Mark Evangelist And Theologian:

Mark, Evangelist and Theologian Ralph P. Martin,1973 **Mark** Ralph P. Martin,1979 Mark Ralph Philip Martin,1979 *Mark* Ralph P. Martin,L. A. Losie,1976 **A Theology of the New Testament** George Eldon Ladd,1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

Mark, a Pauline Theologian Mar Pérez I Diaz,2020-07-27 Is the wide range of indications in the Gospel of Mark for the influence of Pauline theology the fruit of chance or rather of the will of the Evangelist to unify his work with the thought of the Apostle Paul In this study Mar Pérez I Diaz argues that Mark rather than being a disciple of Peter who puts in writing what he remembers from his preaching is a theological disciple of Paul **Mark** Francis J. Moloney,2004-01-01 The earliest and briefest of the four Gospels has traditionally been ascribed to a disciple named Mark In some ages it been overshadowed by its lengthier neighbors in the New Testament but its pages hold rich rewards for those who ask the right questions Who was Mark and what were his purposes historical theological or otherwise How does he shape his story of Jesus and what interpretation of the origins of Christianity does that shaping reveal More particularly what is his understanding of his central character Jesus of Nazareth And finally what abiding value does his story hold for those who read this good news as a key part of the charter of the Christian church in its life today Seminarians other graduate students and advanced undergraduates pastors and other readers seeking an introduction to the Gospel of Mark through the lens of sensitive literary historical and theological scholarship need look no further In *Mark Storyteller Interpreter Evangelist* Francis J Moloney offers the fruits of top level biblical scholarship in a broadly accessible format Students and professors alike will appreciate and profit from his fresh and lucid presentation of the message of one of the Christian faith's earliest and most enigmatic proponents and the inventor of its most revered literary genre **The Theology of the Gospel of Mark** William Telford,1999-06-17 This 1999 book presents the reader with a comprehensive view of the theology underlying the first narrative account of the life of Jesus In Chapter 1 Dr Telford introduces the background of the text and its general message attempting briefly to place the Gospel and therefore its theology in its historical setting In the second chapter he describes and analyses the Gospel's theology again from an historical perspective and with particular regard to its original context In the third chapter Telford goes on to examine the Gospel in relation to other relevant writings of the New Testament Briefly reviewing this larger corpus and highlighting parallels and contrasts where appropriate he seeks to locate the Gospel's theology in its wider canonical context The fourth and final chapter ranges even further afield commenting on the Gospel's history of interpretation and on its significance in the contemporary context *A Theology of Mark's Gospel* David E. Garland,2015-10-06 *A Theology of Mark's Gospel* is the fourth volume in the BTNT series This landmark textbook written by

leading New Testament scholar David E Garland thoroughly explores the theology of Mark's Gospel. It both covers major Markan themes and also sets forth the distinctive contribution of Mark to the New Testament and the canon of Scripture, providing readers with an in-depth and holistic grasp of Markan theology in the larger context of the Bible. This substantive evangelical treatment of Markan theology makes an ideal college or seminary level text. *The Theological Intentions of Mark's Literary Devices* Dean B. Deppe, 2015-10-22. What sets *The Theological Intentions of Mark's Literary Devices* apart from other books? What niche does it fill that makes its publication important? This volume will interest all those who value a literary approach to the Gospel of Mark. Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices. Deppe argues that Mark employs the literary devices of intercalation, framework, allusionary repetitions, narrative surprises, and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels. Mark employs these literary devices not just for dramatic tension and irony but also for theological reasons to apply the Jesus tradition to specific problems in his own day. *Mark* Mark L. Strauss, 2017-03-07. Continuing a Gold Medallion Award winning legacy, the completely revised *Expositor's Bible Commentary* puts world-class biblical scholarship in your hands. A staple for students, teachers, and pastors worldwide, *The Expositor's Bible Commentary* (EBC) offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures. The EBC uses the New International Version of the Bible, but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful. Each section of the commentary includes an introduction, background information, a short bibliography, and an outline. An overview of Scripture to illuminate the big picture. The complete NIV text. Extensive commentary. Notes on textual questions, key words, and concepts. Reflections to give expanded thoughts on important issues. The series features 56 contributors who believe in the divine inspiration, complete trustworthiness, and full authority of the Bible. Have demonstrated proficiency in the biblical book that is their specialty. Are committed to the church and the pastoral dimension of biblical interpretation. Represent geographical and denominational diversity. Use a balanced and respectful approach toward marked differences of opinion. Write from an evangelical viewpoint. For insightful exposition, thoughtful discussion, and ease of use, look no further than *The Expositor's Bible Commentary*. **Faith as a Theme in Mark's Narrative** Christopher D. Marshall, 1994-12-08. Mark's Gospel has attracted an enormous amount of scholarly attention over recent decades. The major themes of the Gospel have been studied exhaustively and from a variety of critical perspectives. But at least one important theme in Mark has been comparatively neglected in recent study: the theme of faith. This critically acclaimed book redresses such neglect through a thorough exegetical and literary study of all the references to faith in Mark's composition. **The Moral Life According to Mark** M. John-Patrick O'Connor, 2022-04-21. M. John-Patrick O'Connor proposes that, in contrast to recent contemporary scholarship that rarely focuses on the ethical implications of discipleship and Christology, Mark's Gospel as our earliest life of Jesus

