Making Of An American

Jacob August Riis

Making Of An American:

The Making of an American Jacob A. Riis, 2019-12-03 In *The Making of an American* Jacob A Riis intricately weaves together a compelling narrative that melds autobiography with social commentary chronologically tracing his journey from a humble Danish immigrant to a pioneering social reformer in the United States Riis employs vivid imagery and candid anecdotes capturing the stark realities of life in New York City's tenements His unflinching style not only illuminates the struggles of the urban poor in the late 19th century but also utilizes elements of realism reflecting the broader social tensions and aspirations that characterized the American landscape during this transformative period Jacob A Riis 1849 1914 was a journalist social reformer and photographer whose own experiences as an immigrant profoundly shaped his worldview His work in social reform was largely influenced by the harsh conditions he witnessed in urban America which he sought to expose through his writings and photographs Riis's dedication to improving living conditions for the impoverished was pivotal to the progressive movement and his firsthand accounts serve as critical historical documentation of the time I wholeheartedly recommend *The Making of an American* for readers who are interested in the immigrant experience the social fabric of 19th century America and the transformative power of rhetoric in promoting social change Riis's narrative is not just a personal history it is a clarion call for empathy and action that resonates with contemporary dialogues on immigration and social justice

The Making of an American Jacob August Riis, 1970-01-01 [Gertrude Stein and the Making of an American Celebrity](#) Karen Leick, 2013-05-13 This book is a cultural history of Stein's rise to fame and the function of literary celebrity in America from 1910 to 1935 By examining not the ways that Stein portrayed the popular in her work but the ways the popular portrayed her this study shows that there was an intimate relationship between literary modernism and mainstream culture and that modernist writers and texts were much more well known than has been previously acknowledged Specifically Leick reveals through the case study of Stein that the relationship between mass culture and modernism in America was less antagonistic more productive and integrated than previous studies have suggested

The Making of an American (Classic Reprint) Jacob A. Riis, 2015-07-11 Excerpt from *The Making of an American* With tassels Says my wife maliciously she has been looking over my shoulder Well with tassels What then Did I not worship a pair of boots with tassels which I passed in a shop window in Copenhagen every day for a whole year because they were the only other pair I ever saw I don't know there may have been more perhaps others wore them I know she did Curls she had too curls of yellow gold Why do girls not have curls these days It is such a rare thing to see them that when you do you feel like walking behind them miles and miles just to feast your eyes Too much bother says my daughter Bother Why I have carried one of your mother's miss About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing

imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Making of an American Jacob August Riis,1901 In all of which I have made no account of a factor which is at the bottom of half our troubles with our immigrant population so far as they are not of our own making the loss of reckoning that follows uprooting the cutting loose from all sense of responsibility with the old standards gone that makes the politician s job so profitable in our large cities and that of the patriot and the housekeeper so wearisome We all know the process The immigrant has no patent on it It afflicts the native too when he goes to a town where he is not known

The Making of an American Jacob August Riis,1921 *The Making of an American* Jacob A. Riis,2023-07-18 *The Making of an American* Jacob a 1849-1914 Riis,2023-07-18 A classic memoir of American immigrant life this work by Jacob A Riis is a vivid and moving account of one man s journey from poverty and hardship in Denmark to success and fulfillment in the United States With its candid and insightful portrayal of immigrant life in turn of the century New York City *The Making of an American* is a timeless masterpiece of American literature This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Making of an American, Illustrated Jacob A. Riis,2020-08-18 **The Making of an American** ,1901 *The Making of an American* HardPress,Riis Jacob a 1849-1914,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

The Making of an American Jacob August Riis,1929 **The Making of American Buddhism** Scott A. Mitchell,2023 This volume looks at the intersection of race and religion in the United States before during and after World War II when Nisei second generation Japanese American Jodo Shinshu or Shin Buddhists reacted to the trauma of racial and religious discrimination

The Making of an American Jacob A. (Jacob August) Riis,2018 *The Making of an American* by Jacob A Jacob August Riis is a rare manuscript the original residing in some of the great libraries of the world This book is a reproduction of that original typed out and formatted to perfection allowing new generations to enjoy the work Publishers of the Valley s mission is to bring long out of print manuscripts back to life

Exposing Hidden Worlds

Michael Burgan,2017-07-01 President Theodore Roosevelt called Jacob Riis the best American I ever knew The pioneering photojournalist an immigrant from Denmark drew attention to the poverty and evils of slum life in the late 1800s Riis won national acclaim when his photos illustrated his bestselling book *How the Other Half Lives* The book focused on the difficult time immigrants faced as thousands of newcomers flooded into the United States each year Riis called for reform and hoped to prod government officials to help the poor people who were forced to live under horrible conditions The impact of Riis photos came from capturing the poor and homeless as they lived and worked with the subjects eyes often staring directly into the camera The great photographer Ansel Adams called them magnificent achievements in the field of humanistic photography But the reforms that came from Riis work have not eliminated urban poverty and homelessness and important work remains to be done
