## **Making Enemies War And State Building In Burma:**

Making Enemies Mary Patricia Callahan, 2004 Sets out to explain the extraordinary durability of the Burmese military regime by examining the history of relations between the junta and society in Burma The authors unparalleled access to the military and its leaders allows her to correct existing explanations of Burmese authoritarianism and to supply new information about the coups of 1958 and 1962

**Armed Groups and International Legitimacy** William Plowright, 2021-02-23 This book analyses the issue of child soldiers in order to understand how armed groups engage with international organizations to gain international legitimacy The work examines why some armed groups follow the rules of international humanitarian law and others do not It argues that armed groups in conflicts around the world engage with international organizations in order to gain international legitimacy and to show they are following the laws of war By examining the issue of child soldiers in contemporary armed conflict the volume establishes a typology of which groups will engage with international actors and follow the laws of war and which will not The main aim of the book is to understand the rationality of even the most violent of actors and to understand when and how armed groups can be encouraged to follow the laws of war The work draws from extensive primary research conducted among armed groups in Syria and Myanmar including al Qaeda the Islamic State and the many small ethnic insurgent groups of Myanmar This book will be of much interest to students of war and conflict studies security studies international humanitarian law and International Relations

**New Frontiers of Land Control** Nancy Lee Peluso, Christian Lund, 2013-09-13 Questions about land control have invigorated thinkers in agrarian studies and economic history since the nineteenth century Exclusion alienation expropriation dispossession and violence animate histories of land use property rights and territories More recently agrarian environments have been transformed by processes of de agrarianization urbanization migration and new forms of primitive accumulation Even the classic agrarian question of how the social relations of agriculture will be influenced by capitalism has been reformulated at critical historical moments reviving or producing new debates around the importance of land control The authors in this volume focus on new frontiers of land control and their active creation These frontiers are sites where established power relationships are challenged by new enclosures and property regimes producing new social and environmental dynamics in their stead Contributors examine labor and production processes engaged by new configurations of actors new agrarian and environmental subjects and the networks connecting them and new legal and violent means of challenging established or imminent land controls Overall we find that land control still matters though in changed degrees and manners Land control will continue to inspire struggles for a long time This book was originally published as a special issue of the Journal of Peasant Studies

**Debating Democratization in Myanmar** Nick Cheesman, Nicholas Farrelly, Trevor Wilson, 2014-04-14 Is Myanmar Burma democratizing or is it moving towards a new form of authoritarianism perhaps one more consonant with other contemporary authoritarian regimes in Asia Coming at a critical time and one of

growing interest in this Southeast Asian country among researchers and policy makers Debating Democratization in Myanmar addresses this complex question from a range of disciplinary and professional perspectives Chapters by leading international scholars and practitioners activists and politicians from Myanmar and around the world cover political and economic updates as well as the problems of democratization the re engagement of democratic activists and exiles in domestic affairs the new parliament the electoral system and everyday politics prospects for the economy ethnic cooperation contestation and conflict the role of the army and police forces and conditions for women Together they constitute an empirically deep and analytically rich source of readable and relevant material for anyone keen to obtain a greater understanding of what is happening in Myanmar today and why

**Introduction to Geopolitics** Colin Flint, 2021-08-30

This new updated edition presents the overarching themes of geopolitical structures and agents in an engaging and accessible manner which requires no previous knowledge of theory or current affairs It helps readers understand the geopolitical implications of COVID 19 China s pronounced role in the world the relative decline of the US and the Black Lives Matter movement Using new pertinent case studies and guided exercises the title explains the contemporary global power of the United States and the challenges it is facing the changing foreign policy of China and other countries the persistence of nationalist conflicts migration cyberwar and cyberactivism terrorism energy geopolitics and environmental geopolitics Expanded case studies of the South China Sea disputes and China s Belt and Road Initiative emphasize the multi faceted nature of conflict The book raises questions by incorporating international and long term historical perspectives and introduces readers to different theoretical viewpoints including feminist contributions The new edition features fresh discussion of island geopolitics the Anthropocene age and geoeconomics Introduction to Geopolitics will provide its readers with a set of critical analytical tools for understanding the actions of states as well as non state actors acting in competition over resources and power Both students and general readers will find this book an essential stepping stone to a deeper and critical understanding of contemporary conflicts The companion website will enable readers to apply the themes of the book to the constant shifts in current affairs to enable deeper understanding It will provide access to weekly essays showing how the themes explain current events

