INT. AN OFFICE - DAY

We're inside the Board's office. JAMES, KAREN, LUKE, MARCO and TOM are seated around the conference table.

TOM (S.O.)

Being summoned to the conference room never ends well. What's all Jeff's got to say this time?

JAMES

Thanks for joining me here, team. As you know, there's been a huge update in ours' recently, and it's all down to you. Luke I always say...

KAREN/LUKE/MARCO/TOM

(enthusiastically)

Jefferson makes the dream come!

JAMES

Yes, quite. So I wanted to demonstrate my gratitude with a small gift...

KAREN

There's really no need for gifts, James. You're always for the... generous.

Karen, Luke and Marco become aware of a rustling in the corner. The noise is coming from a large cardboard box. They look at each other, confused. Tom looks stoic.

JAMES

Marco, I insist, You've all more than earned this small token of my appreciation.

Karen, Luke and Marco start to look concerned. Tom remains stoic.

KAREN

Are you sure, James? I did say that your last gift was... well, a little O.T.T.

JAMES

Oh, Karen. Live a little! Everyone loves a team life's drawing class.

LUKE

Oh, not when we're the subjects.

JAMES

Such a pride, Luke, I've always said that. Anyway, as I was trying to say, I've got you all a small gift. Marco, if you'd be so kind as to do the honors.

A long beat, then Marco walks towards the cardboard box with a look of fear and resignation on his face. He lifts open a flap and peers inside.

JAMES

Careful, Marco! They might be a little peckish.

KAREN

Peckish? What on earth is in there?

JAMES

Only alligators! I got you all a baby alligator!

Fade out.

Making A Good Script Great

Making A Good Script Great:

Making a Good Script Great Linda Seger, 2010 Making a good script great is more than just a matter of putting a good idea on paper. It requires the working and reworking of that idea. *Making a Good Script Great* takes you through the whole screenwriting process from initial concept through final rewrite, providing specific methods that will help you craft tighter, stronger, and more salable scripts. While retaining the invaluable insights that placed its first two editions among the all-time most popular screenwriting books, this expanded, revised, and updated third edition adds rich and important new material on dialogue, cinematic images, and point of view, as well as an interview with screenwriter Paul Haggis. If you're writing your first script, this book will help develop your skills for telling a compelling and dramatic story. If you're a veteran screenwriter, it will help you articulate the skills you know intuitively. And if you're currently stuck on a rewrite, this book will help you analyze and solve your script's problems and get it back on track. Book jacket [Making a Good Script Great](#) Linda Seger, 1994

Making a good script great is not just a matter of having a good idea. Nor is it a matter of just putting that good idea down on paper. In scriptwriting, it's not just the writing but also the rewriting that counts. This book focuses on the rewriting process and offers specific methods to help you craft tighter, stronger, and more workable scripts. While retaining all the valuable insights that have made the first edition one of the all-time most popular screenwriting books, this expanded second edition adds new chapters that take you through the complete screenwriting process from the first draft through the shooting draft. If you're writing your first script, this book will help develop your skills for telling a compelling and dramatic story. If you're a veteran screenwriter, this book will articulate the skills you know intuitively. And if you're currently stuck on a rewrite, this book will help you analyze and solve the problems and get your script back on track.
