ORDERLINESS AND DISORDERLINESS GODSWORD GODSWILL ONU, 2015-04 Orderliness refers to the fact of having a regular proper and systematic arrangement It is the quality of being in a good order Orderliness is being in an ordered manner An orderly thing can be by virtue of being methodical and well organized God likes and cherishes orderliness and doing things orderly The Word of God says Let all things be done decently and in order 1 Cor 14 40 In manner behaviour and actions orderliness has to do with obedience to the Word of God Disobedience is disorderliness When God sent King Saul on a mission to annihilate the Amalekites and their livestock he obeyed but his obedience was partial obedience which God counted as disobedience And his story is a pathetic story because he might have done what he did with good intentions But what is good in disobeying God s Word Command and Instructions He was disorderly and disobedient before the Almighty There should be orderliness in the church in the family in the society etc

*The Trinity in the New Testament* Arthur W. Wainwright,2001-08-13 It is often said that the doctrine of the Trinity was implicit in the religion of the New Testament Christians but only received theological formulation when their successors reflected on the faith by which they were living Mr Wainwright sets out to discover how far the writers of the New Testament were conscious of the problem involved in their faith which led to the working out of the doctrine by their successors His conclusion based upon a meticulous examination of the evidence is that although they made no formal statement of the doctrine the problem was present in their minds and that they were seeking to answer it So in so far as doctrine is an answer to a problem the doctrine of the Trinity emerges in the New Testament and is far from being a speculation inessential to the Christian message      *The United Methodist Music & Worship Planner 2020-2021 NRSV Edition* Mary Scifres,David L.