**Interpreting Communal Violence in Myanmar** Nick Cheesman, 2018-12-07

Myanmar s recovery from half a century of military rule has been fraught As in other religiously culturally and linguistically heterogeneous countries where a dictatorship has loosened a tight grip people there have wanted for democratic institutions to express and manage conflict Under these circumstances mundane and seemingly apolitical events sometimes unfold into moments of intense violence Interpreting Communal Violence in Myanmar addresses one such violent chapter in Myanmar s recent past the communal violence that shook the country between 2012 and 2014 The violence most of it involving Buddhists attacking Muslims ranged from localised fleeting inter group melees to large scale apparently well organised state supported killing and destruction of property of a targeted community running over a number of days The book s seven

chapters comprise a response to the violence by a group of Myanmar and Southeast Asia experts Their contributions trace the histories and contemporary features of the violence and the legal and political arrangements that made it possible Their interpretations while specific to Myanmar also contribute to broader debate about the characteristics causes and consequences of communal violence generally The chapters were originally published as a special issue in the Journal of Contemporary Asia

**Constitutional Foundings in Southeast Asia** Kevin YL Tan,Ngoc Son Bui,2019-05-30 This volume focuses on the making nature and role of the first modern constitutions at the founding of the modern nation states in Southeast Asia These historical essays add richly to our understanding and appreciation of the founding moments and to the theory and practice of constitutionalism in these states This volume makes three significant contributions First it helps plug the wide knowledge gap in comparative constitutional history in Southeast Asia Second it furthers our understanding of contemporary constitutional practice and also anticipates possible developmental trajectories in light of the foundational values embedded in and manifested through these constitutions Third through the comparative historical study of these early constitutions plausible theoretical insights may be gained to further our understanding of Southeast Asia s constitutional history The book is essential reading for those wishing to obtain a deeper understanding of the constitutional foundations of Southeast Asia

*Southeast Asia Views the United States* Ann Marie Murphy,2025-01-28 This book is a comprehensive study of Southeast Asian views of their respective countries foreign policies towards the United States The Southeast Asian contributors are all individuals who bridge both academia and foreign policy circles in their countries in Southeast Asia the Indo Pacific more broadly and globally There is a dearth of theoretically informed empirically rich literature on the foreign policies of Southeast Asian states This volume with eight chapters written by some of Southeast Asia s leading analysts is therefore important timely and fills a large gap in the literature

**Autonomy and Armed Separatism in South and Southeast Asia** Michelle Ann Miller,2012 Armed separatist insurgencies have created a real dilemma for many national governments of how much freedom to grant aggrieved minorities without releasing territorial sovereignty over the nation state This book examines different approaches that have been taken by seven states in South and Southeast Asia to try and resolve this dilemma through various offers of autonomy Providing new insights into the conditions under which autonomy arrangements exacerbate or alleviate the problem of armed separatism this comprehensive book includes in depth analysis of the circumstances that lead men and women to take up arms in an effort to remove themselves from the state s borders by creating their own independent polity

**Rule of Law Intermediaries** Kristina Simion,2021-05-06 Scholars puzzle over the conditions that make rule of law development in authoritarian settings successful In this significant contribution focusing on the decade of Myanmar s political transformation Kristina Simion explores rule of law assistance through the practice and experience of intermediaries their capital strategies and challenges How do intermediaries influence the field and the ways in which the rule of law is brokered transnationally And why do they matter Simion relates her research to law and sociology

