and loving relationships during the critical years of early childhood development By closely examining the impact of Lee Boyd Malvo's childhood on his later development they reach out to parents social workers and the community for greater awareness and prevention The book can be illuminating especially when Albarus describes what it was like to pierce Malvo's shield and help wrest his psyche from Muhammad The Newark Star Ledger Fascinating Publishers Weekly **The Coloniality of Animal Monstrous Othering in Children's Books, Films, and Toys** Donna Varga, 2024-08-19 The Coloniality of Animal Monstrous Othering in Children's Books Films and Toys examines how the portrayal of animals as physically distorted behaviorally depraved and intellectually defective serves to justify their debasement violation and destruction in materials directed toward young consumers The author argues that this animal monstrous Othering arises from the Eurocentric belief in humans natural superiority over animals and the right to categorize animals in accordance with a scale of worthiness that parallels the subjugation of racialized persons The chapters examine a variety of canonical figures like the dissolute wolf of Red Riding Hood stories and the disfigured titular character of the Wonky Donkey picture book alongside non canonical animals including reprobate pigs degenerate sharks self centered flamingos and wicked piranhas To counter this animal debasement Varga juxtaposes these readings with an examination of materials that articulate harmonious animal human interrelationships without dependence on styles of anthropomorphism that diminish animality
