The American Voter: Stupid and Ignorant Walt Kienia, 2015-02-08 Since ever stupid people have existed and multiplied Far too many stumble through life fortunate that breathing is involuntary with ignorance and without common sense It is not surprising then that they bring their brainless way of life to the voting arena The American Voter Stupid and Ignorant takes an anecdotal historical and statistical look at how the voters from Eisenhower to Obama through the eyes of the professionals and nonprofessionals who have reported on this nonsense have stumbled into a voting booth with only slightly more cognitive ability than a vegetable God Bless America

Daisy Petals and Mushroom Clouds Robert Mann, 2011-11-07 The grainy black and white television ad shows a young girl in a flower filled meadow holding a daisy and plucking its petals which she counts one by one As the camera slowly zooms in on her eye a man s solemn countdown replaces hers At zero the little girl s eye is engulfed by an atomic mushroom cloud As the inferno roils in the background President Lyndon B Johnson s voice intones These are the stakes to make a world in which all of God s children can live or to go into the dark We must either love each

other or we must die In this thought provoking and highly readable book Robert Mann provides a concise engaging study of the Daisy Girl ad widely acknowledged as the most important and memorable political ad in American history Commissioned by Johnson s campaign and aired only once during Johnson s 1964 presidential contest against Barry Goldwater it remains an iconic piece of electoral propaganda intertwining cold war fears of nuclear annihilation with the increasingly savvy world of media and advertising Mann presents a nuanced view of how Johnson s campaign successfully cast Barry Goldwater as a radical too dangerous to control the nation s nuclear arsenal a depiction that sparked immediate controversy across the United States Repeatedly analyzed in countless books and articles the spot purportedly destroyed Goldwater s presidential campaign Although that degree of impact on the Goldwater campaign is debatable what is certain is that the ad ushered in a new era of political advertising using emotional appeals as a routine aspect of campaign strategy

Religion and Politics in America Frank J. Smith,2016-07-11 There has always been an intricate relationship between religion and politics This encyclopedia provides a comprehensive overview of the interrelation of religion and politics from colonial days to the present Can a judge display the Ten Commandments outside of the courthouse Can a town set up a nativity scene on the village green during Christmas Should U S currency bear the In God We Trust motto Should public school students be allowed to form bible study groups Controversies about the separation of church and state the proper use of religious imagery in public space and the role of religious beliefs in public education are constantly debated This work offers insights into contemporary controversies regarding the uneasy intersections of religion and politics in America Organized alphabetically the entries place each topic in its proper historical context to help readers fully grasp how religious beliefs have always existed side by side and often clashed with political ideals in the United States from the time of the colonies The information is presented in an unbiased manner that favors no particular religious background or political inclination This work shows that politics and religion have always had an impact on one another and have done so in many ways that will likely surprise modern students

1960 David Pietrusza,2008 It was the election that would ultimately give

America Camelot and its tragic aftermath a momentous contest when three giants who each would have a chance to shape the nation battled to win the presidency Award winning author David Pietrusza does here for the 1960 presidential race what he did in his previous book 1920 the Year of the Six Presidents which Kirkus Reviews selected as one of their Best Books of 2007 Until now the most authoritative study of the 1960 election was Theodore White s Pulitzer Prize winning The Making of the President 1960 But White as a trusted insider didn t tell all Here s the rest of the story what White could never have known nor revealed Finally it s all out including JFK s poignant comment on why LBJ s nomination as vice president would be inconsequential I m 43 years old I m not going to die in office Combining an engaging narrative with exhaustive research Pietrusza chronicles the pivotal election of 1960 in which issues of civil rights and religion Kennedy was only the second major party Roman Catholic candidate ever converged The volatile primary clash between Senate Majority leader LBJ and the young JFK culminated in an improbable fusion ticket The historic legendary Kennedy Nixon debates followed in its wake The first presidential televised debates they forever altered American politics when an exhausted Nixon was unkempt and tentative in their first showdown With 80 million viewers passing judgment Nixon s poll numbers dropped as the charismatic Kennedy s star rose Nixon learned his lesson resting before subsequent debates reluctantly wearing makeup and challenging JFK with a more aggressive stance but the damage was done There s no one better to convey the drama of that tumultuous year than Pietrusza He has 1 000 secrets to spill a fascinating cast of characters to introduce including a rogue s gallery of hangers on and manipulators and towering historical events to chronicle And all of it is built on painstaking research and solid historical scholarship Pietrusza tracks down every lead to create a winning engaging and very readable account With the 2008 elections approaching politics will be on everyone s mind and 1960 LBJ vs JFK vs Nixon will transform the way readers see modern American history A sampling of what Theodore White couldn t chronicle and David Pietrusza does Richard Nixon s tempestuous Iowa backseat blowup and his bizarre Election Day road trip The full story of a sympathetic call from JFK to Coretta Scott King John Ehrlichman s spy missions on the Nelson Rockefeller and Democratic camps The warnings before Election Day that Chicago s mayor Daley would try to fix the race s outcome JFK s amphetamine fueled debate performance

Secret City James Kirchick, 2022-05-31 The New York Times Bestseller A New York Times Notable Book of 2022 Named one of Vanity Fair s Best Books of 2022 Not since Robert Caro s Years of Lyndon Johnson have I been so riveted by a work of history Secret City is not gay history It is American history George Stephanopoulos Washington D C has always been a city of secrets Few have been more dramatic than the ones revealed in James Kirchick s Secret City For decades the specter of homosexuality haunted Washington The mere suggestion that a person might be gay destroyed reputations ended careers and ruined lives At the height of the Cold War fear of homosexuality became intertwined with the growing threat of international communism leading to a purge of gay men and lesbians from the federal government In the fevered atmosphere of political Washington the secret too loathsome to mention held enormous terrifying power Utilizing

thousands of pages of declassified documents interviews with over one hundred people and material unearthed from presidential libraries and archives around the country Secret City is a chronicle of American politics like no other Beginning with the tragic story of Sumner Welles Franklin Delano Roosevelt s brilliant diplomatic advisor and the man at the center of the greatest national scandal since the existence of the United States James Kirchick illuminates how homosexuality shaped each successive presidential administration through the end of the twentieth century Cultural and political anxiety over gay people sparked a decades long witch hunt impacting everything from the rivalry between the CIA and the FBI to the ascent of Joseph McCarthy the struggle for Black civil rights and the rise of the conservative movement Among other revelations Kirchick tells of the World War II era gay spymaster who pioneered seduction as a tool of American espionage the devoted aide whom Lyndon Johnson treated as a son yet abandoned once his homosexuality was discovered and how allegations of a homosexual ring controlling Ronald Reagan nearly derailed his 1980 election victory Magisterial in scope and intimate in detail Secret City will forever transform our understanding of American history
