Making Peace With Partition Radha Kumar, 2005-02-28 The Partition of the Indian subcontinent in 1947 left a legacy of hostility and bitterness that has bedevilled relations between India and Pakistan for over fifty five years The two countries both nuclear powers now have fought three wars since Independence and have twice come to the brink of war in recent years Each of their attempts to make peace has failed and each failure has added a new layer of anger and mistrust to existing animosities So what will it take for India and Pakistan to put the long shadows of Partition behind them once and for all Reviewing the turbulent history of their past relationship Radha Kumar analyses the chief obstacles the two countries face and looks afresh in particular at the Kashmir conflict in the light of the new opportunities and challenges that the twenty first century presents Kumar s comparisons with partition related peace processes in Bosnia Ireland Cyprus and Israel Palestine offer a radically different perspective on the prospects for peace between India and Pakistan and illuminate the key elements that go into a successful peace process Lucid incisive and optimistic Radha Kumar s essay written at a time when a new peace process between India and Pakistan has begun to unfold challenges received wisdom as it argues persuasively that the South Asian neighbours are today better placed to make peace than ever before *KJV, Economy Bible, Paperback* Thomas Nelson, 2016-09-20 A low cost King James Version KJV Bible perfect for churches and ministries buying in bulk

coexistence between Hindus and Muslims Have our hasty conclusions about Lajpat Rai s nationalist thought concealed its complexities and distorted our understanding of nationalism in general Meticulously researched and eloquently written Being Hindu Being Indian offers the first comprehensive examination of Lajpat Rai s nationalist thought By revealing the complexities of Rai s thinking it provokes us to think more deeply about broader questions relevant to present day politics Are all expressions of Hindu nationalism the same as Hindutva What are the similarities and differences between Hindu and Indian nationalism Can communalism and secularism be expressed together How should we understand fluidity in politics This book invites readers to treat Lajpat Rai s ideas as a gateway to think more deeply about history politics religious identity and nationhood *New Perspectives on Liberal Peacebuilding* Edward Newman,Roland Paris,Oliver P. to act as sovereign states entangled at birth by an unsatisfactory partition Sovereignty is conventionally understood as a means to achieve the goals that states set for themselves This book argues that for India and Pakistan sovereignty has become an end in itself and that its pursuit has aided majoritarianism insecurity and mutual estrangement It examines the trajectory of three problems that the partition of 1947 bequeathed to the two states It investigates the state minority relations national identity debates and contestation over Kashmir to outline the parallel processes of minoritization homogenization and territorialization It shows how these processes signify the two states quest for sovereignty The scholarship on India and Pakistan often privileges their bilateral relations In contrast the author carries out the deeper task of a single frame analysis and critique of their intertwined statehoods Ultimately the book shows the inadequacy of the nation state form as the basis for political community in the subcontinent It concludes by pointing to the contemporary relevance of alternative ideas of sovereignty and political community in South Asia that were articulated during the first half of the 20th century
