Marilyn Monroe And The Making Of Niagara:

Marilyn Monroe and the Making of "Niagara" George Bailey, 1998 **Marilyn Monroe** Michelle

Morgan, 2012-08-30 For the first time in paperback this valuable biography by the president of Marilyn Monroe's UK fan club contains the most comprehensive collection of primary source material on Marilyn Monroe covering all stages of her life. It includes seventy rare and unpublished photographs. They include locations from various periods of her life: the schools she attended as Norma Jeane, the ballroom where she danced with first husband Jim Dougherty, the street where Marilyn claimed she was attacked by an intruder, and candid shots of her on the sets of films. Morgan has also interviewed every single person accessible who knew or was related to Marilyn in any way, including the main players in her life as well as work colleagues and more casual acquaintances. More than fifty interviewees are featured, many who've never gone on the record before, including contacts from her orphaned childhood and early years, details of which until now have remained mysterious. Documentary sources range from the private testimony of her gynecologist to the previously undisclosed Laurence Olivier papers relating to Marilyn's time in England. Following a series of sensationalist biographies of Marilyn Monroe in recent years, this comprehensive, meticulously researched volume brings an important, fresh perspective to the many controversies in her life and will serve as an essential sourcebook of documentary and photographic evidence. *North American*

All of these remarkable people have in one way or another crossed paths with the magnificent Monroe. The entries in this volume, with source listings for further reading and research, confirm the fact that Marilyn Monroe remains a

figure of enduring fascination five decades after her death **Marilyn Monroe** Michelle Vogel, 2014-04-16 This book is essentially a filmography interlaced with a complex biographical account of Marilyn Monroe's life and loves throughout her career. A lengthy introduction explains her traumatic early life and mysterious unexpected death. Behind the scenes information, cast and crew lists, box office grosses, and photographs are given for each film. There is a Foreword by Academy Award winning actor West Side Story George Chakiris who worked as a chorus dancer in two of Monroe's biggest productions *Gentlemen Prefer Blondes* 1953 and *There's No Business Like Show Business* 1954. This is a definitive summation of the Hollywood icon's career **American History as Seen Through Currency** Joanne C. Dauer, Edward A. Dauer, 2002 **The Many Lives of Marilyn Monroe** Sarah Churchwell, 2005-12-27 A brilliant investigation into the debates surrounding Marilyn Monroe's life and the cultural attitudes that her legend reveals. There are many Marilyn's: sex goddess and innocent child, crafty manipulator and dumb blonde, liberated woman and tragic loner. Indeed, the writing and rewriting of this endlessly intriguing icon's life has produced more than six hundred books from the long procession of authoritative biographies to the memoirs and plays by ex-husband Arthur Miller and the works by Norman Mailer and Joyce Carol Oates. But even as the books have multiplied, myth, reality, fact, fiction, and gossip have become only more intertwined; there is still no agreement about such fundamental questions as Marilyn's given name, the identity of her father, whether she was molested as a child, and how and why she died. *The Many Lives of Marilyn Monroe* reviews the unreliable and unverifiable but highly significant stories that have framed the greatest Hollywood legend. All the while, cultural critic Sarah Churchwell reveals us to ourselves: our conflicted views on women, our tormented sexual attitudes, our ambivalence about success, our fascination with self-destruction. In incisive and passionate prose, Churchwell uncovers the shame, belittlement, and anxiety that we bring to the story of a woman we supposedly adore. In the process, she rescues a Marilyn Monroe who is far more complicated and credible than the one we think we know **Marilyn Monroe** Carl Rollyson, 2014-06-04 In American popular culture, Marilyn Monroe (1926-1962) has evolved in stature from movie superstar to American icon. Monroe's own understanding of her place in the American imagination and her effort to perfect her talent as an actress are explored with great sensitivity in Carl Rollyson's engaging narrative. He shows how movies became crucial events in the shaping of Monroe's identity. He regards her enduring gifts as a creative artist, discussing how her smaller roles in *The Asphalt Jungle* and *All About Eve* established the context for her career, while in-depth chapters on her more important roles in *Bus Stop*, *Some Like It Hot*, and *The Misfits* provide the centerpiece of his examination of her life and career. Through extensive interviews with many of Monroe's colleagues, close friends, and other biographers, and a careful rethinking of the literature written about her, Rollyson is able to describe her use of Method acting and her studies with Michael Chekhov and Lee Strasberg, head of the Actors Studio in New York. The author also analyzes several of Monroe's own drawings, diary notes, and letters that have recently become available. With over thirty black and white photographs, some published for the first time, a

Hollywood and the Female Body Stephen Handzo,2020-01-17 From the first brief moving images of female nudes in the 1880s to the present the motion picture camera made the female body a battleground in what we now call the culture wars Churchmen feared the excitation of male lust feminists decried the idealization of a body type that devalued the majority of women This history of Hollywood s treatment of women s bodies traces the full span of the motion picture era Primitive peepshow images of burlesque dancers gave way to the artistic nudity of the 1910s when model Audrey Munson and swimmer Annette Kellerman contended for the title of American Venus Clara Bow personified the qualified sexual freedom of the 1920s flapper Jean Harlow Mae West and the scantily clad chorus girls of the early 1930s provoked the Legion of Decency to demand the creation of a Production Code Administration that turned saucy Betty Boop into a housewife Things loosened up during World War II when Betty Grable and Rita Hayworth ruled the screen The postwar years saw the blonde bombshells and mammary madness of the 1950s while the 1960 s brought bikini clad sex kittens With the replacement of the Production Code by a ratings system in 1968 nudity and sex scenes proliferated in the R rated movies of

the 1970s and 1980s Recent movies often directed by women have pointed the way toward a more egalitarian future Finally the MeToo movement and the fall of Harvey Weinstein have forced the industry to confront its own sexism Each chapter of this book situates movies famous and obscure into the context of changes in the movie industry and the larger society
