Making a Difference Rebecca L. Smith, Rebecca L. Harper, 2005-11 Water Lane the last stop on Medieval pilgrimages to Canterbury is located in the ancestral village that John Passfield shares with the Elizabethan playwright Christopher Marlowe In this novel the water in the lane becomes a central image in an imaginary pilgrimage that the dying artist recalls as he lies bleeding from a stab wound on the floor of Eleanor Bull s house in Deptford in May of 1593 Amid the footsteps and murmurs of his murderers as they rehearse their version of the scuffle Marlowe s preconscious mind attempts a final structuring of the images of his life The overt mystery who has arranged the death of Christopher Marlowe frames the covert mystery what are the influences that shape an artist s work The Church School Journal ,1899 *Songs of Summer Grace* Constance L. Goonan, 2004-08-24 *Songs of Summer Grace* is a prayer devotional addressing issues encountered in a thirty three year career as a high school teacher in public education Education is in crisis and this book speaks to the difference it could make to invite God into public schools It speaks to living out and giving witness to one s spirituality in the workplace This teaching philosophy has had a positive effect on students This psalm journal has three sections The first Songs of Teaching glances back from the peace of summer to a school year replete with struggles as well as triumphs The second group of prayers Songs of a Teacher speaks about the challenges in life and where and how to find God who offers strength for the journey And finally the third group of songs Songs of God s Children is a compilation of notes written by students to their teacher who was transferring to another school Songs of Summer Grace is different from other books that deal with student teacher relationships in that spirituality is linked to the work of educating children in public schools The classroom scenarios described have been personally experienced internalized and processed through prayer By living gospel values and truths even though they are not allowed to actually be taught or preached public school teachers have an opportunity to make a difference Teaching with a prayerful heart draws students into life giving relationships with teachers and has a profound and lasting effect on them **Teaching Activities Manual for the Catholic Youth Prayer Book** Rebecca Rushing, 2006 A gripping debut thriller about four longtime friends who make one mistake forcing them to face down old grudges and make horrifying choices that could haunt them forever Will Jeffrey Evan and Nolan have been friends since their undergrad days at Princeton Since graduation they then have each forged new lives and careers Will is a failed musician still reeling from the tragic death of a bandmate Jeffrey got lucky and then rich from the dot com boom Nolan is a state senator with national aspirations and Evan is about to make partner at a major New York law firm Their friendships have bent without breaking for years until one shocking moment changes everything One night on a drive they make a routine stop at a convenience store Within moments a manic Jeffrey emerges dragging a young woman with him He shoves her into Will s car and shouts a single word Drive Shaken and confused Will obeys Suddenly four men find themselves completely out of their element holding a young girl hostage without the slightest idea of what to do next or why she s there to begin with They re
