Marianne Moore A Descriptive Bibliography

Gale, Cengage Learning

Marianne Moore A Descriptive Bibliography:

Marianne Moore Craig S. Abbott, 1977 **Marianne Moore, Subversive Modernist** Taffy Martin, 2014-08-27 Myth and misconception have obstructed a clear understanding of the poetry and person of Marianne Moore In this groundbreaking study Taffy Martin delves beneath the layers of myth and recaptures the excitement that Moore's contemporaries particularly William Carlos Williams felt when they encountered her poetry She reveals that far from being a staunch upholder of Modernist order and stasis Moore continually undermines the stability of her own medium language Unlike the writings of other Modernist poets such as T S Eliot who tried to create islands of order in the seas of twentieth century fragmentation Moore's work shows surprising awareness of that fragmentation In this way she anticipates the thematic preoccupation of Postmodernist writers and critics In *Marianne Moore Subversive Modernist* Taffy Martin combines traditional scholarship and contemporary critical theory to create a feminist reading of one of the twentieth century's most difficult poets In so doing she places Moore in the tradition of Modernism defines Moore's quarrels with it and thus produces a broader understanding of both the poet and the movement Drawing on Moore's unpublished correspondence her reading notebooks and her workbooks as well as feminist criticism's attention to writers who elude traditional critical approaches this excellent study provides much needed insights into the Modernism life and art of Marianne Moore *Critics and Poets on Marianne Moore* Linda Leavell, Cristanne Miller, Robin G. Schulze, 2005 The first collection of essays about Marianne Moore to appear in fifteen years this book brings together the work of well established Moore scholars such as Patricia C Willis Elizabeth Gregory Cristanne Miller Linda Leavell and Robin G Schulze with that of new contributors to the field The essays in this volume written from a variety of international perspectives range across the most pressing concerns of contemporary literary study and reassert Moore's centrality to a critical and poetic field in which she has been surprisingly marginalized This book also includes poems written by contemporary poets many of them significant contributors to scholarship on Moore as a way of acknowledging the importance of Moore's verse to living writers The poems compliment the scholarly essays by demonstrating in verse the important ways in which Moore's artistic achievements have stimulated her successors *A Study Guide for Marianne Moore's "Poetry"* Gale, Cengage Learning, 2016 A Study Guide for Marianne Moore's Poetry excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **Twenty-First Century Marianne Moore** Elizabeth Gregory, Stacy Carson Hubbard, 2017-12-07 This collection represents a new range of critical awareness and marks the burgeoning of what is a twenty first century Marianne Moore renaissance The essays explore Moore's participation in modernist movements and communities her impact on subsequent generations of artists and the dynamics of her largely disregarded post World War II career At the same time they track the intersection of the evolution of her poetics with

cultural politics across her career Drawing on fresh perspectives from previously unknown biographical material and new editions and archives of Moore s work the essays offer particularly interesting insights on Moore s relationships and her late career role as a culture icon

An Introduction to Bibliographical and Textual Studies Craig S. Abbott, William Proctor Williams, 2014-08-01 To a reader of Joyce s *Ulysses* it makes a difference whether one of Stephen Dedalus s first thoughts is No mother as in the printed version or No mother as in the manuscript The scholarship surrounding such textual differences and why this discipline should concern readers and literary scholars alike is the focus of William Proctor Williams and Craig S Abbott s acclaimed handbook This updated fourth edition outlines the study of texts composition revision physical embodiments process of transmission and manner of reception describes how new technologies such as digital imaging and electronic tagging have changed the way we produce read preserve and research texts discusses why these matters are central to a historical understanding of literature and shows how the insights methods and products of bibliographical and textual studies can be applied to other branches of scholarship

A Study Guide for Marianne Moore's "The Fish" Gale, Cengage Learning, 2016

Poetry in the Museums of Modernism Catherine E. Paul, 2002 How modernist writers experienced the Louvre the British Museum and the Museum of Natural History and how these museums influenced their writing

The Undergraduate's Companion to American Writers and Their Web Sites Larry G. Hinman, 2000-12-15 An outstanding research guide for undergraduate students of American literature this best selling book is essential when it comes to researching American authors Bracken and Hinman identify and describe the best and most current sources both in print and online for nearly 300 American writers whose works are included in the most frequently used literary anthologies Students will know exactly what information is available and where to find it

