I'm so many people They shock me sometimes I wish I was just me Marilyn Monroe Nearly sixty years after her death Marilyn Monroe remains an icon whom everyone loves but no one really knows The conversations gathered here spanning her emergence on the Hollywood scene to just days before her death at age 36 show Monroe at her sharpest and most insightful on the thorny topics of ambition fame femininity desire and more Together with an introduction by Sady Doyle these pieces reveal yet another Marilyn not the tragic heroine she's become in the popular imagination but a righteously and justifiably angry figure breaking free of the limitations the world forced on her **Anais Nin: The Last Days, a Memoir** Barbara Kraft, 2011-11-15 I have chosen to reveal the intimacies of Anais Nin's last days as I witnessed them so that the story of her death is not lost Everything comes back in the mind's eye Everything comes back in the crucible of the heart She remains in my psyche all these years later as the most refined and rarified human being I have ever encountered Thus begins Barbara

Kraft's memoir *Anais Nin The Last Days* With her sometimes loving and sometimes raw prose Kraft has done what no biographer no scholar no film could do capture the humanity mortality and essence of one of the twentieth century's most celebrated and yet mysterious literary figures Anais Nin noted for her diaries and erotica was at the height of her fame when she took on Barbara Kraft as a writing student Quickly the two became intimate friends at the moment when both would encounter tragedy Kraft's impending cataclysmic divorce and Nin's terminal cancer The circumstances created an environment of interdependency Nin despite her failing health supported Kraft's writing and life decisions and Kraft became a devoted and untiring part of Nin's support system during her last two years of life And as Kraft observes Illness is the great leveler from which none of us is immune It flushes out all the old buried truths and puts us in touch with the essential meaning of things There is no time no energy for masks veils labyrinths interior cities or multiple hearts Death hovered over her the one reality that Ana's could not transcend or transmute or transform or levitate with the magic of words It was a reality she met with a dignity that tore at the heart of all of us who knew her and were close to her Because of the overwhelming reality of cancer Anais Nin was stripped down to her bare essence which Kraft captures expertly She poignantly records not only Nin's stubborn grip on life but also the heroic efforts that Rupert Pole Nin's west coast lover made to shield her from the inevitable pain agony and humiliation associated with the disease It is a monumental tribute to not only those fighting for their lives but also the forgotten ones the caregivers The very personal events in this book can be appreciated by anyone who has gone through terminal disease or know someone who has So like Nin herself the raw reality of Anais Nin *The Last Days* becomes symbolic mythical and universally inspirational

**Thoughts From Yesterday** Glen Thomas Hierlmeier,2013-01-24 My life has been so rich owing to the people who I have been blessed to know who have provided the substance to write about and I have been in so many wonderful places Once I capture a theme I mull it over for days or weeks and months sometimes years I may write several drafts in my mind before I write a single word Sometimes the first writing of a story will come out in more or less final draft form I tend to be very serious in my writing I choose serious subjects then I try to honor my commitment that a good story should make you laugh and cry and relate to the people places and things in the story Unfortunately there is often much more crying than laughing I'll keep working on that You should know that I have cried first As I write I relive my stories there are some I have read many times and I have cried over them every time as much the last as the first As my subtitle relates this is an unfinished work There are many more stories and essays letters poems and such that I still have in mind to write I hope to get to many more of them so we can share the special people places and things of our lives I have

been encouraged to go ahead with what I have knowing that I will keep writing and keep crying and laughing some too
