## **Making New Discoveries Bible Study:**

**Making New Discoveries** Charles R. Swindoll, Gary Matlack, 1995      *Emerging Gospel Movements* Gene Wilson, 2021-12-17 In this book Wilson gives a thoroughly biblical foundation for gospel movements. He takes us back to the New Testament and walks us through examples from missions history. He compares different types of gospel movements and demonstrates that at their core gospel movements make mature and multiply disciples. They are found not only in Africa and Asia but also in Europe, the Americas, and throughout the world. Based on twenty years of experience, Wilson gives practical principles and real life stories that will help church planting catalysts maximize their effectiveness as they come alongside emerging movements around the world. He shares the collective wisdom of national movement leaders and missionary catalysts to help us engage and assist developing movements without doing harm. This book offers a realistic portrayal of the challenges and sacrifices involved in launching gospel movements and constructive pathways to strengthen their growth. With insights from this book, movement leaders and external catalysts can contribute synergistically according to the stage of the movement: pioneer, penetration, local multiplication, regional organization, or global participation. Humble facilitators who embrace biblical priorities and best practices will play a constructive role. Read this book prayerfully, considering how God can use you to add value to a gospel movement.

*Accessing the Scriptures* John Pennington, 2017-04-07 John Pennington is a retired Oklahoma music educator. Performing as a professional musician, he was a member of the Oklahoma City Symphony and the Oklahoma City Lyric Theater Orchestra. Following his teaching years, he owned and operated retail music stores in New Mexico. Retiring a second time, John became active in the Community Bible Study Chapter in Albuquerque, where he and his wife Mary chaired a couples class. He served as an assistant teaching director for the Community Bible Study in Murrieta, California. Relocating to North Texas in 2005, the couple established residential Bible study groups in two HOA communities, which continue to the present. John began writing Bible studies upon relocating in North Texas. His studies generally avoid topical subjects, focusing more on front-to-back studies of each book of the Bible. The simplicity of the studies are instrumental in ensuring attendees to return year after year. While in California, John became involved with choral music and served as conductor of the Colony Chorale in Murrieta, California. He has served as a church choir director in McKinney, Texas, and is currently an active member of the Stonebriar Community Church Sanctuary Choir of Frisco, Texas.
