Education as Critical Pedagogy Timothy G. Reagan, Terry A. Osborn, 2020-09-02 Accessible and cutting edge this text is a pivotal update to the field and offers a much needed critical perspective on world language education Building off their classic 2002 book The Foreign Language Educator in Society Timothy G Reagan and Terry A Osborn address major issues

facing the world language educator today including language myths advocacy the perceived and real benefits of language learning linguistic human rights constructivism learning theories language standards monolingualism bilingualism and multiculturalism Organized into three parts Knowing Language Learning Language and Teaching Language this book applies a critical take on conventional wisdom on language education evaluates social and political realities assumptions and controversies in the field Each chapter includes questions for reflection and discussion to support students and educators in developing their own perspectives on teaching and learning languages With a critical pedagogy and social justice lens this book is ideal for scholars and students in foreign world language education social justice education and language teaching methodology courses as well as pre and in service teachers The Second Time Around □ Minimalism and L2 Acquisition Julia Herschensohn, 2000-02-15 Linking recent advances in theoretical syntax and empirical research in language development the book claims that second language acquisition is not totally distinct from first language acquisition but rather is a replay a relearning of language It argues that Universal Grammar is a template guiding acquisition of L1 while constraining acquisition of L2 Assuming that a syntactic distinction crucial for language and its acquisition is the division between lexical and functional categories it argues that the key to L2 as well as L1 acquisition of syntax is the mastery of morphological features and their linking to functional categories It thus supports the availability of UG to the second language learner and the minimalist claim that cross linguistic variation is morpholexical Constructionism the hypothesis of L2A proposed in this account argues for a period of feature underspecification after loss of the L1 value followed by a progressive building of the L2 value through specific constructions *Language and Literacy Teaching for Indigenous Education* Norbert Francis, Jon Allan Reyhner, 2002-01-01 Language and Literacy Teaching for Indigenous Education A Bilingual Approach presents a proposal for the inclusion of indigenous languages in the classroom Based on extensive research and field work by the authors in communities in the United States and Mexico the book explores ways in which the cultural and linguistic resources of indigenous communities can enrich the language and literacy program *Proceedings of the Second International Conference on the Future of ASEAN (ICoFA) 2017 - Volume 1* Ahmad Nizan Mat Noor, Zeti Zuryani Mohd Zakuan, Sarina Muhamad Noor, 2019-04-15 This book examines how business the social sciences science and technology will impact the future of ASEAN Following the ASEAN VISION 2020 it analyses the issues faced by ASEAN countries which are diverse while also positioning ASEAN as a competitive entity through partnerships On the 30th anniversary of ASEAN all ASEAN leaders agreed to the establishment of the ASEAN VISION 2020 which delineates the formation of a peaceful stable and dynamically developed region while maintaining a community of caring societies in Malaysia Indonesia Singapore Brunei Vietnam Thailand the Philippines Myanmar Laos and Cambodia In keeping with this aspiration Universiti Teknologi MARA UTM Perlis took the initial steps to organise conferences and activities that highlight the role of the ASEAN region The Second International Conference on the Future of ASEAN ICoFA 2017 was organised by
