**Creating the Fictional Female Detective** Carla T. Kungl,2006-04-27 This study examines a number of previously overlooked or undervalued women detective fiction writers of the late 19th and early 20th centuries and traces their relationship to later women writers who shaped the future of the genre Dorothy Sayers Agatha Christie and Gladys Mitchell This work argues that their use of the female detective character served as a means through which they were able to establish their professional authority in the detective fiction genre Women writers employed a variety of narrative strategies to explore the tensions between society s underlying domestic ideology and women s entrance into the work force during this time period Creating female detectives and employing these narrative strategies helped women writers establish professional authority by providing them with ways of expressing their ability to write in this genre and adapting it as a vehicle for women s writing The study examines the critical importance of early female detectives Many critics and editors have dismissed these early detectives as conventional and trite ignoring the genre s rich variety Yet female fictional detectives appear as both paid

**Cinema after Fascism** S. Craig, 2010-07-19 Cinema After Fascism considers how postwar European films glance ambivalently backward from the postwar period to the fascist era and delves into issues of gender certainties and spectatorship In this period of film familiar structures of epistemology and historiography reappear as ghostly imprints on postwar celluloid and the remnants of fascist subjectivity walk the streets of postwar cities Through new perspectives on the films of Roberto Rossellini Billy Wilder Carol Reed Alain Resnais and Marguerite Duras this book examines the ways in which filmmakers acknowledge the fascist past Siobhan S Craig reveals that the attempts to reconfigure the idioms of cinema are never fully naturalized and remain highly precarious constructions

**Master & Madman** Nicolas Tracy, 2012-03-05 Anthony Lockwood's story is at the heart of the Georgian Navy though the man himself has never taken centre stage in its history His naval career described by himself as twenty five years incessant peregrination followed a somewhat erratic course but almost exactly spanned the period of the French wars and the War of 1812 Lockwood was commended for bravery in action against the French was present at the Spithead Mutiny shipwrecked and imprisoned in France appointed master attendant of the naval yard at Bridgetown Barbados during the year the slave trade was abolished and served as an hydrographer before beginning his three year marine survey of Nova Scotia and the Bay of Fundy Against the odds he managed to finesse a treasury appointment as Surveyor General of New Brunswick and became the right hand man of the Governor General Smyth Deeply ingrained in his character however was a democratic determination that was out of step with the authoritarian character of the Navy and the aristocratic one of New Brunswick His expectation of social justice verged on madness and when he finally succumbed to lunacy it was in the defence of democracy The turbulence of the times inspired Lockwood to stage a one man coup d'etat which ended with him being jailed and shipped back to London to live out his days as a pensioner and mental patient Truly a dramatic rise and a tragic fall