to bring to light these neglected players focusing on who they are the influence they have their double agency and their crucial importance in establishing trust and translating rule of law Relying on rich empirical data collected in Myanmar the book shares the voices of the individuals that help to steer societal change within authoritarian confines This socio legal work offers some insights into why rule of law change in authoritarian settings often does not go expected ways one of the development field s long unresolved issues      *Subverting Empire* Will Jackson,Emily Manktelow,2015-07-15 Across their empire the British spoke ceaselessly of deviants of undesirables ne er do wells petit tyrants and rogues With obvious literary appeal these soon became stock figures This is the first study to take deviance seriously bringing together histories that reveal the complexity of a phenomenon that remains only dimly understood      New Answers to Old Questions Aaron Connelly,Shona Loong,2024-06-26 Outside Myanmar the 2021 coup d tat has often been portrayed as the end of a hopeful period for the country In this Adelphi book however Aaron Connelly and Shona Loong argue that the Aung San Suu Kyi government that preceded it was a false dawn unlikely to fulfil the international community s aspirations for a stable peaceful and strong Myanmar Instead the movement opposing the 2021 coup holds much greater promise despite the bloody conflict that dominates the news today Connelly and Loong survey three fundamental relationships that have shaped Myanmar before and after the coup between the military and the state between the majority Burmese and ethnic minorities and between Myanmar and the world to explain how opposition to the coup has shifted all of them in a more liberal pluralist and cosmopolitan direction      *Historical Dictionary of Human Rights* Jacques Fomerand,2014-02-18 This dictionary has more than 1000 cross referenced entries on terminology conventions treaties intergovernmental organizations in the United Nations family or regional bodies and the constantly expanding universe of non governmental organizations as well as some of the pioneers and defenders of human rights      **Religion and Conflict in South and Southeast Asia** Linell E. Cady,Sheldon W. Simon,2006-09-27 A major new contribution to comparative and multidisciplinary scholarship on the alignment of religion and violence in the contemporary world with a special focus on South and Southeast Asia Religion and Conflict in South and Southeast Asia shows how this region is the site of recent and emerging democracies a high degree of religious pluralism the largest Muslim populations in the world and several well organized terrorist groups making understanding of the dynamics of religious conflict and violence particularly urgent By bringing scholars from religious studies political science sociology anthropology and international relations into conversation with each other this volume brings much needed attention to the role of religion in fostering violence in the region and addresses strategies for its containment or resolution The dearth of other literature on the intersection of religion politics and violence in contemporary South and Southeast Asia makes the timing of this book particularly relevant This book will of great interest to advanced undergraduate and postgraduate students of Asian politics security studies and conflict studies      **Myanmar's Rohingya Genocide** Ronan Lee,2021-01-28 The genocide in Myanmar has drawn global attention as Nobel Peace Prize laureate Aung

San Suu Kyi appears to be presiding over human rights violations forced migrations and extra judicial killings on an enormous scale This unique study draws on thousands of hours of interviews and testimony from the Rohingya themselves to assess and outline the full scale of the disaster Casting new light on Rohingya identity history and culture this will be an essential contribution to the study of the Rohingya people and to the study of the early stages of genocide This book adds convincingly to the body of evidence that the government of Myanmar has enabled a genocide in Rakhine State and the surrounding areas

*Secrets and Power in Myanmar* Andrew Selth,2019-09-06 No external observer knows more about Myanmar s security and intelligence apparatus than Andrew Selth In this book he presents an account of the structure and functions of Myanmar s deep state along with a tale of personal ambition rivalry and ruthless power politics worthy of John Le Carre A thoroughly educative entertaining and intriguing read Professor Michael Wesley Dean College of Asia and the Pacific The Australian National University Andrew Selth has once again amply illustrated the depth and penetration of his study of Myanmar Burma and its institutions This work on the more recent aspects of the country s intelligence apparatus goes beyond a masterful and comprehensive analysis of the Burmese intelligence community and probes the social and institutional bases of the attitudes giving rise to that critical aspect of power We are once again in Dr Selth s debt This is required reading for serious observers of the Burmese scene David I Steinberg Distinguished Professor of Asian Studies Emeritus Georgetown University By lifting the lid on a pervasive yet secretive intelligence apparatus Andrew Selth makes an outstanding contribution to Myanmar Studies For scholars and practitioners alike this book provides an essential history of a security state that remains powerful even during the transition away from overt authoritarian rule Professor Ian Holliday Vice President Teaching and Learning The University of Hong Kong

*The History of Myanmar* William J. Topich,Keith A. Leitich,2013-01-09 This text provides a thorough examination of the history of Myanmar from Neolithic times to the present Myanmar has experienced a seemingly endless series of conquerors dating from prehistoric times through the reign of Kublai Khan s Mongol forces beginning in the late 1200s all the way through the modern era when it was subject to both British colonial control and invasion by the Japanese during World War II The History of Myanmar provides a detailed historical overview of the key people places and events in this often overlooked country s past and present It examines the history of Myanmar from Neolithic times to all of its ruling dynasties to the modern era in a chronological manner providing a contextual framework for the further exploration of its complex history This text pays special attention to the unique circumstances that led to the formation of the modern nation of Myanmar

**Extracting Natural Resources** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Human Rights and the Law,2009

[Colonizing Animals](#) Jonathan Saha,2021-11-11 A pathbreaking history of British imperialism in Myanmar from the early nineteenth century to 1942 populated by animals

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Making Enemies War And State Building In Burma full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Making Enemies War And State Building In Burma eBooks, including some popular titles.

## **FAQs About Making Enemies War And State Building In Burma Books**

**What is a Making Enemies War And State Building In Burma PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Making Enemies War And State Building In Burma PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Making Enemies War And State Building In Burma PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Making Enemies War And State Building In Burma PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Making Enemies War And State Building In Burma PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
