Making It Up As I Go Along:

A Companion to the Works of J. M. Coetzee Tim Mehigan, 2014-02 New essays providing critical views of Coetzee's major works for the scholar and the general reader J M Coetzee is perhaps the most critically acclaimed bestselling author of imaginative fiction writing in English today He received the Nobel Prize for Literature in 2003 and is the first writer to have been awarded two Booker Prizes The present volume makes critical views of this important writer accessible to the general reader as well as the scholar discussing Coetzee's main works in chronological order and introducing the dominant themes in the academic discussion of his oeuvre The volume highlights Coetzee's exceptionally nuanced approach to writing as both an exacting craft and a challenging moral ethical undertaking It discusses Coetzee's complex relation to apartheid and post apartheid South Africa the land of his birth and evaluates his complicated responses to the literary canon Coetzee emerges as both a modernist and a highly self aware postmodernist a champion of the truths of aliterary enterprise conducted unrelentingly in the mode of self confession Contributors Chris Ackerley Derek Attridge Carrol Clarkson Simone Drichel Johan Geertsema David James Michelle Kelly Sue Kossew Mike Marais James Meffan Tim Mehigan Chris Prentice Engelhard Weigl Kim L Worthington Tim Mehigan is Professor of Languages in the Department of Languages and Cultures at the University of Otago New Zealand and Honorary Professor in the Department of Languages and Comparative Cultural Studies at the University of Queensland Australia

intelligence John Banville author of *The Sea* **Apex Courts and the Common Law** Paul Daly,2019-04-08 For centuries courts across the common law world have developed systems of law by building bodies of judicial decisions In deciding individual cases common law courts settle litigation and move the law in new directions By virtue of their place at the top of the judicial hierarchy courts at the apex of common law systems are unique in that their decisions and in particular the language used in those decisions resonate through the legal system Although both the common law and apex courts have been studied extensively scholars have paid less attention to the relationship between the two By analyzing apex courts and the common law from multiple angles this book offers an entry point for scholars in disciplines related to law such as political science history and sociology who are seeking a deeper understanding and new insights as to how the common law applies to and is relevant within their own disciplines **Who's Laughing Now?** Anna Frey,2021-02-15 From dour old women to buzzkills who can't take a joke the stereotype of the humourless feminist has repeatedly been deployed to derail and delegitimize the women's rights movement This collection skips the tired debates that ask whether feminists can be funny we know the answer to this already to instead investigate contemporary expressions and functions of humour within international feminist movements and communities This interdisciplinary volume showcases critical analyses of cultural texts and events personal accounts of producing and encountering feminist humour and creative interruptions that pair laughter with insight As a whole this work seeks to sideline caricatures of the humourless feminist by promoting a vision of a diverse movement vibrant with innovative generous threatening and ultimately triumphant laughter **The Irish Girl** Ashley E. Sweeney,2025-07-30 From multi award winning historical fiction author Ashley E Sweeney comes a family saga about the Irish immigrant experience spanning New York Chicago and Colorado so compelling that USA Today best selling author Kelli Estes says I read this story in one sitting Thirteen year old Mary Agnes Coyne forced from her home in rural Ireland in 1886 after being accused of incest endures a treacherous voyage across the Atlantic alone to an unknown life in America From the tenements of New York to the rough alleys of Chicago Mary Agnes suffers the bitter taste of prejudice for the crime of being poor and Irish After moving west to Colorado Mary Agnes again faces hardships and grapples with heritage religion and matters of the heart Will she ever find a home to call her own Where *The Alien* John Lucas,2007-06 THE ALIEN is the first officially printed novel documenting Maryland's largest killing spree which began in 1994 It is issued here with Deleted Scenes and the Alternate Ending Now be the first to see behind The Alien's mask and discover the true identity of one of the most dangerous individuals in history **Living Your Magic** Robert Anthony,2019-09-03 Living Your Magic lays out how life when people really look at it is like a magic trick A magic trick works because of illusion and misdirection And with all sorts of tricks of the mind human thinking and perception works just like a magic trick When people don't understand how the trick is done they get fooled every time In Living Your Magic Dr Robert Anthony teaches readers how to look at their life before the trick or the illusions happens and how to never be fooled again Rather than following the same flawed premise

behind almost every self help therapeutic or personal development methodology that projects people having a separate self that needs fixing Living Your Magic sees that self as an illusion The problem is that most people don't recognize it as an illusion and believe they must change or improve their self before they can be happy and live a magical life Dr Anthony reveals that everyone has an Inner Creative Genius that allows them to live a magical life if people would only learn to trust it and get out of their own way In that way life becomes easier by giving people less to think about less to remember and less to do so they can truly enjoy their mind and enjoy their life

The Bad Boys Chronicles: Memoirs of the Making and Unmaking of an Ex-Bank Robber Jerry Fields, 2011-11-22 The Bad Boys Chronicles is the true story of the dramatic exploits of a former bank robbery team member as he explicitly recounts his initiation to the criminal lifestyle and his downward spiral from juvenile delinquent to a man wanted by the F B I for his membership within a multi membered armed bank robbery team utilizing stolen vehicles to accomplish his nefarious goals and the climax of that lifestyle leading ultimately towards his self redemption The high speed car chases and even a helicopter pursuit will have you on the edge of your seat Action packed reading

Collective Genius Linda A. Hill, Greg Brandeau, Emily Truelove, Kent Lineback, 2014-05-13 Named one of 10 Management Classics for 2022 by Thinkers50 Why can some organizations innovate time and again while most cannot You might think the key to innovation is attracting exceptional creative talent Or making the right investments Or breaking down organizational silos All of these things may help but there's only one way to ensure sustained innovation you need to lead it and with a special kind of leadership Collective Genius shows you how Preeminent leadership scholar Linda Hill along with former Pixar tech wizard Greg Brandeau MIT researcher Emily Truelove and Being the Boss coauthor Kent Lineback found among leaders a widely shared and mistaken assumption that a good leader in all other respects would also be an effective leader of innovation The truth is leading innovation takes a distinctive kind of leadership one that unleashes and harnesses the collective genius of the people in the organization Using vivid stories of individual leaders at companies like Volkswagen Google eBay and Pfizer as well as nonprofits and international government agencies the authors show how successful leaders of innovation don't create a vision and try to make innovation happen themselves Rather they create and sustain a culture where innovation is allowed to happen again and again an environment where people are both willing and able to do the hard work that innovative problem solving requires Collective Genius will not only inspire you it will give you the concrete practical guidance you need to build innovation into the fabric of your business
