Children and Methods Kristine Henriksen Garroway, John W. Martens, 2020-01-29 In Children and Methods Listening To and Learning From Children in the Biblical World Kristine Henriksen Garroway and John W Martens bring together an interdisciplinary collection of essays addressing children in the Hebrew Bible New Testament and broader ancient world While the study of children has been on the rise in a number of fields the methodologies by which we listen to and learn from children in ancient Judaism and Christianity have not been critically examined This collection of

essays proposes that while the various lenses of established methods of higher criticism offer insight into the lives of children by filtering these methods through the new field of Childist Criticism children can be heard and seen in a new light Kids and Kingdom James Murphy, 2013-09-10 Kids and Kingdom challenges the traditional view that Jesus was deeply concerned over children Instead it is argued that despite the Synoptic authors attempts to convince us that children are fully included in the kingdom of God that Jesus loves the little children their presentations fail to conceal images of household disruption and alienation of children brought about by Jesus eschatological movement After establishing what Greco Roman and Jewish sources reveal about children by the end of the first century a deconstructive literary approach is applied to the Synoptic Gospels foregrounding children over other characters in relation to Jesus adult ministry Murphy scrutinizes prominent healing narratives involving children and teachings involving children such as The Child in the Midst Mark 9 36 37 and parallels One of These Little Ones Mark 9 42 and parallels and Let the Young Children Come to Me Mark 10 13 16 and parallels These are examined against sayings of Jesus relativizing family ties and the lifestyle indicative of the radical call to discipleship in the Synoptic narratives Fundamentally this study does not seek to resolve but to highlight the tensions in the Synoptic Gospels between attempts at child inclusivity and the radical demands of discipleship **Grow Up in Christ** David C Cook, 2018-05-04 These lessons help kids understand how they can grow up in Christ by searching for and finding God s goodness discovering ways to show Christ s love and telling about their hope in Jesus A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year from age 8 to 12 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children s church youth group kids club and midweek Bible study programs **The New International Lesson Annual 2015 - 2016** Nan Duerling, 2015-05-19 Years of reader evaluations yield a record of overwhelming positive teaching results Teachers agree that The New International Lesson Annual gets highest marks for helping Christian educators in the classroom making Scripture understood relating Scripture to contemporary living and challenging students to respond with positive actions Based on the Bible study foundations of America s leading ecumenical Bible educators and editors in the venerable Committee on Uniform Series Lessons for a full year include analysis by leading scholars four quarterly Bible background articles a Teacher Helps article and helps put faith into action The annual uses CEB and NRSV text *Mere Ecclesiology* J.
