Gallop's book offers a clear-eyed and comprehensive history of feminist literary criticism. Why she asks have we so quickly buried 1970s feminist criticism? What lies buried there? Why do 1990s academic feminists accuse other academic feminists of being academic? Gallop takes the novel approach of structuring her inquiry around anthologies of feminist criticism: twelve important texts that have had a wide impact on more than a decade of scholarship. In reading an anthology as a whole she typically identifies a central hegemonic voice, usually that of the editor's, which would organise all the voices into a unity and then explores the resistance within that volume to such a unity. Weight is placed behind these internal differences as a wedge against the centrist drive. Around 1981 addresses briefly French feminism and psychoanalytic feminism before focusing on its principal subject: the mainstream of feminist literary criticism before and after its general acceptance as part of the changing institution of literary studies. This brilliantly illuminates the dilemma of the feminist critic divided by her allegiance to both feminism and literary studies. 2024-25 NTA UGC-NET/JRF English Solved Papers YCT Expert Team, 2024-25 NTA UGC NET JRF English Solved Papers 496 995 E. **Spirituality, Feminism, and Pre-Raphaelitism in Modern British Art and Culture** Alice Eden, 2024-04-17. This book proposes new understandings of modern life in Britain by bringing constructs of female spirituality centre stage and examining three forgotten artists identified with the Pre-Raphaelites and Victorianism: Thomas Cooper Gotch, Robert Anning Bell, and Frederick Cayley Robinson. They are resituated squarely within the tumultuous social and cultural changes of the period. Becoming visible again in more inclusive histories allows such artists not only to re-inhabit but to reshape narratives of modernism, reanimating the scholarly discourse and creating a dynamic cultural history of modern Britain expressed through their striking visions of womanhood. This book will be of interest to scholars in art history, gender studies, and British studies.

Images of Women and Gender Identity in John Marston's Plays Sukanya Behura Senapati, 2023-10-16. Images of Women and Gender Identity in John Marston's Plays contends that although the Jacobean period was known for its misogyny and John Marston for his quarrels with his fellow poets, Marston's plays deserve reevaluation and critical interrogation through a feminist lens. Arguing that patriarchy and ownership of private property are intimately meshed together, Senapati posits that Marston interrogates the misogyny of the Jacobean period by delimiting two predominant myths that have crippled women through the centuries: the beauty myth and the myth of the weak and sexual female. Both constructs of patriarchy. Through the tracing of the history of five prototype images of women in literature: wench, wife, widow, sex worker, and witch, from antiquity to the early modern period, Sukanya Behura Senapati demonstrates Marston's explosions of binary gender categorizations to open space for experimental constructions of fluid and flexible gender identities. Mary Wollstonecraft and the Accent of the

Feminine A. Tauchert, 2016-01-28 Tauchert's book revisits the work of feminist icon Mary Wollstonecraft to offer new readings which are both astute and adventurous. It demands that we leave behind the baggage of years of argument over whether or not Wollstonecraft is feminist and instead offers a Wollstonecraft whose work intervenes in the formation of womanhood and as such is both valuable and timely. Giving a comprehensive account of her work, Tauchert makes a significant addition to current theories of feminine writing through her analysis of Wollstonecraft's techniques.