Modernism Lawrence Rainey, 2005-07-15 *Modernism* An Anthology is the most comprehensive anthology of Anglo American modernism ever to be published Ample represents the giants of modernism James Joyce Gertrude Stein Virginia Woolf T S Eliot Ezra Pound Wallace Stevens Marianne Moore Samuel Beckett Includes a generous selection of Continental texts enabling readers to trace modernism s dialogue with the Futurists the Dadaists the Surrealists and the Frankfurt School Supported by helpful annotations and an extensive bibliography Allows readers to encounter anew the extraordinary revolution in language that transformed the aesthetics of the modern world

Collected Books ALLEN OSB; AHEARN AHEARN (PATRICIA.), Patricia Ahearn, 2013-02 An introduction to and advice on book collecting with a glossary of terms and tips on how to identify first editions and estimated values for over 20 000 collectible books published in English including translations over the last three centuries about half are literary titles in the broadest sense novels poetry plays mysteries science fiction and children s books and the other half are non fiction Americana travel and exploration finance cookbooks color plate medicine science photography Mormonism sports et al

The Cambridge Companion to the History of the Book Leslie Howsam, 2015 An accessible and wide ranging study of the history of the book within local national and global contexts

Apparition of Splendor

Elizabeth Gregory,2021-08-13 While the later work of the great Modernist poet Marianne Moore was hugely popular during her final two decades since her death critics have condemned it as trivial This book challenges that assessment with fresh readings of many of the late poems and of the iconic cross dressing public persona Moore developed to deliver them Apparition of Splendor demonstrates that Moore used her late life celebrity in daring and innovative ways to activate egalitarian principles that had long animated her poetry Dressed as George Washington in cape and tricorne and writing about accessible topics like sports TV shows holidays love activism mortality and celebrity itself she reached a wide cross section of Americans encouraging them to consider what democracy means in their daily lives particularly around issues of gender sexuality racial integration class age and immigration Moore actively sought out publication in popular venues like Vogue The New Yorker and the Saturday Evening Post etc and wrote on material chosen to directly appeal to the audiences there influencing younger contemporaries including poets like Ashbery O'Hara and Bishop and artists like Warhol Yoko Ono and Ray Johnson Published by the University of Delaware Press Distributed worldwide by Rutgers University Press

American Women Poets, 1650-1950 Harold Bloom,2002 Attempts to look at the literary tradition of American women poets and their place in the history of modern literature *The Cambridge History of American Poetry* Alfred

Bendixen,Stephen Burt,2014-10-27 The Cambridge History of American Poetry offers a comprehensive exploration of the development of American poetic traditions from their beginnings until the end of the twentieth century Bringing together the insights of fifty distinguished scholars this literary history emphasizes the complex roles that poetry has played in American cultural and intellectual life detailing the variety of ways in which both public and private forms of poetry have met the needs of different communities at different times The Cambridge History of American Poetry recognizes the existence of multiple traditions and a dramatically fluid canon providing current perspectives on both major authors and a number of representative figures whose work embodies the diversity of America's democratic traditions **Modern Book Collecting**

Robert A. Wilson,2010-11-01 Modern Book Collecting offers advice that answers all the basic questions a book lover and collector might have what to collect and where to find it how to tell a first edition from a reprint how to build an author collection how to get the best price from dealers how to understand the prices and rarity of books and more With a handy dictionary of terms used in auction and dealer catalogs and a new section on Internet resources this is a must have guide for book lovers *Omissions are Not Accidents* Jeanne Heuving,1992 Argues that even though gender is not the central theme in the work of American writer Moore 1887-1972 a consideration of how gender structures her poetry allows a better appreciation of its aesthetic achievement Draws from her entire poetic career and from unpublished letters notebooks and prose Annotation copyrighted by Book News Inc Portland OR *American Women Writers* Maurice Duke,Jackson R.

Bryer,M. Thomas Inge,1983-03-28 Product information not available **Gilbert Sorrentino** William McPherson,1991 The trajectory of Gilbert Sorrentino's literary life can be tracked in this bibliography from his first short story in a 1956 issue of

his college literary magazine through his involvement with the New York publishing scene in the 1960s and 1970s and finally into the 1980s and early 1990 when his work as at the beginning once again is being published by small presses The bibliography treats writings both by and about Sorrentino uniting in one volume exhaustive descriptive analyses of primary works with annotated treatment of secondary sources It thereby serves the needs not only of scholars and collectors interested in the physical production of Sorrentino s books but also of literary critics concerned with matters of reception and interpretation

Modernist Literary Collaborations Between Women and Men Russell McDonald, 2022-10-27 This book examines literary collaborations between women and men revealing how deeply imbued and valuable gender conflict was in modernism
