Spectacular Bodies Yvonne Tasker, 2012-10-02 While films such as Rambo Thelma and Louise and Basic Instinct have operated as major points of cultural reference in recent years popular action cinema remains neglected within contemporary film criticism Spectacular Bodies unravels the complexities and pleasures of a genre often dismissed as obvious in both its pleasure and its politics arguing that these controversial films should be analysed and understood within a cinematic as well as a political context Yvonne Tasker argues that today s action cinema not only responds to the shifts in gendered sexual and racial identities which took place during the 1980s but reflects the influences of other media such as the new video culture Her detailed discussion of the homoeroticism surrounding the muscleman hero the symbolic centrality of blackness within

the crime narrative and the changing status of women within the genre addresses the constitution of these identities through the shifting categories of gender class race sex sexuality and nation *Spectacular Bodies* also examines the ambivalence of supposedly secure categories of popular cinema questioning the existing terms of film criticism in this area and addressing the complex pleasures of this neglected form *A New Pot of Gold* Stephen Prince,2002-03-15 Facing an economic crisis in the 1980s Hollywood moved to control the markets of videotape pay cable and pay per view This volume examines the transformation that took the industry from the production of theatrical film to media software **The Cambridge Companion to Mary Shelley** Esther Schor,2003-11-20 Known from her day to ours as the Author of *Frankenstein* Mary Shelley indeed created one of the central myths of modernity But she went on to survive all manner of upheaval personal political and professional and to produce an oeuvre of bracing intelligence and wide cultural sweep The Cambridge Companion to Mary Shelley helps readers to assess for themselves her remarkable body of work In clear accessible essays a distinguished group of scholars place Shelley s works in several historical and aesthetic contexts literary history the legacies of her parents William Godwin and Mary Wollstonecraft and of course the life and afterlife in cinema robotics and hypertext of *Frankenstein* Other topics covered include Mary Shelley as a biographer and cultural critic as the first editor of Percy Shelley s works and as travel writer This invaluable volume is complemented by a chronology a guide to further reading and a select filmography **Technoscience in Contemporary Film** Aylish Wood,2002 This analysis of images of science and technology from popular films of the 1980s and 1990s argues that films as diverse as the science fiction film *Jurassic Park* contribute to popular understandings of science and technology **New York Magazine** ,1987-04-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The New Single* Tamsen Fadal,2015-06-02 Newly single straight women will find an ample supply of practical ideas here for making a gradual and successful transition to flying solo again Publishers Weekly Starting over doesn t have to be so hard After the shock of a relationship change it can be tough to get out of bed in the morning much less be at your best But it doesn t have to be that way With a realistic and proven game plan to help you get where you want to be *The New Single* is the essential roadmap to surviving the split up and starting over ninety days at a time Embracing the person you are today Radiating confidence Taking better care of yourself inside and out from career and finances to home health and fitness Avoiding toxic patterns and dangerous missteps Tamsen Fadal is empathetic and incisive about relationships and breakups she learned many of the lessons in *The New Single* the hard way Now with candor and humor she s sharing her secrets stories and sometimes painful lessons *The Encyclopedia of Hollywood Film Actors* Barry Monush,2003-04-01 For decades Screen World has been the

film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos **Technophobia!** Daniel Dinello,2013-08-26 Techno heaven or techno hell If you believe many scientists working in the emerging fields of twenty first century technology the future is blissfully bright Initially human bodies will be perfected through genetic manipulation and the fusion of human and machine later human beings will completely shed the shackles of pain disease and even death as human minds are downloaded into death free robots whereby they can live forever in a heavenly posthuman existence In this techno utopian future humanity will be saved by the godlike power of technology If you believe the authors of science fiction however posthuman evolution marks the beginning of the end of human freedom values and identity Our dark future will be dominated by mad scientists rampaging robots killer clones and uncontrollable viruses In this timely new book Daniel Dinello examines the dramatic conflict between the techno utopia promised by real world scientists and the techno dystopia predicted by science fiction Organized into chapters devoted to robotics bionics artificial intelligence virtual reality biotechnology nanotechnology and other significant scientific advancements this book summarizes the current state of each technology while presenting corresponding reactions in science fiction Dinello draws on a rich range of material including films television books and computer games and argues that science fiction functions as a valuable corrective to technological domination countering techno hype and reflecting the weaponized religiously rationalized profit fueled motives of such science By imaging a disastrous future of posthuman techno totalitarianism science fiction encourages us to construct ways to contain new technology and asks its audience perhaps the most important question of the twenty first century is technology out of control **Cyborg Cinema and Contemporary Subjectivity** S. Short,2004-11-10 This book breaks new ground in providing an in depth critical assessment of cyborg cinema arguing that it remains one of the most intriguing and provocative cycles to have emerged in contemporary screen culture Tracing the cinematic cyborg s transition over the last two decades and evaluating the theoretical significance attributed to this figure it asks what relevance the cyborg continues to have in terms of understanding human identity our relationship to technology and to one another *The Style Diary of a Bollywood Diva* Kareena Kapoor,2012-11-17 Kareena Kapoor was born to be a star In her first ever book the ultimate
