Celebrities and Movie Stars Death Bible Code, Vol. 3 - Their Deaths by Accidents, Murders, Overdoses, and Suicides. Steve

Canada,2014-06-10 Celebrities and movie stars like everyone else die from a variety of causes including diseases Vol 1 of this book and cancers Vol 2 of this book When we ask if such causes of death are found encoded in the Torah along with the encoded names of who died from them we find them all close together in one Torah Matrix from Gen 1 1 to 1 Samuel 10 17 For those uninitiated into the Bible Code mystery this might sound outlandish and impossible but viewing the many Torah Matrices in this book labeled clearly in black and white as secretly encoded facts staring us in the face might give pause to even the biggest skeptic Volume 3 of this book shows the Torah Bible Code Matrices of celebrities and movie stars deaths by accidents murders overdoses and suicides their names found encoded in the larger Torah some with the year and location of their death as another e book through Author House in mid 2014 Fatal accidents found encoded here range from skiing car crash drowning plane crash and fire Their murders are also discovered hidden in the secretly encoded word of Yahweh along with their troubling overdoses of various drugs and their tragic suicides An attempt is made to put the Bible Code mystery in the context of meaning in the authors Conclusion Bible Code application and method are explained in the Preface

Introduction and Addendum 1 In memoriam two original poems by the author are shown in the Epilogue his poems have appeared in literary journals in 5 countries over forty years Even though there are only about 50 or fewer personalities identified by name in each of these three volumes and shown encoded with how and where they died each Volume could be expanded to hold many thousands of names and pages one name per page of Matrix revealing those Torah held secrets hidden for about 3400 years and revealed here to the world for the first time in recorded history

Marilyn Monroe: a Case for Murder Jay Margolis,2011-08-03 It is one of the greatest mysteries of the twentieth century How did Marilyn Monroe die Although no pills were found in her stomach during the autopsy it was still documented in the Los Angeles coroner s report that she had swallowed sixty four sleeping pills prior to her demise In Marilyn Monroe A Case for Murder biographer Jay Margolis presents the most thorough investigation of Marilyn Monroe s death to date and shares how he reached the definitive conclusion that she was murdered Margolis meticulously dissects the events leading up to her death revealing a major conspiracy and countless lies In an exclusive interview with actress Jane Russell three months before her

death he reveals Russell's belief that Monroe was murdered and points the finger at the man she held responsible. While examining the actions of Peter Lawford, Bobby Kennedy, and Monroe's psychiatrist Dr. Ralph Greenston, Margolis establishes a timeline of her last day alive that leads to shocking revelations. In August 1962, Marilyn Monroe's lifeless body was found on her bed, leaving all to wonder what really happened to the beautiful young starlet. Marilyn Monroe: A Case for Murder provides a fascinating examination of one of the most puzzling deaths of all time. **Unsolved Celebrity Mysteries** David Southwell, Sean Twist, 2007-12-15 Examines celebrity mysteries including the deaths of Princess Di and Marilyn Monroe.

Event Code Uncovered Steve Canada, 2015-06-05 Death rears its ugly head everywhere and at all times in all sorts of situations and under many kinds of circumstances and for a myriad of reasons affecting people in surprising ways but eventually coming for everyone no matter their station in life. But why do we find their demises encoded in the Five Books of Moses? What is it about a sacred text of 304,805 Hebrew letters that enables it to hold the whole history of humankind and encoded within it the specific circumstances under which particular people have died or are going to die? Connected to the types of events listed in this book are found the names of those who died in instances of those particular events except in part 6 where only the historical political facts are found encoded since the deaths of those named were not searched for in the Torah but might be in a future book. The Jewish people gave the world the Eternal Book of Books, the original text of which the Torah is used here to explore some of what might be hidden in it. The Bible Codes Plus computer program used also contains the original text of the larger Tanach Books outside the Five Books of Moses which also can be searched for hidden encoded names and terms. The Tanach is made of the Torah, the Navi, the Prophets, and Chetuvim Writings, all making up the Hebrew Bible, what Christians call the Old Testament. **Убийство Мэрилин Монро: дело закрыто** Джей Марголис, Ричард Баскин, 2017-10-25 XX Proceedings, 2009 *The Publishers Weekly*, 2004 **New Books on Women and Feminism**, 2005 *The Bisexual's Guide to the Universe* Nicole Kristal, 2006 Organised by experience level: beginner, intermediate, and advanced.
