The Spy Who Loved Castro Marita Lorenz,2017-03-02

Few can say they ve seen some of the most significant moments of the twentieth century unravel before their eyes Marita Lorenz is one of them Born in Germany at the outbreak of WWII Marita was incarcerated in a Nazi concentration camp as a child In 1959 she travelled to Cuba where she met and fell in love with Fidel Castro Yet upon fleeing to America she was recruited by the CIA to assassinate the Fidel Torn by love and loyalty she failed to slip him the lethal pills Her life would take many more twists and turns including having a child with ex dictator of Venezuela Marcos P rez Jim nez testifying about the John G Kennedy assassination and becoming a party girl for the New York Mafia as well as a police informant Caught up in Cold War intrigue espionage and conspiracy this is Marita s incredible true story of a young girl turned spy *The Road to Dallas* David Kaiser,2008-03-31 Neither a random event nor the act of a lone madman the assassination of President John F Kennedy was an appalling and grisly conspiracy This is the unvarnished story With deft investigative skill David Kaiser shows that the events of November 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the U S government s campaign against organized crime which began in the late 1950s and accelerated dramatically under Robert Kennedy and the furtive quest of two administrations along with a cadre of private interest groups to eliminate Fidel Castro The seeds of conspiracy go back to the Eisenhower administration which recruited top mobsters in a series of plots to assassinate the Cuban leader The CIA created a secretive environment in which illicit networks were allowed to expand in dangerous directions The agency s links with the Mafia continued in the Kennedy administration although the President and his closest advisors engaged in their own efforts to overthrow Castro thought this skullduggery had ended Meanwhile Cuban exiles right wing businessmen and hard line anti Communists established ties with virtually anyone deemed capable of taking out the Cuban premier Inevitably those ties included the mob The conspiracy to kill JFK took shape in response to Robert Kennedy s relentless attacks on organized crime legal vendettas that often went well beyond the normal practices of law enforcement Pushed to the wall mob leaders merely had to look to the networks already in place for a

solution They found it in Lee Harvey Oswald the ideal character to enact their desperate revenge against the Kennedys Comprehensive detailed and informed by original sources The Road to Dallas adds surprising new material to every aspect of the case It brings to light the complete frequently shocking story of the JFK assassination and its aftermath Guerrilla Prince Georgie Anne Geyer,2001 Syndicated journalist Georgie Anne Geyer calls on her nearly 40 years of experience covering Latin America to create an extraordinary biography that reveals the untold story of Fidel Castro revolutionary and demagogue Based on hundreds of interviews and unique sources including four extensive personal interviews with Castro Guerrilla Prince is an intimate and revealing portrait charged with all the electricity of the charismatic leader In this updated edition Ms Geyer presents new insights and addresses the changes since the 1991 release of Guerrilla Prince in hardcover the collapse of the Soviet Union the internal unrest and the growing anticipation of a post Castro Cuba **Celia Sánchez** Richard Haney,2005 Fearless and brilliant Celia Sanchez was the dynamo whose Revolution took off while Castro was sweating in prison Her friends share memories and her own letters to describe her strategies her relationship with Fidel Castro and her communications with Washington and Moscow *The Last Investigation* Gaeton Fonzi,2018-10-16 A shocking expos looking into the failure of our government to investigate the assassination of a president Now featuring a foreword from New York Times bestselling author Dick Russell Gaeton Fonzi s masterful retelling of his work investigating the Kennedy assassination for two congressional committees is required reading for students of the assassination and the subsequent failure of the government to solve the crime His book is a compelling postmortem on the House Select Committee on Assassinations as well as a riveting account of Fonzi s pursuit of leads indicating involvement in the assassination by officers of the Central Intelligence Agency First published in 1993 and now with a new foreword by Dick Russell New York Times bestselling author of *They Killed Our President* and *63 Documents the Government Doesn t Want You to Read* Fonzi s *The Last Investigation* was a landmark book upon its release More than merely an indictment of the Committee s work *The Last Investigation* tells the story of the important leads Fonzi developed as an investigator which sent him into the milieu of Kennedy haters among anti Castro exiles and CIA officers In this highly readable book the author follows the trail to formerly obscure CIA officers such as David Atlee Phillips and David Morales New records declassified under the JFK Records Act have only added to the dark questions raised here **Drugging America** Rodney Stich,2007 Former federal agent Stich in collaboration with dozens of other insiders reveals corruption that is undermining like a Trojan horse the government and the people of the United States Also contributing to the books contents are police officers Mafia family members and former drug traffickers and smugglers *Marita* Marita Lorenz,Ted Schwarz,1993 A biography of Marita Lorenz mistress of both Fidel Castro and the Venezuelan dictator Marcos Jimenez It describes how she worked for the CIA for 25 years including how she was recruited by the agency to kill Castro a task from which she drew back at the very last moment **Who Really Killed Kennedy?** Jerome Corsi,2021-04-12 Almost nothing gives rise to more national intrigue than the murder of an American

president And on November 22 2013 the nation remembered the 50th anniversary of one of the most traumatic events in modern American history the assassination of President John F Kennedy From day one the truth behind JFK s assassination has been mired in controversy and dispute The Warren Commission established just seven days after Kennedy s death delved into the who what when and where of the tragedy and over the course of the following year compiled an 889 page report that arrived at the now widely contested conclusion Lee Harvey Oswald was the sole assassin In Who Really Killed Kennedy No 1 New York Times best selling author Jerome R Corsi Ph D provides readers with the ultimate JFK assassination theory book