presents a theological description of the moral life Arguing for Mark's ethical validity in comparison to Matthew and Luke O Connor begins with an analysis of the moral environment of ancient biographies exploring what types of Jewish and Greco Romanic conceptions of morality found their way into Hellenistic biographies Turning to the Gospel's own examples of morality O Connor examines moral accountability according to Mark including moral reasoning the nature of a world in conflict and accountability in both God's family and to God's authority He then turns to images of the accountable self including an analysis of virtues and virtuous practices within the Gospel O Connor concludes with the personification of evil human responsibility punitive consequences and evil's role in Mark's moral landscape New Testament Theology Leon Morris, 2011-03-01 This work is not a history of New Testament times nor an account of New Testament religion Nor does it proceed from a view that the New Testament was written as theology We must bear in mind that the writers of the New Testament books were not writing set theological pieces They were concerned with the needs of the churches for which they wrote Those churches already had the Old Testament but these new writings became in time the most significant part of the Scriptures of the believing community As such they should be studied in their own right and these questions should be asked What do these writings mean What is the theology they express or imply What is of permanent validity in them We read these writings across a barrier of many centuries and from a standpoint of a very different culture We make every effort to allow for this but we never succeed perfectly In this book I am trying hard to find out what the New Testament authors meant and this not as an academic exercise but as the necessary prelude to our understanding of what their writings mean for us today From the Introduction **Stewardship and Almsgiving in Luke's Theology** Kyoung-Jin Kim, 1998-03-01 This book starts with questions concerning Luke's idea of the relationship between wealth and discipleship Previous attempts have not succeeded in reconciling the ideas of wealth and poverty with the theme of discipleship in Luke's theology This failure motivates Kim to investigate a new paradigm namely stewardship Reviewing the wide range of material regarding wealth and poverty in Luke Acts he concludes that for Luke a proper way for Christians as stewards to use their wealth is almsgiving in the interests of the poor and needy inside and outside the community **The Gospel of Mark** Francis J. Moloney, SDB, 2012-05-01 The Gospel of Mark addressed to an early Christian community perplexed by failure and suffering presents Jesus as suffering Messiah and Son of God Recognizing that failure and suffering continue to perplex Christians today world renowned New Testament scholar and theologian Francis Moloney marries the rich contributions of traditional historical scholarship with the contemporary approach to the Gospels as narrative Now in paperback this commentary combines the highest level scholarship with pastoral sensitivity It offers an accessible and thoughtful reading of Mark's narrative to bring the Gospel's story to life for contemporary readers **Miracles in Mark** David Spell, 2009-03-04 The Gospel of Mark has long been regarded as The Gospel of Action It contains more miracles and supernatural phenomena than Matthew Luke or John In fact a third of Mark's Gospel is centered on the miraculous deeds of Jesus Mark is clearly more concerned with what

Jesus did than with what He said From the vision that Jesus experienced at His baptism to the supernatural events surrounding the crucifixion and resurrection Dr Spell will take the reader on a journey of exploration through the pages of Mark s Gospel The miracles of Jesus are as profoundly important for us today as they were for those who experienced them This study will help to guide readers in finding insights for their own lives Writing on the Gospel of Mark W.R.

Telford,2019-05-21 This thorough manual for advanced students and their supervisors and anyone researching or writing on the Gospel of Mark is the opening volume in an important new series of Guides to Advanced Biblical Research Together with an essay on the current state of research and a discussion of the future of Markan study it provides a chrestomathy of samples of Markan research together with a review of recent dissertations and a full annotated bibliography **The**

Function of Exorcism Stories in Mark's Gospel Andreas Hauw,2019-05-29 This book investigates stories of Jesus exorcisms in the Gospel of Mark The story of Jesus first public ministry in the synagogue Mark 1 21 28 and the Beelzebul controversy story 3 20 30 are examined to understand the other acts of exorcism that Jesus performed 5 1 20 7 24 30 9 14 32 Both Mark 1 21 28 and 3 20 30 highlight Jesus as a teacher and as an eschatological exorcist The latter stresses Jesus own understanding of exorcism and relates his identity with that of the Holy Spirit Therefore the first two exorcism stories in Mark s Gospel confirm Jesus as the bearer of the kingdom of God The motif of discipleship which is evident in both stories contributes to delineating Jesus christological identity as the Son of God as indicated by the incipit of Mark s Gospel Mark 1 1 Markan exorcism stories in Mark 5 1 20 7 24 30 and 9 14 29 further develop the presentation of Jesus exorcisms and other primary motifs The motifs of authority identity and mission confirm the christological identity of Jesus within gentile territory and are an important part of his mission to the gentiles Jesus specific mission in Mark 9 14 29 presents the exorcism that Jesus performed in the context of his role in both death and resurrection In this way Jesus as the bearer of the kingdom of God defeats the kingdom of Beelzebul **The Form and Function of Mark 1:1-15** Bradley T. Johnson,2017-10-30

Identifying the scenes of written texts is a critical skill for following the course set by an author Even a small variation in course heading can result in compounding an error over time with regard to one s intended destination Perhaps nowhere is this more important than in the opening unit of Mark s Gospel In this book Brad Johnson sets out to follow the course prescribed by the author of the second Gospel Making use of the principles of Inductive Bible Study rhetorical criticism and a study of ancient prologues Johnson makes a twofold case that Mark s opening unit the first fifteen verses demonstrates a formal integrity and performs a rhetorical function As such the Markan prologue situates the public life and ministry of Jesus within the broader context of an epic drama A failure to acknowledge the unique contribution of Mark as author in this regard will likely result in a destination the author never intended
