe a striking dichotomy between Jesus purpose driven ethos and the prevalent self centered pursuits that often consume individuals Amidst the clamor for material possessions societal status and personal comfort many seem to lose sight of life s deeper significance While the pursuit of such desires is not inherently erroneous an excessive fixation on them can obscure individuals from fulfilling their higher calling **A Man's Decision to Change** Nathania Sledge,2009-06-11 Mans Decision to Change tells the story of how much a man will change when he is looking for love The story surrounds the life of a man that is hiding from his past When he unexpectedly falls in love with someone that he has only known for a short period of time He falls in love without sharing the secret he has been keeping about his past life and his previous marriage That secret is going to lead to the ride of the heart that no one is ready to take Cynthia is the woman in the middle of it all as two men Isaac and Martin battle for her heart While the battle of love persist between the two men the love triangle gets bigger involving Mr X but he keeps holding onto his secret because he doesn t want to let go of his new lover Annette is co worker and friend of Martin s She discovers who Mr X is but because of a promise she made she is unable to tell anyone In the process she finds out that the man she loves is having an affair and is involved with Mr X While the two men continue to battle for Cynthia s love The divorce proceedings by two women Michelle and Francis becomes the dilemma that brings the walls of Mr X Cynthia and Isaac crashing down And Mr X s confessions will leave the courtroom and everyone in it in a frenzy especially Annette But Martin comes to Mr X s rescue and a murderer is left on the run because Cynthia chose the wrong man to love **Management by Proverbs**

Zigarelli, 2004 Whether you're a first time supervisor a pastor of a small church or the CEO of a multi national corporation The book of Proverbs offers timeless principles for leadership success Management by Proverbs explores 24 of these principles With incisive commentary dozens of contemporary business examples and plenty of practical road tested advice *Baha'i Religious Faith* Charles Mason Remey, 1960 [The Pursuit of Commitment](#) Daniel O. The question typically asked about complementary and alternative medicine CAM is whether it works However an issue of equal or greater significance is why it is supposed to work *The Healing Gods* Complementary and Alternative Medicine in Christian America explains how and why CAM entered the American biomedical mainstream and won cultural acceptance even among evangelical and other theologically conservative Christians despite its ties to non Christian religions and the lack of scientific evidence of its efficacy and safety Before the 1960s most of the practices Candy Gunther Brown considers yoga chiropractic acupuncture Reiki Therapeutic Touch meditation martial arts homeopathy anticancer diets were dismissed as medically and religiously questionable These once suspect health practices gained approval as they were re categorized as non religious though generically spiritual health care fitness or scientific techniques Although CAM claims are similar to religious claims CAM gained cultural legitimacy because people interpret it as science instead of religion Holistic health care raises ethical and legal questions of informed consent consumer protection and religious establishment at the center of biomedical ethics tort law and constitutional law *The Healing Gods* confronts these issues getting to the heart of values such as personal autonomy self determination religious equality and religious voluntarism *What Would Moses Say?* Pamela Susanne Snyder,2023-11-27 *What Would Moses Say* is a carefully researched and crafted book The author began with the premise that Moses s Law in fact much of Old Testament history is nonbinding for today s believer Her journey and findings brought a surprising revelation that all of God s word is useful for our spiritual growth As she explored each of the Ten Commandments the truth became even more clear The moral principles that God had established as a standard for the Israelites still hold true for today In fact as society continues to break down with prevailing lawlessness there has never been a better time than now to address our application of God s commandments Could it be that a careless disregard for the obsolete law is the reason for the lukewarm state of many believers in the twenty first century Decreased church attendance high divorce rates disobedient children loss of young adults to secular pursuits and an absence of God s name in day to day conversation all characterize the problem Could it be that good people who call themselves Christian could benefit from a deeper look at the Ten Commandments According to the findings the answer is yes The evidence points to the need for a new or renewed relationship with God s appointed head of the church Jesus Christ There cannot be any substantial law keeping in the absence of the lawgiver We must first love God the first commandment before we can love others The worldliness of today s church has impacted Christianity as we know it There is no other answer than to be unique and separate This book was written for readers in all stages of their spiritual journey It promises to be interesting challenging enlightening and instructional Use it for personal reading or a group study [An Ethnographic Study of African-American Women with Dysfunctional Histories](#) Greenhow,2010-12 Teria Greenhow is a graduate of Logos Graduate School with a Doctor of Religious Philosophy in Christian Counseling She hopes to draw closer to the Lord Jesus Christ and to encourage others to do

**Morning Serenity , The Vows of Religious Life in a Secular Society** Judith A. Merkle, 2025-08-21 This book investigates religious vows shedding light on the type of faith that can sustain humanity in secular times It examines the personal impact of religious life as well as its potential to foster a sense of completeness within society at large Unbelief in today s society can be partially rooted in the shallowness of the sort of religion that the secular can abandon Such a religion characterized as magical shallow illusory or rooted solely in external rituals lacks the depth required to thrive in a secular society It fails to address the profound aspects of human existence the authentic freedom of the spirit and the enduring obedience of faith This study of religious vows uncovers their deeper meanings in light of these challenges It invites us to consider whether religious life despite contemporary criticisms can be seen as touching wholeness This book does not only delve into the theological foundations of these vows but also key areas which impact their understanding and living in new contexts It surveys sociological landscapes and goes beyond to encompass shifts in science psychology theology Religious life in this sense is part of the renewal of the church as well as an agent in it By focusing briefly on each vow Judith A Merkle illustrates how religious life serves as a bridge connecting the secular and the sacred It is a life focused on love of God and service of others which is a witness to the coming of Kingdom of God and values which truly matter in contemporary society
