Laine, Broderick Chow, 2021-08-19 *Sports Plays* is a volume about sports in the theatre and what it means to stage sports. The chapters in this volume examine sports plays through a range of critical and theoretical approaches that highlight central concerns and questions both for sports and for theatre. The plays cut across boundaries and genres from Broadway style musicals to dramas to experimental and developmental work. The chapters examine and trouble the conventions of staging sports as they open possibilities for considering larger social and cultural issues and debates. This broad range of perspectives make the volume a compelling resource for students and scholars of sport theatre and performance studies whose interests span feminism, sexuality, politics and race.

Transformations Sarah Ahmed, Jane Kilby, Celia Lury, Maureen McNeil, Maureen Mcneil, Beverley Skeggs, 2005-07-19 With contributions from some of the most important current feminist thinkers, *Transformations* traces both the shifts in thinking that have allowed feminism to arrive at its present point and the way that feminist agendas have progressed in line with wider social developments. A thorough reassessment of feminism's place in contemporary life, the authors engage in current debates as diverse as globalization, technoscience, embodiment and performativity, taking feminism in fresh directions, mapping new territory and suggesting alternative possibilities.

Passenger 19C Margo E. Siple, 2022-03-24 Margo Siple was a passenger in seat 19C on the infamous flight of United Airlines Flight 232, flying from Denver to Chicago on July 19, 1989. One hour and seven minutes into the flight, the number 2 engine on the DC 10 exploded, causing complete hydraulic failure. Hydraulics in an aircraft are like the blood in your body; they are essential to have in order to stay alive and function. After forty minutes of trying to fly an uncontrollable jumbo jet using just manual engine thrust, the cockpit crew maneuvered the aircraft to within inches of a possible landing in Sioux City, Iowa. It was not to be. At the last minute, the plane slammed into the runway, then cartwheeling as it was engulfed in flames, it seemed to explode with large pieces of the aircraft breaking off and being strewn along the runway. The cockpit and the tail section of the aircraft had completely separated from the main fuselage, while part of the main fuselage continued to tumble and travel at least 3-4 miles before coming to a stop upside down in the cornfield. With 296 souls on board, which included the flight crew, Margo was one of a very few who survived the crash without a scratch, while others were horribly injured or perished. *Passenger 19C* is the story of Margo Siple's experience on the crippled aircraft, her survival, and the aftermath that changed her life, as well as other significant events that happened to her before and after the airline crash, in which the adversity she faced challenged her and her faith numerous times. It is a book about surviving the multitude of adversities that we are all faced with during our lives, so that we can apply our life lessons to each and every day that we are blessed with. There was no other person in Margo's shoes on Flight 232 in seat 19C, just as there is no other person in the world that can tell your personal story. We are all significant and unique. 158
