Unlocking Assessment Sue Swaffield,2008-04-01 Assessment is inextricably linked with learning and teaching and its profile in British schools has never been higher Recently the value and importance of formative assessment in supporting learning and teaching has also become widely recognised Although assessment is a prime concern of anyone involved in education it remains a highly complex field where much controversy and misunderstanding abounds This book explores the values principles research and theories that underpin our understanding and practice of assessment It also provides practical suggestions and examples and addresses some key points about the future development of assessment The book makes accessible complex but crucial ideas and issues so that teachers can be more confident and proactive in shaping assessment in their classrooms in ways that support learning and avoid unintentional harmful consequences The Parent Project James Vopat,1994 Involving parents in their children's schooling is a matter of intense concern in North America Teachers and administrators want to construct a program that creates positive involvement This is especially critical for Chapter I schools that are mandated to use a portion of their funds for home and school programs Jim Vopat believes that parental involvement should strengthen the link between home and school and to achieve this goal parents need to be introduced to the revitalized school classroom The Parent Project calls on the most powerful aspects of school reform workshops journals cooperative groups shared reading agenda building interviewing goal setting and critical thinking classroom learning strategies experienced by children every day When parents work with these strategies they understand them and discover how to support them Using a workshop process model parents become involved with their children's classroom activities and are thus empowered to support their children's education These workshops ensure participant ownership of a program's overall agenda while providing long term structures for support and continued development The Parent Project Provides a framework for implementing ways to get parents involved and informed Was developed in urban bilingual school settings and includes workshop formats in Spanish and English Is a complete source book for teachers and principals that provides materials for conducting workshops with parents in areas of writing reading self esteem and community building Supports your efforts with a detailed description of what the workshop approach is and how it functions *El-Hi Textbooks & Serials in Print, 2000* ,2000 **The Mother's Book** Caroline French Benton,William Byron Forbush,Jennie Ellis Burdick,1919

Long Journey Home: Southern women's fiction and romance Ashley Farley,2023-10-26 From beyond the grave Ashton's mother leaves a mysterious legacy that upends her world Eileen Darby the heiress to the Merriweather fortune has entrusted

her oldest daughter with the family's waterfront estate on Catawba Sound in South Carolina's Lowcountry bequeathing virtually nothing to her other three children. This lavish bequest is more than a gift; it's a cryptic message, a puzzle interlaced with the troubled history of their dysfunctional family. As Ashton embarks on renovating the old home, she finds herself haunted by secrets lurking in the shadows of her memory. What is her mother trying to communicate, and what will she uncover as she delves into the murkiest corners of the memories she can't recall? Ashton's husband is a proclaimed financial wizard, a mastermind who claims to have turned her recent investment into a fortune. Yet he refuses to provide the account statements to verify it. With their marriage teetering on the brink, Ashton's dwindling trust gives way to mounting suspicions. Is he genuinely the financial virtuoso he purports to be, or is there a more sinister game afoot? As her marital bonds unravel, Ashton finds herself ensnared in a tangled web of deception. Each thread she tugs unravels a path leading her ever closer to a truth she may not be ready to confront. When she loses her way, she looks to a friend from her past to help her find herself again. In this thrilling journey of discovery and deceit, Ashton must confront the ghosts of her past and the demons of her present. *Long Journey Home* is a twisted labyrinth of mystery and betrayal where every corner holds another clue, and every path leads Ashton deeper into uncertainty.

Woodworking for Everyone Peter Alkema, 2014-09-25 *Woodworking for Everyone* will inspire you to create practical and stylish furniture for your home.
